Sanderson, Gregory Alan Thornbury, 2015-01-01 Jesus calls his followers to be salt and light in a fallen world Through the ages believers have grappled with what form Christian cultural engagement should take Various Christian thinkers have advocated models of engagement and some recent models have used the discourse of the battlefield to speak of winning the culture war In a post Constantinian post Christian culture how are believers to live in the world without being of the world Throughout his ministry David S Dockery has persistently advocated

Jurgensmeier,2012-08-22 How and why has God spoken to us Answering these questions involves the immense topic of divine revelation Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind **Multilateral Theology** Timothy T.N Lim,2021-04-18 This book introduces a new multilateral

methodology for the contemporary study of theology It bases this methodology on the idea that there are too many materials contributing as sources for theologizing to sustain the one method fits all approach found in many systematic theologies within Christianity What is needed instead is something that reflects the various and varied natures purposes and tasks of theologians theologizing for their respective contexts Engaging materials from a range of Christian traditions including Evangelicalism the Catholic Magisterium and a limited range of pan Orthodox resources the book analyzes and assesses major factors that have shaped different streams of theology Addressing doctrinal development scripture and revelation historical tradition and creeds philosophy and truth sciences and interdisciplinarity experience religious pluralism and culture it demonstrates how these various streams can form a multilateral whole The book concludes by examining the centers and peripherals of methodologies in theologization for a spectrum of theological traditions streams both across and beyond Christianity By offering an approach that keeps in step with the increasingly interconnected and pluralistic world in which we live this book provides a vital resource for any scholar of Christian theology constructive theology contextual theologies and systematic theology as well as religious studies *The Christian Story* Gabriel Fackre,1996 An original work in systematic theology The Christian Story rises from and strives to be a resource to the life and witness of the church and its leadership In addition to covering the standard teachings of Christianity the doctrines of God creation the fall covenant Christ salvation church and consummation Volume 1 presents Fackre s introduction to systematic theology This revised third edition develops in more detail the doctrine of the Trinity takes up the issues of religious pluralism and Jewish Christian dialogue and offers a perspective on angelology New appendices discuss inclusive language and describe the surge of writing
