*He Is the Gardener* Vince Brady, 2015-07-07 *He Is the Gardener* proposes a radically new understanding of the biblical stories surrounding the resurrection of Jesus and offers a profound reinterpretation of what it means to be both human and divine that revolves around the notion of kenosis It retrieves and pulls forward the traditional affirmations that have been made about Jesus God and Christian anthropology in responding to the culture of our time Believing and thinking science and religion salvation and history are these to be forever locked in win lose battles Must one deny or diminish one side to be able to stand in the other *He Is the Gardener* attempts to overcome these divisions with intellectual integrity and practical challenges In the process a challenging and deeper understanding of the central mysteries of Christian faith is advanced and a discussion of what it means to be human in the world today is suggested There is too much information coming at us every moment of the day and night We are swimming in a data ocean with no land in sight Is there any one thing about which if you have any understanding you will come to realize something about everything *He Is the Gardener* proves the answer is yes and suggests such understanding is open to everyone because the object is you yourself The pathway into that self understanding for believers in Jesus is Jesus himself

Ashby, 2021-05-20 *Lessons From The Master Gardener* is a parallel of botanical and Biblical principles that enhance the application of scripture in a believer s life The nine chapters start with soil preparation and progress through harvesting the crop Each chapter springboards from a scriptural passage related to agricultural process A divine picture is drawn of the relationship between the physical world in which we live and the spiritual realities we need to know in order to live a victorious life

**Resurrection** Frank J. Matera,2015 At the heart of the Christian message stands the proclamation of the resurrection the good news that God raised Jesus from the dead In Resurrection The Origin and Goal of the Christian Life Frank Matera explains why the resurrection was so important to the early church and why it remains important for Christians today Beginning with the gospels then moving to the Acts of the Apostles the Pauline Epistles and concluding with Hebrews 1 Peter 1 John and the book of Revelation Matera provides a comprehensive overview of how the different writings of the New Testament proclaimed the resurrection of Jesus Christ Written in a clear and accessible manner Matera presents readers with a way to understand the central message of the New Testament and of Christian faith God raised Jesus from the dead Building on this message he shows that the resurrection of Jesus enables and empowers believers to live in the world today and provides them with the assurance that God will raise them from the dead as well [The Master Gardener](#) Laura K. Dahne,2007-12 A surprise visitor patiently and kindly shows a gardener how to deal with the troubling issues of life while also teaching him how to perfectly care for his natural garden in this allegory of Christ s love Practical Life *The Resurrection of Jesus* Robert B. Stewart,2006 Two of today s most important and popular New Testament scholars John Dominic Crossan and N T Wright here air their very different understandings of the historical reality and theological meaning of Jesus Resurrection The book highlights points of agreement and disagreement between them and explores the many attendant issues This book brings two leading lights in Jesus studies together for a long overdue conversation with one another and with significant scholars from other disciplines **Resurrection and Discipleship** Thorwald Lorenzen,2004-01-30 The authority of the Bible in the Gospel narratives and Paul s impassioned epistles revolve around the factual basis and foundational nature of Christ s resurrection for Christianity The question is how can the resurrection best be understood In Resurrection and Discipleship Thorwald Lorenzen provides a balanced and nuanced investigation of this question [The God of Resurrection](#) Watchman Nee,2024-08-27 This booklet begins by asking questions that have troubled human beings throughout history Why should man who has been created by God be subject to suffering throughout the whole course of his life Why should men still continue to suffer after they become children of God And why should men s sufferings

increase with the increase of their devotion to God The answer to these questions lies in seeing the distinction between two titles of God the living God and the God of resurrection and seeing their relationship to God s eternal purpose The accomplishment of God s purpose involves our having an experiential knowledge of God not only as the living God but also as the God of resurrection

