Wake Up America Before It's Too Late! Colonel Ellis D. Bingham Usa Retired,2012-10 Deep within our own Unites States Government and elements within and outside our nation there appears to be an insidious plot to destroy our Christian heritage and our American way of life This will never happen as long as our citizens are armed as provided for in our Constitution Unfortunately most citizens are immersed in their day to day activities to provide for their families and do not have the time to sift through and analyze the wealth of information provided by modern technology Those that have the time to monitor the internet and other media are flooded with information much of which is disinformation This causes uncertainty fear worry and stress on our citizens This Decision Paper puts together seven situations that if not acted upon and corrected will destroy this great nation All nations should realize that if America as the world knows it is destroyed the free world will cease to exist

ve got to DO something but felt like you were just one person who couldn't bring about change Well Joan Wile woke up one night thinking she had to do something about the war in Iraq Little did she know how far she would go Joan founded Grandmothers Against the War in 2003 In this outspoken memoir she tells the amazing story of the courageous spunky women who stood up for their beliefs and refused to back down From getting arrested and jailed in Times Square to marching to Washington D C to speaking and performing in Europe these activists are sure to inspire you with their hope and determination against all odds It's never too late to change your life and take action My Journey Through Life in Service to Jesus of Nazareth for Our Heavenly Father in His Sbc-Cbf Church Thomas Adams,2016-06-10 This book is to inspire people to follow the greatest teacher to walk upon the face of the earth Weekly World News ,1991-02-05 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site **1776 Rewind** Hassan Bartley (Sonny B.),2022-08-18 Do you like where the United States of America is headed If your answer is yes it's because the information war and cancel culture has kept you in the dark about the rampant corruption destroying our country In this book the author reveals how identity politics is destroying the foundation of our Constitution He answers questions such as How does the mainstream media trick so many people into believing falsehoods What can our forefathers and the Constitution teach us about battling tyranny Why have politicians been able to sell out the country to the highest bidders What steps must we take to fix the corrupt deep state system The author once thought elected officials were tending to our nation honestly but careful observation showed him that they are doing the opposite Take a stand for freedom ask the right questions and consider how to change the trajectory of our nation with the letters poems and insights in 1776 Rewind Look to a Nation By Sonny B The Civil War was a war between brothers Who bled on both sides For a cause that should've since long died So I say leave the monuments For the world to see As a reminder of what happens when we disagree In hopes to learn not to repeat history Blacks fought in this war It could land them back with the slave master Knew if they lost the war It would be a monumental disaster Police brutality no I don't condone But reality is I'm more likely to be murdered by my own Police brutality so loud we can't hear the sound Of Black on Black blood cryin' out from the ground Why no outrage when we kill each other Is it because the media sees it as ok to kill your brother Naw that just don't fit the bill A black man taken down by a white man Yeah that's more of a thrill So you censor my voice and agree with another While you recklessly divide a nation of all colors All lives do matter black white yellow and red We are all God's children so can we put this issue to bed We say the justice system is broken And Blacks get more time The fix is simple Just don't do the crime Am I the only Black man that can see this We getting sold out by Judas kiss Will somebody define racism PLEASE Media tryin' to infect our minds with a sick disease Are you tellin' me we're worse off in the future And our pain compares to Dr Luther Wake up my brother before it's too late Before we destroy the whole human race Can we admit there are issues on all sides Let's band together so

this nation can truly thrive Take a slave out of chains and out of the cotton fields Tell a man he s a victim and watch what it yields Anger rage now he s back in a cage Imprisoned in his mind only to be enslaved Kaepernick LeBron James oh yeah and Kyrie too We pander to these three And dare me to disagree If I disagree I will have to pay Or give an apology on the very next day I used to get away from fake news by watching ESPN Now politics in sports have become the new trend Is that equality Seems one sided to me And this is what we callin free speech You kneel to the flag You disrespect the Anthem White lives died black lives died We all had a loss And before you made your millions It came at a cost If we could remain as a child So innocent so mild Pure in heart without ever being defiled Go ahead ask a child what do you see I only see a person that s a friend of me Look again don t you see his color No I see a person that s like a brother The Good Book tells us There s nothing new under the sun Everything we see today has already been done So love your neighbor as yourself And please don t tell a lie We can t run from the truth It s a word we can t deny It s not a race issue But an issue of the heart But you can t understand this because we ve grown too smart So what is the answer to undo this MESS By LOOKING TO A NATION that says God Bless The Compromising of America RICHARD MCKENZIE NEAL,2011-09-26 We re currently living in a fantasy world of smoke and mirrors where almost one half of our population is receiving some level of unearned welfare financial assistance and or various other entitlement benefits The number of beneficiaries has not only grown steadily over the generations but has now reached a point where it has become a way of lifethe norm We ve all heard about the special interest groups in Washington well guess what Government is its own special interest groupthe biggest special interest group of all With no term limits members become so entrenched by catering to their special interest groups that their reelections are almost guaranteed each reelection cycle Government is now only the stooge perpetuating Ponzi economics Wars are being waged to support the scheme It is now job creation and economic growth at all costs when jobs and economic growth are the problems not the solution Ponzi credit has created too many jobs And most of those jobs have nothing to do with individuals making a living or creating tangibles This planet no longer has government It has disablement The global Ponzi credit system is the greatest crime against humanity ever perpetrated It has squandered the planet s resources and institutionalized un sustainability It has created money flow control and power that make their way into the hands of the undeserving It has created a global frenzy for profit Humanity had almost defeated all its predation competition and disease only to find itself competing and preyed upon by the worst competition imaginable itself It has institutionalized necessity for economic growth and population increase when the planet cannot sustain it The game controllers are poised to profit from dwindling resources through commodity investment and war The world s jobs are dependent on the continuation of Ponzi credit creation **Weekly Compilation of Presidential Documents** ,1985
