[Seraphim Blueprint](#) Ruth Rendely, 2007 The Seraphim Blueprint introduces an advanced spiritual system that has been dormant for thousands of years In 1994 a high Angel a Seraph began initiating Ruth Rendely into this long forgotten teaching She shares the amazing experience of that first of many meetings when he tells her that she is to bring out an ancient healing modality that existed in Atlantean times The Angel then proves the power of the system by transmitting healing energies into her in six minute installations These energies sing through her body fixing minor pains and leaving her exhilarated He tells her that these energies are now available to be accessed effortlessly by anyone for their own benefit or the healing of others RUTH RENDELY Gifted with the Seraphim Blueprint spiritual teacher intuitive healer authority on angels she has taught thousands how to explore their own divinity ACCLAIM FOR SERAPHIM BLUEPRINT I enthusiastically endorse this book It is not just a book it is a journey into life Through my experience in medicine I have come to realize that there is more to life than contemporary science can explain and that is the human soul Ms Ruth Rendely has proven this to be right She has explained her life journey in a way that all of us can relate to and more importantly through her knowledge and experience she has given hope belief and love I am truly impressed with her God given talent and her way to express it so that we all can understand and appreciate it Adrian Bocirnea M D I m thrilled to see that Ruth Rendely is helping people to make contact and to work more intimately with their companion angels Nothing could be more important at this key point in the evolution of both species When humanity moves individual by individual to fulfill its true destiny it will be with our angels at our sides This is an ancient promise and it is coming about in our lifetimes May those with ears hear Timothy Wyllie co author Ask Your Angels This book is a simple story of how one woman opened to the angels and then began to share what she learned with others Slowly as you read her tale you will find shifts happening to you as well Subtle is the technology of angels not like knives or guns or bombs It s a soft technology and yet it s a powerful one Andrew Ramer co author Ask Your Angels From the Foreword Seraphim Blueprint is a fascinating account of one woman s journey as she develops the power of healing by explicitly following the guidance of angels Rendely

provides a must read book for anyone who believes in the power of angels to help guide us into becoming our best selves
Randy Peyser author *The Mind Body Spirit Speaker's Guide* *Your Angels Healing Words To Guide* Andrew
Marmion, 2020-09-12 First Book of The Angel Guidance Series I always wanted to make an angel card deck of my own and
the angels definitely heard my request They inspired me to write poetic verses intuitively I felt the power of eternity behind
these simple words and the grounding they gave me was immense Peace and healing followed and I wanted to share these
marvellous effects with others I was blown away by the result So this my free gift to you or I should say it's the angels free
gift to you How This Is Angel Therapy for Me and You Before I made the angel meditations into my own angel cards I used to
do readings while they were still in my writing pad I numbered them one through sixty or so and would ask people to pick
three random numbers Sometimes I would get them to pick more cards They were equally blown away by the accuracy they
received And just as these angelic words touched my heart and soul so they touched those of others You could say they're
angel abundance cards since they bring the wealth and abundance of God's love for us through His angels They're true
angelic words and a great companion on our spiritual journey This angel wealth left me wondering if I could make a book out
of my angel card deck and that's how this book came about I pray it acts as an angel of manifestation book revealing the
angelic presence of which so many people stand in need When we experience our guardian angels close to us we immediately
feel relieved and comforted This is angel healing in action A Spiritual Angel Book This spiritual angel book is comprised of
some of the verses from my own card deck as previously said and to help you focus on them better I added little reflections
after each one Additionally I finished with short angel prayers too It's my hope that you will experience loving angel guidance
through the use of these little meditations or angel poetry I certainly feel them close when I use them I also pray that these
angel prayers will act as an angel detox for your soul and work angel miracles in your lives so that you experience heaven on
earth The power of the angels God given is amazing and they can help bring you comfort guidance healing and peace
through the use of their words Likewise I pray for a spiritual awakening for those who are spiritually tepid May the healing
words of their angels guide them to a renewed way of spiritual living Testimonies Andrew showed us all how to get in touch
with our angels and develop a friendship with them Some of us felt our angels present and one of us got their angel's name
Two of us present were recently bereaved and Andy helped us connect with our deceased loved ones One was a lad who died
tragically It was healing to experience his presence and how happy he is now Some of us also felt confirmation in what we
are meant to be doing with our lives and some guidance in with difficult life issues Andrew really helped and encouraged us
We certainly felt the healing of the angels that night Mary McLoughlin Peter Ciara and Chris Mullen Andrew has both read
my angel cards and drew my life purpose angel I was both intrigued and excited as to what to expect Andy's wacky sense of
humour and kindness helped me be at ease I was surprised and spellbound by such a lovely picture he produced I felt an
immediate connection The card reading was also very accurate and some of what we discussed at our meeting is coming

about Ronah Corcoran Andy and I took to each other immediately Both of us talk a lot and have a similar sense of humour
Andy drew one of my angels which is a life s change angel She s with me for only a certain period of my life and am thankful
to have her I d recommend Andy to anybody He s definitely gifted The angels are truly with him Mary Mc Lean
