Gods Character Loving Knowing More:

A to Z of God's Character Sarah Travis,2015-11-25 Over the years I have questioned many aspects of God s character without even realizing it maybe I m not alone My fears show a lack of trust in His sovereignty and provision My continual planning shows a lack of belief in His omniscience He is all knowing When I question why I was placed in a certain situation I am doubting His perfect plan for my life When anger rises up in me while watching the heart wrenching pain of suffering I am putting His lovingkindness into question When I hold on to the sin of my past unable to forgive myself I am rejecting His atoning sacrifice cleansing power and forgiveness All of the fears doubts questions and emotions that rise up within me on a daily basis all count down to one common denominator They all show a lack of belief in the character of God I believe every Bible study should result in us knowing our Father and His Son Jesus more He reveals His character to us throughout Scripture The A to Z of God s Character is a journey through the ways the Lord reveals His nature to us in His Word Together we will learn how we are created to be like Him and reflect His character to the world around us By focusing on the true character of God we will grow closer to Him as we allow truth to wash away our lack of belief More Beautiful You Jonny Diaz,Gwendolyn Diaz,2010-07-09 Beauty is within your heart you are perfect just the way you are The God of the universe designed you before the foundation of the world to be exactly who you are not some touched up picture in a magazine He created you beautiful the way you are right now That may sound unbelievable but let Christian music artist Jonny Diaz

Andrews,2024-01-26 CHRISTIAN THEOLOGY The Christian s Ultimate Guide to Learning from the Bible is a comprehensive exploration of Christian doctrine offering an in depth understanding of the essential teachings and principles of the faith This

extensive work is an invaluable resource for both seasoned theologians and those new to biblical study. In this meticulously crafted volume, readers will delve into the essence of Christianity, examining the dynamics of faith that form the bedrock of Christian belief. The book begins with a profound introduction to the core tenets of Christianity, laying a solid foundation for the intricate theological concepts that follow. The journey continues through the complex realm of biblical doctrine, where divine revelation, the process of inspiration, the inerrancy of Scripture, and the formation of the canon are examined with scholarly precision. Principles of biblical interpretation are explored in detail, providing readers with the tools to understand Scripture within its historical and cultural context. A significant portion of the book is dedicated to the Doctrine of God, delving into His identity, divine attributes, and the enigmatic nature of the Trinity. The book also illuminates God's law and His active role in the world, offering insightful perspectives on His interactions with humanity. The Doctrine of Christ receives thorough attention, exploring Christ's eternal existence, His miraculous birth, sinless nature, and the profound significance of the crucifixion, atonement, resurrection, and ascension. The ongoing role of Christ in heaven is also examined, highlighting His enduring influence in the Christian faith. The Holy Spirit's doctrine is not overlooked, with chapters dedicated to understanding His work, indwelling, and active role today. The Human Doctrine follows, offering an exploration of the creation of humanity, the concept of being made in God's image, and the descent into sin. In the Doctrine of Redemption, readers will find an in-depth analysis of atonement, ransom, reconciliation, sanctification, and the multifaceted nature of salvation, including perspectives from Calvinism, Reformed Calvinism, and Arminianism. The book also ventures into Angelology, providing insights into the nature of angels and the roles of key archangels like Michael and Gabriel. The Doctrine of Satan and Demonology are addressed, shedding light on the essence, strategies, and realm of demonic forces. Ecclesiology is explored in depth, covering the origins, essence, and functions of the Church, the significance of church membership, and the dynamics of church leadership, along with an examination of first-century church administration as a model for today. Finally, the book culminates in a detailed study of Eschatology, the Doctrine of the End Times. This includes interpretations of prophecy, the signs of the end times, the Rapture, the Tribulation period, the Millennium, and the various divine judgments leading to eternal punishment or life.

 Lee C. Barrett,2013-11-30 A thought provoking comparative take on two seminal thinkers in Christian history In this book the
 first volume in the Kierkegaard as a Christian Thinker series Lee Barrett offers a novel comparative interpretation of early
 church father Augustine and nineteenth century philosopher theologian Soren Kierkegaard Though these two intellectual
 giants have been paired by historians of Western culture the exact nature of their similarities and differences has never
 before been probed in detail Barrett demonstrates that on many essential theological levels Augustine and Kierkegaard were
 more convergent than divergent Most significantly their parallels point to a distinctive understanding of the Christian life as
 a passion for self giving love Approaching Kierkegaard through the lens of Augustine Barrett argues enables the theme of
 desire for fulfillment in God to be seen as much more central to Kierkegaard s thought than previously imagined *The*
Reality of Christian Learning Harold Heie,David L. Wolfe,2004-01-20 Building on foundational studies on the relationship of
 faith and learning this book presents concrete examples of ways in which a Christian perspective can be brought to bear on
 scholarship in various academic disciplines The editors present a typology of various strategies for faith discipline integration
 which are then exemplified by two essays in each of seven disciplines political science sociology psychology biology
 mathematics the arts and philosophy In each discipline a principal essayist addresses a significant issue from a Christian
 perspective a respondent then analyzes that essay suggesting at least one alternative approach *The Quarterly Review*

 Sturges,2013-10-31 As soon as there was sin there was a Savior From times eternal God knew that Satan would introduce sin
 into planet earth infecting its inhabitants Out of His great love for the human family the Father Son and Holy Spirit united in
 carrying out the great plan of redemption and in fulfilling the everlasting covenant of grace In Mark s hard hitting Gospel the
 Son of God suddenly appears rising out of the Jordan River hair wet anointed by the heavenly dove and surrounded by the
 thunder like echo of His Father s approval From this point on all of Jesus recorded words and actions move steadily and
 unflinchingly toward Christ s sacrifice on the cross where He suffered and died for the redemption of humankind Popular
 beliefs about the covenant have fragmented God s interactions with the human race insisting that God s plan of redemption

for the Jews on Sinai had little or nothing to do with His plan of redemption for new covenant believers Taking his cue from Paul s aligning of God s new covenant promise with His covenant with Abraham and from Peter s New Testament repetition of God s promise of His people being a holy nation Dr Hubert F Sturges argues convincingly and biblically that there is more continuity than discontinuity in God s covenants with the human race Tracing God s saving actions through Scripture and history Dr Sturges reveals the strategic steps that the Father Son and Holy Spirit took in fulfilling their continuing commitment to the human family With bite sized chapters divided into three sections More Than a Promise The Everlasting Covenant as Presented Throughout History will cause you to reflect on God s great love and mercy for the human race
