Heart Me Poetic Journey:

A Poet's Journey So Far Samantha Downer Cole, 2010 A Poet's Journey So Far is a collection of poems which spans over decades from the poet's youth to adulthood. It speaks about life choices, trials, strength, inspiration, and faith. It evokes your inner man to be honest and genuine with one self. If you love spoken word poetry and biographies and looking for some inspiration, read this book. The Heart of Me LaToya Bragg, 2015-11-27 This Poet speaks from the depths of her soul. She shares her deepest erotic moments as well as her journey through life itself. She expresses poetically her walk through the fires of hell that life sometimes offers and how God touched her and delivered her from the pit of burning flames, a place she once called home. She is strong, fearless, and most of all, she is a warrior. Sit back, relax, and share her poetic journey. **A Poetic Journey** Tina Kaye Hoyer, 2011-04-13 I look in the mirror and what do I see? The vision unravels of what is to be. The shell of a woman whose life has been taken away. What does it mean to look forward to a new day? Take me away from the life that I lead. All I feel is the need to bleed. The desire to see red is like hunger or greed. Unzip my skin and set my heart free. Is there such a thing as a happy me? Or carrying this burden will I always be? From fleeing for her life from a crazed boyfriend to an accidental overdose of prescribed medications and not to mention a life-threatening cutting disorder and eight stays in mental institutions, Tina has overcome monumental obstacles to get to where she is now. Her goal with this book is to inspire and to help others with Bipolar Disorder realize each has different challenges but all can be managed with the proper amount of drive, persistence, and desire to do so. In this book, her poetry tells the traumatic story of her battle back to reality from her living hell with all the raw emotion she was feeling along the way. Tina opens her heart and soul and pours it out before you in these pages through her intense gut-wrenching poems. You will follow Tina on her journey as she describes to you through her poetry what it took to return to reality. Through them, you get close insight into how the Bipolar mind works as it goes from extreme agitation to complete hopelessness and then to a manic euphoria. We hope that you will not only enjoy this book but will learn from it as well. Journey of the Heart Catherine Ghosh, 2014-07-25 This book has woven together the voices of over seventy women of diverse ethnicities and traditions. In meditative and insightful poems, they offer us revealing glimpses of their souls engaged in meaningful dialogue with the world, others, themselves, and divinity. This spiritual poetry draws from the timeless wisdom, power, and beauty residing deeply within the hearts of all women. Emerging within archetypal themes that deliver valuable messages, the inspiring and uninhibited chorus of voices beckons us to journey along with them into the wild, mysterious, and uncharted territory of a woman's heart. In this beautiful volume of poetry, Catherine Ghosh gives us the voices of women's spiritual expressions across cultures. The many women who contribute their hopes, fears, visions, and life narratives to this volume fulfill the poet Muriel Rukeyser's injunction: Breathe in, experience, breathe out, poetry. Every woman and man will find poetry that speaks to the heart and the soul. I highly recommend this volume to anyone who values the poetry of women's lives and imaginations. Roberta Rosenberg, Professor of English and Co-Director of Women's and

country and its people **A New Creation** Sharon Schwartz, 2012-07-31 This book is a group of poems I have compiled on my journey of healing God has brought to my life When I asked God to forgive me for the life I had lived and to come into my life He did However just because I had invited Him into my life and given my heart to Him didn't mean my life was perfect I had so much emotional baggage from the way I had chosen to deal with life God made us to have emotions He made us to feel hurt laugh cry and be angry He wants us to use these emotions by sharing them with Him and others in a healthy way He doesn't give us feelings to shove down into the depths of our soul or numb them with things Unfortunately that's easier to do than express them We turn to alcohol drugs materialism unhealthy relationships food and anything else we can Pain is a part of life and if we neglect it it festers and remains We can carry it around for years and it will come out in many different and disastrous ways God wants us to allow Him into our pain so He can heal us and use us When I opened my heart completely to Him the process began I didn't know it would come out in the form of poetry or even that I would write anything down I do know that I felt compelled to write and I did I cried a lot I received relief and restoration from storing years of bad decisions pain and consequences I would like to dedicate this book to my brother William Boling III and my best friend Robin Baird Bramblett Both of their deaths have made the strongest impacts on my life William's death took me deeper into sin muck and mire by choice Instead of our family drawing close to God and each other to deal with it we all went our separate ways with our pain Robin's death and the pain from it caused an awakening in my soul to stop taking life for granted I had already given my life to God but I wasn't living like it I wasn't giving life all I have or the important relationships in my life I am also thankful for my husband and children who have been Jesus to me through it all I am thankful that God led me to a church that prayed for me I am thankful for every person who has been a part of my journey Those who have hurt me loved me or helped me I am thankful for my pain because without it I wouldn't have needed a Healer or a Savior to help me In closing I also want to dedicate this book to the youth I pray that somehow the words of this book will inspire them not to squander themselves their time or their talents for the fleeting pleasures of this world I pray they will turn to God and do extraordinary things by following His plans for them instead of their own 1 Timothy 4:12 don't let anyone despise you in your youth but set an example for the believers in speech in life in love and in purity 2 Timothy 2:22 so flee youthful passions and pursue righteousness faith love and peace along with those who call on the Lord from a pure heart Jeremiah 29:11 for I know the plans I have for you says the Lord They are plans for good and not disaster to give you a future and a hope *Poetic Metaphors* Carina Rasse, 2022-06-15 Poetry pushes metaphor to the limit Consider how many different dynamic and interconnected dimensions e.g. text rhyme rhythm sound and many more a poem has and how they all play a role in the ways metaphorical meaning is constructed There is probably no other genre that relies so much on the creator's ability to get his or her message across while at the same time leaving enough room for the interpreters to find out for themselves what a poem means to them what emotions and feelings it evokes and which experiences it conveys This book uses interviews

questionnaires and think aloud protocols to investigate the meanings and functions of metaphors from a poet's perspective and to explore how readers interpret and engage with this poetry Besides the theoretical contribution to the field of metaphor studies this monograph presents numerous practical implications for a systematic exploration of metaphors in contemporary poetry and beyond *T.P.'s Weekly*, 1928
