**Peter S. Williams**

## God And The Gods Myths Of The Bible Pelican:

*God and the Gods* Walter Beltz, 1983 The author analyzes Old and New Testament accounts attempting to explain their origins relating them to earlier religions and myths to political events to writings and tales outside the canon **The Logic of Incest** Seth Daniel Kunin, 1995-01-01 **The Bible among the Myths** John N. Oswalt, 2009-08-30 Sixty years ago most biblical scholars maintained that Israel's religion was unique that it stood in marked contrast to the faiths of its ancient Near Eastern neighbors Nowadays it is widely argued that Israel's religion mirrors that of other West Semitic societies What accounts for this radical change and what are its implications for our understanding of the Old Testament Dr John N Oswalt says the root of this new attitude lies in Western society's hostility to the idea of revelation which presupposes a reality that transcends the world of the senses asserting the existence of a realm humans cannot control While not advocating a the Bible says it and I believe it and that settles it point of view Oswalt asserts convincingly that while other ancient literatures all see reality in essentially the same terms the Bible differs radically on all the main points The Bible Among the Myths supplies a necessary corrective to those who reject the Old Testament's testimony about a transcendent God who breaks into time and space and reveals himself in and through human activity **Forthcoming Books** Rose Arny, 2001-06 *The Bible Inside and Out* William Paul Lazarus, 2025-01-22 Despite the Bible's pervasive role and importance it is commonly unread outside of churches and synagogues and often misunderstood In *The Bible Inside and Out* award winning religious historian William Paul Lazarus presents a unique research based look at the Bible that helps a reader separate fact from fiction In so doing Lazarus's book helps the reader come away with a deeper understanding of the Bible's complexities and historical reality and ultimately a better understanding of how they may want to shape their beliefs For those readers looking to complete their understanding of the Bible or their own beliefs this book is an important piece of that puzzle The opening section of *The Bible Inside and Out* provides background about the Bible including its history and the problems of translating it The book then in section two explains research into biblical stories including carbon 14 dating and archaeological findings that may help separate fact from fiction In the book's third section Lazarus details Jewish and Christian history He then in the fourth and fifth sections provides an in depth look at accounts contained in each of those religions Bible such as hidden meanings behind the Adam and Eve and Noah's ark stories research into various books and investigations into the four gospel accounts in the Christian Bible British Book News British Council, 1983 Includes no 53a British wartime books for young people *British Book News*, 1983 The Jesus Mysteries Timothy Freke, Peter Gandy, 2001-12-18 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations *The Jesus Mysteries* deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is

traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable

**The Messiah** Milton L. Forbes,1989      God's Battle with the Monster Wakeman,2023-07-10      *The Lost Data on the Chariots of the Elohim* Martha Helene Jones,2008-12-31 Hebrew data on the Elohim in the Bible the Zarathustrian Magi who followed the star as it moved across the sky Zarathustra in the Rig Veda murders including Joshu Jesus committed by the Levite animal sacrifice cult of scribes who transcribed the Old Testament lost continents and the Great flood the Shemsu Hor and the winged disk of the Egyptians the sons of the Elohim who took wives from the daughters of the Adam mention of the little people in the bible and the Rh negative bloodline lacking in the earthling primate rhesus gene and much more research

**How the State Controls Society** Sidney Merry,2008-04-17 A discussion on how modern Society is controlled and directed by the State      *British Books in Print* ,1985      *Truth Seeker* ,1955      *AB Bookman's Weekly* ,1993      **The Great Pyramid Decoded** Peter Lemesurier,2022-06-23 Understand the Complexity of the World s Greatest Monument Standing sentinel for four and a half millennia the Great Pyramid of Giza has fascinated all who have beheld its imposing and elegant mass In *The Great Pyramid Decoded* historical theorist researcher and best selling author Peter Lemesurier shares observations based on a simple numeric code which reveals illuminating perspectives on the past as well as prophetic visions of the future Does the Great Pyramid hearken back to another civilization much older than ancient Egypt Is it the Old Testament writ in stone Is it an ancient observatory A treasure house A tomb Is there a message in the geometric ratios Lemesurier carefully explores these theories and draws some enlightening and meaningful conclusions Translating the wisdom of this ancient monument the author presents recommendations for the future which are consistent with the advice of Saint Malachy Nostradamus and Edgar Cayce among others Making connections to several religious traditions Lemesurier uses the Great Pyramid to illustrate humankind s place in the universe Read what this archaic wonder of the world has to say about where we came from and where we may be heading Learn how this one ancient wonder can teach us that we have the potential to reawaken to an enlightened path forward A must for anyone interested in the mystical wisdom of one of the most magnificent civil engineering feats of all time      *Books in Print* ,1994      **Behold the Man** Peter S. Williams,2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism *Behold the Man* presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an

evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies     *British Paperbacks in Print* ,1985     Paperbound Books in Print ,1983