**Resurrection Logic** Bruce D. Chilton, 2019 Death does not speak the final word Resurrection does Christianity stands or falls with this central confession God raised Jesus from the dead Bruce Chilton investigates the Easter event of Jesus in Resurrection Logic He undertakes his close reading of the New Testament texts without privileging the exact nature of the resurrection but rather begins by situating his study of the resurrection in the context of Sumerian Egyptian Greek and Syrian conceptions of the afterlife He then identifies Jewish monotheistic affirmations of bodily resurrection in the Second Temple period as the most immediate context for early Christian claims Chilton surveys first generation accounts of Jesus resurrection and finds a pluriform and even at times seemingly contradictory range of testimony from Jesus first followers This diversity as Chilton demonstrates prompted early Christianity to interpret the resurrection traditions by means of prophecy and coordinated narrative In the end Chilton points to how the differing conceptions of the ways that God governs the world produced distinct understandings or sciences of the Easter event Each understanding contained its own internal logic which contributed to the collective witness of the early church handed down through the canonical text In doing so Chilton reveals the full tapestry of perspectives held together by the common thread confession of Jesus ongoing life and victory over death

**Alive** Gabriel N. E. Fluhrer, 2020 In our secular age there is perhaps no claim more stupendous than that Jesus Christ rose from the grave for this claim introduces an unacceptable supernaturalism into the culture s materialist worldview Yet the resurrection of Jesus Christ is at the center of the Christian religion From the earliest days of the faith Christians proclaimed that Christ was risen and not only that but His resurrection means something In *Alive* How the Resurrection of Christ Changes Everything Dr Gabriel N E Fluhrer demonstrates that there is good reason to believe in the resurrection of Jesus Christ He explores the evidence for the resurrection rebuts popular arguments against it and provides application for Christians in a hostile culture Dr Fluhrer begins by surveying the current landscape of ideas when it comes to the resurrection focusing especially on the arguments of Bart Ehrman of the University of North Carolina Chapel Hill He goes to sketch out some plausibility structures for the historical reality of Christ s resurrection including the marked change seen in the Apostles Next he provides an overview of the Bible s testimony concerning the resurrection beginning in the Old Testament and continuing with an examination of the Gospels Acts and the rest of the New Testament Finally Dr Fluhrer concludes with some applications regarding how understanding the reality of the resurrection bears on the Christian life

**Resurrection, Discipleship, Justice** Thorwald Lorenzen, 2003 This book explores the resurrection of Jesus Christ as the foundational event for Christian faith for the Christian church and for Christian ethics It argues that the resurrection is a relational event aiming at the establishing of justice This is illustrated by discussing the interrelationship

between the resurrection and selected social ethical challenges race class and gender equality the ordination of women ecological justice and the relationship of Christianity to other religions The book seeks to argue that Christian faith grounded in the resurrection of Christ needs to be concerned with unmasking injustice and implementing justice The first two chapters engage with contemporary liberal and evangelical theologians contending that the resurrection of Christ is a real and relational event Chapters three and four suggest that resurrection faith implies a commitment to justice Jesus was killed for justice related causes and by raising Jesus from the dead God affirmed Jesus vision of life and at the same time defeated the estranging powers of death Chapters five and six illustrate the history changing nature of the resurrection by discussing its effect on history and society Humanity s ethnic economic and gender class divisions the dignity of womanhood the ecological challenge and our relationship to other religions are discussed Chapter seven reasons that international Christian discipleship is the most appropriate way of responding to the resurrection of the crucified Christ and as such to implement what justice requires Thorwald Lorenzen has taught and preached in Europe the United States Asia and in Australia For over 20 years he was Professor of Systematic Theology and Ethics at the International Baptist Theological Seminary in Ruschlikon Zurich Switzerland Since 1995 he has been the Senior Minister of the Canberra Baptist Church in Australia s Capital City He is active in ecumenical evangelical and justice concerns He is a lecturer in Systematic Theology at St Mark s National Theological Center School of Theology Charles Sturt University Whitley College The Baptist College of Victoria and at the University of Melbourne
