Covington Jr. PhD, 2023-03-27 Jesus Christ presents Himself in various roles in the New Testament Each chapter of this book looks at one aspect of His revelation to

humanity and helps the reader prayerfully reflect on the meaning of that role in an individual's life. The first chapter relates to His role as a friend. Someone who is truly concerned for the welfare of another is a friend to be desired. There is a reason He referred to Himself as a friend in relating to His closest followers. The reflection questions at the end of the chapter provide the tools for examining this role in the life of the individual. Other roles such as Wonderful Counselor, Good Shepherd, and Great High Priest are treated similarly. The concluding chapter has to do with the ultimate question each person must face: death. Jesus Christ is the way to eternal life; in fact, the only way. This chapter looks at the parallel between the materialists of the generation when Jesus was in physical form on the earth and how that same mindset persists today, robbing people of receiving the gift of eternal life He has purchased and offers freely.

Spiritual Direction: A Guide for Sharing the Father's Love Fr. Boniface Hicks, Fr. Thomas Acklin, 2017. The need for spiritual direction or the accompaniment of a spiritual guide is becoming more prominent in a world where so many are suffering from so many wounds. With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction and the insight of the psychological sciences, Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction. *Spiritual Direction: A Guide for Sharing the Father's Love* fortifies priests, religious, and lay faithful who embrace the ministry of spiritual direction and accompany the wounded, assist men and women in hearing the voice of God, and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him. This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one-on-one relationship with a spiritual director. Together with concrete guidelines and numerous examples from personal experience, this book refers extensively to Sacred Scripture as the foundation for spiritual direction. Furthermore, since the practice of spiritual direction goes back to the first centuries of the Church, the authors turn for guidance to the Doctors of the Church, the writings of the saints, and the papal magisterium in developing and supporting their insights. *Spiritual Direction* will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy.

□□□ □□ □□□□□□ Daphna Arbel, Andrei A. Orlov, 2011. This collection of essays is a tribute to Rachel Elior's decades of teaching, scholarship, and mentoring. If a *Festschrift* reflects the individuality of the honoree, then this volume offers insights into the scope of Rachel Elior's interests and scholarly achievements in the study of the Dead Sea Scrolls, Jewish apocalypticism, magic, and mysticism from the Second Temple period to the later rabbinic and Hekhalot developments. The majority of articles included in the volume deal with Jewish and Christian apocalyptic and mystical texts constituting the core of the experiential dimension of these religious traditions.
