Red Madonna Dianne Joyce,2008 The poems in this collection are about questing plumbing the depths of one s own soul and finding out what clicks what works what the future might be if all the elements fall into place As Joyce says The thing about quests is that you never go on one alone There are those you meet along your life s journey who help you move toward your destination In this collection unlikely people and situations appear and offer their own stories which help move the quest along Joyce develops these poems into a unique connection with the Goddess that exists within the female psyche I know now that my emerging relationship with the sacred or divine feminine was what gave me the energy I needed to go forward with my quest
