

Health Check Billing Guide for Providers

All preventive or well-child services except normal newborn care in the hospital must be billed under the Health Check program following the policies and procedures as outlined in Peach State Health Plan Provider's Manual and Georgia Medicaid Health Check Manual. The Georgia Medicaid Health Check Manual is updated quarterly at minimum but may be updated at any time based on change requests. Providers should check the Health Check Manual regularly for changes.

Health Check is reimbursed as a package of services including age-appropriate vision and hearing screenings, and hematocrit testing.

The Early and Periodic Screening Components of EPSDT

All components for the Health Check exam should be provided as outlined in the Georgia Medicaid Health Check manual. The screening services components consist of:

- A comprehensive unclothed physical examination (unclothed means to the extent necessary to conduct a full, age-appropriate examination)
- A comprehensive health and developmental history
- Developmental appraisal (including mental, emotional and behavioral)
- Anticipatory guidance and health education, measurements
- Dental/Oral Health Assessment
- Vision and hearing test
- Certain laboratory procedures and lead risk assessment.
- Immunizations as needed (should be given at the time of screening services as appropriate)

All of the age appropriate components per the periodicity tables located in the Georgia Medicaid Health Check manual and must be completed and documented for each screening as appropriate. All preventive/well-child services, except normal newborn care in the hospital, must be provided under the Health Check program following the policies and procedures as outlined in the Georgia Medicaid Health Check manual.

Reese,2017 This book serves as a comprehensive guide to provider based clinics from qualifying under CMS to unique billing and coding rules and the business decisions behind owning or acquiring these clinics It will help readers sort through the complex regulations relevant to this unique provider type and provide insight into recent changes such as the introduction of Modifier PO CMS is looking to implement the Section 603 provisions of the Bipartisan Budget Act of 2015 regarding off campus provider based departments PBD by January 1 2017 according to the 2017 OPFS proposed rule The agency is proposing to pay the nonfacility or office Medicare Physician Fee Schedule MPFS amount to the performing supervising physician and preclude hospitals from billing on a UB 04 form or receiving OPFS payment for services performed at these locations for 2017 but plans to explore other options for 2018 and beyond Physicians would be paid at the higher nonfacility rate of the MPFS but only hospitals that have employed or contracted physicians that reassign their billing to the hospital would get paid under the MPFS for these

services Hospitals would be able to bill claims on CMS 1500 forms for physicians who have already reassigned their billing to the hospital as in the case of employed physicians Otherwise hospitals would have the option of enrolling the location as the type of provider or supplier it wishes to bill to meet the requirements of that payment system e g ambulatory surgery center or group practice

Medicare and Other Health Benefits U. S. Department Human Services,Centers for Medicaid Services,2013-10 If you have Medicare and other health coverage each type of coverage is called a payer When there s more than one payer coordination of benefits rules decide who pays first The primary payer pays what it owes on your bills first and then your provider sends the rest to the secondary payer to pay In some cases there may also be a third payer Whether Medicare pays first depends on a number of things Be sure to tell your doctor and other health care providers if you have coverage in addition to Medicare This will help them send your bills to the correct payer to avoid delays Some people with Medicare have other coverage that must pay before Medicare pays its share of your bill This guide tells how Medicare works with other kinds of coverage and who should pay your bills first Also available in Spanish
