Tax Insight M. Casey Murdock, 2014-11-21 Tax Insight For Tax Year 2014 and Beyond will teach you to take control of life's biggest expense taxes In your lifetime you will spend more money on taxes than on anything else Despite that fact you likely know the current prices of movies and milk but don't know what your marginal tax rate is You know where to get the cheapest gallon of gas to save a buck or two but you don't give a thought to the tax strategies you should be using right now that would save you thousands It's not hard to understand why taxes are complicated unpleasant and confusing In Tax Insight tax expert Casey Murdock opens up the world of taxes with amazing clarity and simplicity As you will discover you have within reach numerous ways to reduce your taxes With everyday language and real life examples Tax Insight will give you the keys to minimizing your tax burden This book contains information you need even if you have a tax advisor or use a program like TurboTax Tax professionals are busy and sometimes too cautious and programs often miss opportunities for you to save money It's also for those of all ages and income levels including business owners Tax Insight Breaks down the key components of taxes with ease and simplicity Provides a roadmap to paying as little tax as possible Helps you know if you should do it yourself or hire a professional While there are many encyclopedic books on taxes like J K Lasser's Your Taxes there aren't nearly enough that describe the tax code in plain language Far more than a rehash of impenetrable IRS help documents Tax Insight is organized the way most people think and presents ideas in clear simple language If you buy this book and take advantage of its advice you will save money

Business Journalism Keith Hayes, 2014-02-28 Business Journalism How to Report on Business and Economics is a basic guide for journalists working in countries moving to open market economies students in journalism courses journalists changing direction from general news reporting to business and economic reporting and bloggers It also explains the differences in technique required for general reporters to deliver business news for text TV or radio Veteran journalist Keith

Hayes who has worked for such organizations as Reuters PBS the BBC CBC and CNBC provides a quick reference to journalistic practice that covers everything from how to meet a deadline to getting answers from company or government officials who would rather not talk It also provides background on specific knowledge that journalists should have to report on the business and the economy accurately and with insight That includes understanding the major markets and how they work learning to read a balance sheet and getting the story even when a company or government sets up roadblocks As Hayes demonstrates effective journalists are story tellers who need to tell the story well while making certain they are providing the facts as they find them and understand them Among other things readers will also learn How to write a business news story How to report business news on television How to report in a globalized business world How to get usable information from press conferences and briefings The basics of macroeconomics the financial markets and company specific financial data How to dig for facts and get the story This book covers comprehensively the basics of business and economic reporting With its insights and tips from Hayes and other veteran journalists it s a book that will remain on your shelf for years to come and help you acquire and cement career enhancing skills It will also help you hone your craft as you begin to write more sophisticated stories and take jobs of increasing responsibility **Getting a Business Loan** Ty

Kiisel, 2013-11-27 Every day Main Street businesses wrestle with the challenge of finding the cash to finance growth or use as working capital The local banker often wants a credit score of 720 three or more years in business and a fat savings account No wonder local bankers approve only 10% of loan applications **Getting a Business Loan Financing Your Main Street Business** shares something your local banker might not want you to know small business owners have options And this book describes those alternative lending sources in detail as well as traditional sources of funding like banks and credit unions Half of all business startups don t make past their fifth birthday and often because they can t find the financing required to sustain their operations Whether you own a small restaurant a bicycle shop a hardware store a small manufacturing company or a service business **Getting a Business Loan** offers easy to understand descriptions of loan options that can keep you going as well as practical advice on where to look for money and how to apply What would you do with an extra 40 000 Expand your restaurant Hire a new employee to fulfill a new contract Buy a needed piece of equipment **Getting a Business Loan** will Detail how bankers look at you and your loan application Explain the menu of non bank financing options available to business owners like asset based lending factoring merchant cash advance local hard money and more Show how to locate potential lenders via the Internet and other means Show how to prepare before you visit the lender or fill out an application Main Street businesses aren t limited by the local bank s footprint any more There are people and institutions all across the country that lend money to small business owners If you want to find the money you need to strengthen and expand your business **Getting a Business Loan** will show you how **The SAGE Encyclopedia of Economics and Society** Frederick F.

Wherry, Juliet B. Schor, Consulting Editor, 2015-09-01 Economics is the nexus and engine that runs society affecting societal

well being raising standards of living when economies prosper or lowering citizens through class structures when economies perform poorly Our society only has to witness the booms and busts of the past decade to see how economics profoundly affects the cores of societies around the world From a household budget to international trade economics ranges from the micro to the macro level It relates to a breadth of social science disciplines that help describe the content of the proposed encyclopedia which will explicitly approach economics through varied disciplinary lenses Although there are encyclopedias of covering economics especially classic economic theory and history the SAGE Encyclopedia of Economics and Society emphasizes the contemporary world contemporary issues and society Features 4 volumes with approximately 800 signed articles ranging from 1 000 to 5 000 words each are presented in a choice of print or electronic editions Organized A to Z with a thematic Reader s Guide in the front matter groups related entries Articles conclude with References Future Readings to guide students to the next step on their research journeys Cross references between and among articles combine with a thorough Index and the Reader s Guide to enhance search and browse in the electronic version Pedagogical elements include a Chronology of Economics and Society Resource Guide and Glossary This academic multi author reference work will serve as a general non technical resource for students and researchers within social science programs who seek to better understand economics through a contemporary lens
