Heart Of Aztlan A Novel:

Heart of Aztlan Rudolfo A. Anaya,1976 The Albuquerque barrio portrayed in this vivid novel of postwar New Mexico is a place where urban and rural political and religious realities coexist collide and combine The magic realism for which Anaya is well known combines with an emphatic portrayal of the plight of workers dispossessed of their heritage and struggling to survive in an alien culture

Heart of Aztlan Rudolfo Anaya,2015-06-02 PEN Center West Award Winner A novel of myth and migration set in a mid twentieth century New Mexico barrio by the author of Bless Me Ultima Today is the day Benjie Chavez and his family will leave the town of Guadalupe behind Far from the land of the eagle and the nopal they travel west to find a new home of opportunity But adapting to the big impersonal city of Albuquerque is no easy task As both life and death come to the barrio a blind seer named Crispin arrives in the Ch vezes world At first everyone dismisses his stories about an elusive place called Aztl n as the ramblings of an old man But gradually they come to realize that he can see what they cannot In earthy prose American Book Award winning author Rudolfo Anaya tells a spellbinding story of myth and migration love and loss Heart of Atzl n is a hopeful and heartbreaking novel about people in search of the shimmering mirage of a better life and the land that keeps calling them back

Bruce-Novoa,2014-04-15 The need for this book became apparent to Bruce Novoa when he first taught a Chicano culture course in 1970 His students could find no source to satisfy their curiosity about Chicano writers backgrounds opinions and attitudes Chicano Authors Inquiry by Interview provides that information Fourteen leading Chicano authors respond to questions about their personal and educational backgrounds their perception of the role of the Chicano writer and their evaluation of the literary linguistic and sociocultural significance of Chicano literature The authors included are Jos Antonio Villarreal Rolando Hinojosa Sergio Elizondo Miguel M ndez M Abelardo Delgado Jos Montoya Tom s Rivera Estela Portillo Rudolfo A Anaya Bernice Zamora Ricardo S nchez Ron Arias Tino Villanueva and Alurista Each interview is preceded by a brief introductory note which locates the author in the context of Chicano literature and provides a sense of his or her writing Also included are a general introduction to Chicano literature a chronological chart of publications by genre and a selected bibliography The volume will be an essential research tool for the student of Chicano literature and culture and a useful introduction for the general reader

U.S. Latino Literature Margarite Fernández Olmos,Harold Augenbraum,2000-09-30

In the past ten years literature by U S Latinos has gained an extraordinary public currency and has engendered a great deal of interest among educators Because of the increase in numbers of Latinos in their classrooms teachers have recognized the benefits of including works by such important writers as Sandra Cisneros Julia Alvarez and Rudolfo Anaya in the curriculum Without a guide introducing courses on U S Latino literature or integrating individual works into the general courses on American Literature can be difficult for the uninitiated While some critical sources for students and teachers are available none are dedicated exclusively to this important body of writing To fill the gap the editors of this volume commissioned prominent scholars in the field to write 18 essays that focus on using U S Latino literature in the classroom The selection of the subject texts was developed in conjunction with secondary school teachers who took part in the editors course This resultant volume focuses on major works that are appropriate for high school and undergraduate study including Judith Ortiz Cofer s The Latin Deli Piri Thomas Down These Mean Streets and Cisneros The House on Mango Street Each chapter in this Critical Guide provides pertinent biographical background on the author as well as contextual information that aids in understanding the literary and cultural significance of the work The most valuable component of the critical essays the Analysis of Themes and Forms helps the reader understand the thematic concerns raised by the work particularly the recurring issues of language expression and cultural identity assimilation and intergenerational conflicts Each essay is

followed by specific suggestions for teaching the work with topics for classroom discussion Further enhancing the value of this work as a teaching tool are the selected bibliographies of criticism further reading and other related sources that complete each chapter Teachers will also find a Sample Course Outline of U S Latino Literature which serves as guide for developing a course on this important subject

Literature and Ethnicity in the Cultural Borderlands, 2016-08-29 This volume stems from the idea that the notion of borders and borderlines as clear cut frontiers separating not only political and geographical areas but also cultural linguistic and semiotic spaces does not fully address the complexity of contemporary cultural encounters Centering on a whole range of literary works from the United States and the Caribbean the contributors suggest and discuss different theoretical and methodological grounds to address the literary production taking place across the lines in North American and Caribbean culture The volume represents a pioneering attempt at proposing the concept of the border as a useful paradigm not only for the study of Chicano literature but also for the other American literatures The works presented in the volume illustrate various aspects and manifestations of the textual border lands and explore the double voiced discourse of border texts by writers like Harriet E Wilson Rudolfo Anaya Toni Morrison Cormac McCarthy Louise Erdrich Helena Viramontes Paule Marshall and Monica Sone among others This book is of interest for scholars and researchers in the field of comparative American studies and ethnic studies

Josephine Hendin,2008-04-15 This Concise Companion is a guide to the creative output of the United States in the postwar period in its diverse energies shapes and forms Embraces diversity covering Vietnam literature gay and lesbian literature American Jewish fiction Italian American literature Irish American writing emergent ethnic literatures African American writing jazz film drama and more Shows how different genres and approaches opened up creative possibilities and interacted in the postwar period Portrays the postwar United States split by differences of wealth and position by ethnicity and race and by agendas of left and right but united in the intensity of its creative drive **Emergent U.S. Literatures**

Cyrus Patell,2014-11-07 Emergent U S Literatures introduces readers to the foundational writers and texts produced by four literary traditions associated with late twentieth century US multiculturalism Examining writing by Native Americans

Hispanic Americans Asian Americans and gay and lesbian Americans after 1968 Cyrus R K Patell compares and historicizes what might be characterized as the minority literatures within U S minority literature Drawing on recent theories of cosmopolitanism Patell presents methods for mapping the overlapping concerns of the texts and authors of these literatures during the late twentieth century He discusses the ways in which literary marginalization and cultural hybridity combine to create the grounds for literature that is truly emergent in Raymond Williams s sense of the term literature that produces new meanings and values new practices new relationships and kinds of relationships in tension with the dominant mainstream culture of the United States By enabling us to see the American literary canon through the prism of hybrid identities and cultures these texts require us to reevaluate what it means to write and read in the American grain Emergent U S Literatures gives readers a sense of how these foundational texts work as aesthetic objects rather than merely as sociological documents crafted in dialogue with the canonical tradition of so called American Literature as it existed in the late twentieth century as well as in dialogue with each other
