**Effective Pastoring** Bill Lawrence,1999-10-05 A great deal of confusion exists today as to what pastors are to be Lawrence writes Are they chaplains CEO s preachers managers or counselors Paul gave us the answer long ago They are to be equippers disciple makers Just as the great artist Michelangelo took a chipped and flawed piece of marble and transformed it into a masterful sculpture of David so does a pastor with his flock This is pastoring writes Lawrence serving as sculptors of souls

**The Complete Book of Bible Prophecy** Mark Hitchcock,1999 A theologian and pastor offers a comprehensive easy to use guide to biblicalprophecy

**The Miracles of Jesus According to John** Stephen S. Kim,2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life

**Evangelical Calvinism** Myk Habets,Bobby Grow,2012-06-08 In this exciting volume new and emerging voices join senior Reformed scholars in presenting a coherent and impassioned articulation of Calvinism for today s world Evangelical Calvinism represents a mood within current Reformed theology The various contributors are in different ways articulating that mood of which their very diversity is a significant element In attempting to outline features of an Evangelical Calvinism a number of the contributors compare and contrast this approach with that of Federal Calvinism currently dominant in North American Reformed theology challenging the assumption that Federal Calvinism is the only possible expression of orthodox Reformed theology This book does not however represent the arrival of a new Calvinism or even a neo Calvinism if by those terms are meant a novel reading of the Reformed faith An Evangelical Calvinism highlights a Calvinistic tradition that has developed particularly within Scotland but is not unique to the Scots The editors have picked up the baton passed on by John Calvin Karl Barth Thomas Torrance and others in order to offer the family of Reformed theologies a reinvigorated theological and spiritual ethos This volume promises to set the agenda for Reformed Calvinist discussion for some time to come

**Did Jesus Teach Salvation by Works?** Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven

Four Views on the Role of Works at the Final Judgment Robert N. Wilkin, Thomas R. Schreiner, James D. G. Dunn, Michael P. Barber, 2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last and final act before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation

Thomas R Schreiner Works will provide evidence that one actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Knowing the Spirit** Costi W.

Hinn,2023-09-12 Explore what the Bible really says about the Holy Spirit and what it means to see the power of the Holy Spirit at work in your life Whether intentionally or not many Christians today seek health wealth and happiness by summoning the Holy Spirit like a genie to grant their wishes When things don t go the way they think they should disappointment and disillusionment abound But it doesn t have to be this way In Knowing the Spirit author pastor and speaker Costi Hinn shows you why a relationship with the Holy Spirit is the most important next step on your journey as a Christian Using clear and sound interpretation of Scripture Costi clarifies who the Holy Spirit is and who he isn t and answers some of the most important and most frequently asked questions about him such as What does the Holy Spirit do Does the Holy Spirit speak today What is the baptism of the Holy Spirit What are the gifts of the Holy Spirit What does it mean to be filled with the Holy Spirit What does it mean to walk by the Spirit What is praying in the Spirit And more This book is only the beginning of your journey of knowing and loving the Holy Spirit With the solid and biblical foundation presented in these pages the Holy Spirit is someone you will confidently walk with every day for the rest of your life

**Scripture** Robert Saucy, 2001-06-09 In a society saturated by the doctrine of tolerance and an air of post modernism one might wonder about the role and significance of the once almighty Scripture Despite what some would consider a time of revival in the church confidence in the Scripture is consistently being undermined by cynical attitudes and critical thinking Saucy's commentary is relevant for the times and speaks to the questioning heart and mind He confirms not only our need for Scripture but also its authority its inerrancy and its impact
