Him Changes Everything Michael Gissibl, Sonny Gann, 2016-06-20 Discovering the Kingdom What if we were able to discover the ability to create reality What if we had within ourselves the capacity to bring reality into existence What if we have been creating reality and will continue for the rest of our lives We are made in the image of our Creator therefore it is our nature to create It's ignorance and enslavement that has kept us from creating a more desired reality than our present state of existence This book is an introduction to the world of creativity according to God's design and purpose Superposition supposes two realities exist at once Because our experience never views the two realities together the observer's perception collapses the superposition leaving only the observer's perception of what is real What if God the Creator had quantum superposition in mind when he said be it unto you according to your belief What if we were intended to create reality based

on our discovery of God Suppose two kingdoms existed at once the Kingdom of Heaven and the kingdom of darkness What is the determining factor of which reality is experienced The observer s ability to see and become aware of one or the other kingdoms determines which kingdom is made real on earth The kingdom that succeeds in molding a nation s perception is given the stage of reality in that nation Man does not create thought thought creates the man What determines our thoughts therefore is which kingdom is influencing us Discovering the Kingdom is designed to empower you to perceive the Kingdom It is a study guide placing you under the influence of the Kingdom of Heaven bringing about a change of mind that produces both individual and cultural transformation The more you can see and become aware of the Kingdom of God the more you and Holy Spirit co create its existence both within your personal life and on Earth The Greatest Thing in the World Henry Drummond,1996-02 Evangelist Dwight L Moody relates the story of how he benefited from one particularly vivid and crucial message One Sunday evening as we sat around the fire my friends asked me to read and expound some portion of Scripture Being tired after the services of the day I told them to ask Henry Drummond who was one of the party He opened his Bible to the 13th chapter of First Corinthians and began to speak on the subject of love It seemed to me that I had never heard anything so beautiful Since then I have requested the principals of the schools to have it read before the students every year Drummond s memorable homily on love the supreme good retains all its original freshness and vitality in this oral rendition
