world while working at a job he loved The only drawback was the feeling of jealousy he had at seeing the married wrestlers who traveled with their families At twenty five he was starting to feel like it was time to cut back on the nights out at bars and start settling down to build a family Random one night stands weren t fulfilling anymore but it was hard to find The One when he was traveling three hundred and twenty days a year and not in one place long enough to really start a relationship When good girl meets bad boy sparks fly Fate seemed to be pushing him in the right direction the night James met Randi It was instalove for the pro wrestler and the sheriff s daughter They fell hard and fast for each other but could they maintain their love when his travel schedule reduced them to a mostly texting romance Or could they find a way to be together more than the nine days they got together for his Thanksgiving vacation and her sister s wedding to his other best friend He was the dirty talking alpha man of her dreams and she was the sexy sweet woman of his When a pregnancy mix up pitted the lovebirds against her overprotective father things looked bleak for their future together Would James s love be enough to help Randi find and accept who she really was deep inside Would he be able to pull back on his alpha tendency to take over her life and protect her from the world long enough for the wonderful woman inside her to shine when she s ready to show her true self to the world When all is said and done will James and Randi finally get their happily ever after
