Head Bangers Zane, 2009-05-26 Hope and Faith two things that everyone needs to survive but the words take on a different meaning in the form of a set of twins who attend Crockett University in Washington D C Soror Ride em High and Soror Lick em Low originally hail from Atlanta and like most twins they share a connection In fact their physical bond is so strong that one can often feel a pounding while the other is engaged in sexual activity But everything is not perfect when it comes to being a twin Sometimes animosity and jealousy can creep in especially when Hope and Faith find themselves both attracted to the same man on campus Is blood really thicker than water Or in this case thicker than basic carnal desires In this long anticipated second volume in the APF series a follow up to *The Sisters of APF The Indoctrination of Soror Ride Dick* New York Times bestselling author Zane once again proves why she is the Queen of Erotic Fiction Over the years many have tried to emulate her but Zane s imagination is not to be replicated any time in the near future The freak nights of APF are some of the most artistic exhilarating erotic experiences that have ever graced the pages of a book evidenced by the thousands of emails Zane has received over the years from women yearning to join the sorority The sexual revolution continues within the pages of *Head Bangers An APF Sexcapade*
