**Vengeance of God** Eric Peels,2021-11-22 This book deals with the Old Testament theme of the vengeance of YHWH discussing both the exegetical and theological aspects of a biblical notion that until now has received far too little attention in scholarly research After an exploration of the Umwelt use of the root NQM vengeance avenge in the main part of the study all relevant Old Testament texts are dealt with in a thorough exegetical investigation This leads to a theological outline which stresses the important place and positive function of God s vengeance in the Old Testament revelation The theories of G E Mendenhall P Volz and K Koch with regard to the theme of vengeance are criticized Of special interest are the additional sections on the issues of blood vengeance and the imprecatory prayers      **Ways to Provoke Divine Vengeance** Dr. D. K.

Olukoya,2014-01-06 God will fight for you and avenge you of your adversaries on one condition that is hold your peace Genesis 14 14 You should not attempt fighting for yourself as stipulated in Romans 12 19 If you value the worth of the enormous benefit and advantage of God s vengeance on your behalf then you must read the twenty one things you must do to secure divine vengeance      **The 99 Beautiful Names of God for All the People of the Book** David Bentley,2020-04-06 The author s treatment of the Arabic language and sensitivity toward Muslims and Christians in the Mid East is very helpful Professor Bentley s research touches on one of the most important subjects facing Muslims and Christians Saleem Al Mahdy Professor of Middle East Culture and Islam This work represents a genre that is very interesting The book extracts ideas and

themes from the Muslim experience and uses them as a method for getting deeper into the Christian understanding of these names for God. It will move us forward in the understanding of Islam. Ronald J. Miller, Professor Emeritus Islamic Studies, Dr. David Bentley's book is a great help to mutual understanding. Many of these 99 names have their origins in the Old and New Testaments. J. Christy Wilson Jr. 1921-1999 lived and taught 24 years in Afghanistan. The Sin and Danger of Popery: God's Vengeance on Persecutors; and Man's Wrath Turn'd to God's Praise. In Six Sermons Robert Atkins, 1712. The Holy Bible Containing the Old and New Testament, 1899. God Is Not Fair, Thank God! George E. Thompson, 2014-02-05. Life is not fair. What does this reality imply about the nature of God and the destiny of human beings? In this engaging book, Thompson asserts that fairness is not an expectation of the faithful within the Judeo-Christian Scriptures. Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness. The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness. The Jesus of history truly manifested the fullness of this paradoxical God for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant. When the church grasps for power and control, avoids compassionate and costly ministries among the poor and powerless, and renders primary focus upon gaining heavenly rewards, it rejects its Christ-centered mission, relinquishes its paradoxical purpose, and ceases to strive toward becoming an extension of the incarnation. Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian. Revenge Tragedy and Classical Philosophy on the Early Modern Stage Christopher Crosbie, 2018-11-14. This book discovers within early modern revenge tragedy the surprising shaping presence of a wide array of classical philosophies not commonly affiliated with the genre. **Executing God** Sharon L. Baker, 2013-01-01. Why did God have to murder his only son to pay our debts? What kind of vengeful, violent God can only be satisfied by vicarious blood atonement? In *Executing God*, theologian Sharon Baker presents a biblically based and theologically sound critique of popular theories of the atonement. Concerned about the number of acts of violence performed in the name of God, Baker challenges cultural assumptions about the death of Jesus and its meaning to Christians. She ultimately offers a constructive alternate view of atonement based on God's forgiveness that opens up salvation to a wider group of people. **God Our Savior** C. Norman Kraus, 2006-12-18. This volume makes a systematic theological statement in light of the unique revelation of God and humankind that has come to us in Jesus the Messiah as recorded in Scripture. It is the companion to the author's *Jesus Christ Our Lord* (1987, 1990). There are chapters on Jesus Christ as the lens through which we receive theological insight, revelation, God, humanity, the Holy Spirit, the church, and last things, all understood through God's self-disclosure in Christ. From within the Anabaptist theological tradition, Kraus offers a biblically oriented alternative to rationalistic orthodoxy and to liberalism. He takes Scripture as the normative witness to the meaning of Christ, the authoritative source for theological

reflection and thus makes a thoroughly evangelical statement Yet this evangel begins with salvation as newness of life in resurrection with Christ not simply as juridical justification The emphasis is on God as source of creative potential rather than on God as instigator of legal judgment Christ the Second Adam the truest image of God is both the climax of creation and the means through which humanity can attain that image and respond to God in personal relationship Kraus views the Holy Spirit as the enlivening presence of the risen Christ the church as the continuing saving mission of Christ and eschatology as the victory of Christ over the powers of evil and death

Keiichi must save three goddess who are endangered when their computerized life support system fails      **Deuteronomy**

Ajith Fernando, 2012-05-31 The book of Deuteronomy is a call to obedience the proper response to God's faithfulness and love Consisting primarily of speeches that Moses gave to the Israelites shortly before they entered the Promised Land Moses words proclaimed God's covenant faithfulness in hopes of motivating the Israelites to obey God despite the coming temptation to conform to the Canaanite culture The challenges they faced then are remarkably parallel to those facing Christians today as we grapple with the issue of obedience in a world that offers other attractive ways of life We wonder How can we be faithful to God And how do we help our children and the people we lead to be faithful This book tells us how Moses tackled these challenges and as Paul confirms in the New Testament Deuteronomy serves as an example written down for our instruction 1 Cor 10 11 Ajith Fernando unpacks the relevance of Deuteronomy and captivates us with rich anecdotes from his thirty five years of ministry to first generation Christians in Sri Lanka He offers concrete examples of how the truths contained in Deuteronomy can be applied and he teaches us that obedience is the necessary response to the God who loves and saves us Part of the Preaching the Word series      *The Lion Has Roared* H.G.L. Peels, Stephanus Daniel

Snyman, 2012-09-11 Throughout ages the prophetic literature of the Old Testament has always fascinated its readers Up to our modern times the bold prophetic message of doom and salvation continually triggers our imagination At the same time the books of the prophets confront us with many questions as to their aim and theological content challenging us to translate their message in our own actual context *The Lion Has Roared* an image used by the prophets themselves was written to meet the need for a better understanding of the prophets By taking into account recent trends in current scholarship on the prophetic literature in the Old Testament this book explores the core theological message of each individual prophetic book including the book of Daniel This is done by viewing each book both from a historical and literary perspective A selected bibliography on each prophetic book is also provided to guide the interested reader to further reading This unique volume was written by sixteen Old Testament scholars from Africa America Asia and Europe for use by students of theology and religious studies pastors and preachers and interested lay readers      Revelation 1-22 MacArthur New Testament

Commentary Two Volume Set John MacArthur, 1999-04-15 This package includes the complete two volume set of the Book of Revelation from the MacArthur New Testament Commentary series Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today's top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways Revelation 1 3 says Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the

time is near That blessing may be hard to receive with the Book's shrouded prophecy and eschatological mysteries confusing scholar and lay reader alike MacArthur pulls back the veil and reveals more of what God's Word has to say to us in Revelation covering volatile topics as The rapture the millennial kingdom and the Anti Christ These volumes will open your eyes to receive the blessing promised in Revelation's opening verses     The Iconoclastic Deity Clyde A. Holbrook, 1984 This book explores the meanings of images with particular reference to the images of God found in the Bible and surveys the various images found It critically reviews theories of images as distinguished from symbols and argues that images are more forceful representations of the deity than are symbols
