Superintendent of Common Schools,1895 Annual Report of the State Superintendent of Public Instruction New York (State). Department of Public Instruction,1895 *Jean-Michel Basquiat* Doug Woodham,2025-10-14 The first biography

in more than a quarter century based on more than 100 interviews adds significant new information to the story both of Jean Michel Basquiat's life and to the extraordinary journey of his art. In a resurrection few could have predicted, Jean Michel Basquiat joined Picasso, Modigliani, and Munch when one of his paintings sold for more than 100 million. Nearly four decades after his untimely death at 27 years of age, Basquiat is one of the most recognizable artists in the world; his work not just headlining major museum and private collections but his image on T-shirts, sneakers, tattoos, and accessories from Rio to Singapore. Drawing on more than 100 interviews including family members, friends, lovers, gallery owners, collectors, musicians, academics, and artists, art world insider Doug Woodham offers a revealing account of Basquiat's life, work, and enduring legacy. He delves into Basquiat's rich and complex family background, his overlapping identities, and the dramatic arc of his posthumous fall and rise, an ascent that has reshaped the art world itself. This behind-the-scenes narrative pulls back the curtain on how the art world selects its icons and cements their place in history. The first substantive biography in more than a quarter century, *Jean Michel Basquiat: The Making of an Icon* examines key aspects of the artist's life: his childhood trauma, sexuality, cultural identities, and struggles with addiction, topics long downplayed in the museum and art world due to pressure from his estate. Woodham also uncovers the previously untold story of how a few, against the grain, speculators and gallerists, plus his uniquely skilled father, all contributed to bringing what Basquiat accomplished back to the center of the conversation nearly a decade after his death and in the process helped to birth a new era in contemporary art.

Jean-Michel Basquiat: The Making of an Icon Doug Woodham, 2025-10-14. When Jean Michel Basquiat died in 1988 at the age of twenty-seven, major critics called his work a flash in the pan, and the meteoric rise in the prices of his paintings started to fall back. Almost thirty years later, Basquiat joined Picasso, Modigliani, and Munch when one of his paintings sold for over 100 million. Nearly four decades after his untimely death, he remains one of the most recognizable artists in the world; his work not only headlines major museum exhibitions and private collections but also appears on T-shirts, sneakers, tattoos, and accessories from Rio to Singapore. What happened? For the first substantive biography in over twenty-five years, art world insider Doug Woodham conducted more than 100 interviews with family members, friends, lovers, gallery owners, collectors, musicians, academics, and other artists to weave a thoughtful and revealing account of Basquiat's life, work, and legacy. Woodham's account takes readers from the artist's rich and complex family background through to his commercial and critical resurrection, an ascent that has played a role in reshaping the art world. In the process, he has also crafted a unique account of how the twenty-first century art world selects its icons and cements their place in history. *Jean Michel Basquiat: The Making of an Icon* examines key aspects of the artist's life, such as his childhood trauma, sexuality, cultural identities, and struggles with addiction, topics long downplayed in the museum and art world, arguably due to the controlling role played by his estate. Simultaneously, Woodham uncovers the previously untold story of how a few, against the grain, speculators and gallerists, plus his deftly skilled and strategic father, the band U2, and a bestselling children's book, all contributed to bringing

what Basquiat accomplished back to the centre of the conversation and in the process helped to birth a new era in contemporary art
