God's Guidance Ray Clubb,2011-05-09 According to a recent study less than 10% of Christians make major life decisions using the Bible and prayer One reason for that appalling statistic is that though the Bible promises that God guides His people it does not in one single place tell how Consequently many of God s people do not know how to get God s guidance In God s Guidance How It Works How to Get It the author pulls pictures and principles from one end of the Word of God to the other in order to set down a clear and simple explanation of how God s guidance works and how to get it This book is Biblical simple and amply illustrated with stories both from the Bible and from those who seek to follow the Bible If you want to learn how to get God s guidance then you have come to the right book
