Gods Message To The World Youve Got Me All Wrong:

What God Said Neale Donald Walsch, 2013-10-01 God's number one message to the world You've got me all wrong Inspired by his nine book Conversations with God series many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message to us in a more succinct way This concise text details and expands just what we need to know about life and how to live it Bringing his many conversations over the years into sharper focus than ever before Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings To experience life as fallible and human beings open minded open hearted and all embracing and to build on broaden and enrich our Ancient Story But to move forward on this ever expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his Conversations with God but also applying them in the most practical ways And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life Should humanity begin carrying these messages forward starting today we can change the world

The Only Thing That Matters Neale Donald Walsch, 2013-09-26 The interesting thought that 98% of the world's people are spending 98% of their time on things that don't matter opens the latest book from seven time New York Times best selling author Neale Donald Walsch who says with gentleness that this is the reason so many lives are filled with sadness and turmoil and that the world itself seems continually on the brink of calamity This circumstance Walsch says is nobody's fault We simply haven't been told or taught what does matter or if that question has been answered for us the answers we've been given have not been accurate Yet now the author declares the human race is receiving an invitation from Life Itself in the form of a palpable energy shift in 2012 and beyond to address the question directly and people everywhere can feel it Some sense this shift much in the way they can sense in the sleepy hours of the morning that it is time to wake up Others experience frustration at how things are going right now but they also feel a muted excitement stirring deep within a restless readiness to respond to a soft but persistent inner voice that has lately been saying IT DOESN'T HAVE TO BE THIS WAY Walsch says that this inner voice is correct One's life does not have to be a series of worrisome and challenging crises involving finances or relationship or health or family and neither does the world at large have to be a container of constant calamity surrounding its governance and ecology and culture In his latest book *The Only Thing That Matters* he offers a formula elegant in its simplicity that will immediately uplift the life of anyone who embraces it and that could change the World Entire
