Why Use Natural Healing Fletcher Kovich, 2021-08-06 The book compares the science and efficacy of natural healing with that of pharmaceuticals A person usually becomes ill due to subtle organ malfunctions induced by various stresses There is a natural resonance between each organ and certain bodily locations and traditional acupuncture uses this resonance to return the organs to normal function which clears all symptoms and produces a genuine cure Whereas today s drug based approach has no ability to remedy such organ malfunctions Instead its usual approach is to chemically block the normal function of healthy aspects of the body in an attempt to conceal symptoms In the process such drugs also accidentally chemically block the main organs from working normally which is what produces most adverse effects and prevents the patient from ever returning to full health This approach though damaging to health has become today s medical religion This is why mainstream healthcare often finds itself unable to properly treat many common conditions In contrast natural healing successfully treats those same conditions by simply returning the organs to normal function The book demonstrates the natural healing approach to most conditions and this is compared to the drug based approach including the fraudulent conduct of drug companies in concealing harms manipulating data and making false claims for their drugs to boost sales at the expense of world health Ironically the book shows that a 2 000 year old medical system is far more scientific effective and genuinely evidence based than today s mainstream healthcare Fletcher Kovich works as a traditional acupuncture practitioner and researcher He developed and tested the intelligent tissue theory which for the first time

scientifically explains how acupuncture works to correct organ malfunctions *Natural Chi Movement* Tienko Ting, 2011-01-04 The modern world is largely focused on the physical on the appetites and senses on doing and having which can blind us to the spiritual realm In *Natural Chi Movement* Tienko Ting articulates a theory of life that unites the physical and spiritual worlds He suggests there is nothing to learn or master each of us and every living thing is a product of the merging of physical and spiritual energy already endowed with the capacity to thrive and heal Activation of our chi is the component to wellness that most of us have been missing It is the essence of the practice of *Natural Chi Movement* *Natural Chi Movement* guides modern seekers in embracing their spiritual nature and accessing the boundless potential of energy Doing so says Ting can also help address global problems from health care to ecology Featuring 23 illustrations the book draws on Chinese history philosophy and medicine as well as from the author's own work with spiritual energy *Natural Chi Movement* is an exploration into the nature of spiritual energy and how to access and use it for vibrant health and optimal well being Written in a simple lucid style *Natural Chi Movement* sheds much needed light on the nature of the energy that makes up all life opening up a world of extraordinary healing for everyone **The Raw Ketogenic Diet** Dr. Amaka Nwozo

, 2020-02-29 Amazing energy great weight loss improved digestion and optimal health can be yours on the raw keto diet by combining the amazing benefits of raw food and ketosis Delicious raw keto recipes and a 14 day meal plan with net carbs under 25g per day will keep you happy full and in ketosis Optimal health is our goal when you're on the Raw Ketogenic Diet because it has the ability to repair dysfunctional metabolic pathways in disease ultimately leading to restoration and healing This makes it great for individuals that have diabetes obesity epilepsy cancer and many other conditions It's not the typical ketogenic diet that has well known side effects like constipation dehydration stomach upset and an increased risk of stroke and heart disease because of bad unhealthy fats used in meal preparation Good healthy fats are used in the Raw Ketogenic Diet and this makes a world of difference because it improves mental and physical health significantly On the Raw Ketogenic Diet you can experience the following Amazing Weight Loss Immune System Enhancement Detoxification Anti inflammation Increased Alkalinity Improved Digestion Improved Elimination Mental Clarity Increased Energy and Vitality Better Sleep With only a few fresh easily obtainable inexpensive ingredients in our recipes you can prepare raw keto meals in minutes anytime anywhere This makes it easy for anyone to do and it helps people move towards their goal of optimal health It also includes the raw keto shopping list an amazing 14 day meal plan with net carbs under 25 g per day and so much more

Textbook of Natural Medicine - E-Book Joseph E. Pizzorno, Michael T. Murray, 2020-06-26 Selected for Doody's Core Titles 2024 with Essential Purchase designation in Complementary Integrative Health **Better Health through Natural Healing, Third Edition** Ross Trattler, N.D., D.O., Shea Trattler, 2013-11-05 The definitive reference book for alternative medicine health and healing nutrition herbs and herbal medicine and natural health care is fully updated in this third edition First published in 1985 *Better Health through Natural Healing* has become one of the most successful and authoritative

resources of its type with more than 1.5 million copies sold worldwide. Since the original publication of this comprehensive guide, alternative therapies have become more and more accepted by the mainstream, and patients and practitioners of the wider medical community are embracing complementary medicine as an effective treatment option for a range of medical conditions. This third edition has been fully revised by Dr Ross Trattler with the assistance of his son, osteopath Shea Trattler, to encompass recent developments in holistic medicine and healing. The first part of the book clearly explains the principles of natural medicine, including diet, osteopathy, naturopathy, botanical medicine, hydrotherapy, physiotherapy, and homoeopathy. The second part offers practical advice for the treatment of over 100 common diseases and ailments that individuals and families face. The A-Z compendium ranges from acne and alcoholism to menstrual disorders and migraines to warts and whooping cough. A comprehensive self-help guide to natural medicine, *Better Health through Natural Healing* is an essential reference book for health care practitioners and for anyone seeking to heal illness effectively with natural treatments.
