After The Storm... Kristi Moore,2003-04-24 Everyone goes through a storm at some point in their life It may feel that it has drained every ounce of breath that you have left in your body So tell me is this when you give up on God After The Storm is poetically empowered to touch your spirit It will inspire you to step back and take a look at your own storm It also takes you through the life of people that arranges from childhood to adulthood Satan does not discriminate If he can stop you while you re young then he won t have to worry about you when you get older The key to coming out of your storm is to lean on God He has never failed us He will bring you through the most devastating life tragedy and turn it around for it to be used for His glory After The Storm is written to touch the hearts and souls of people who are going through any situation Receive this message Take your burdens and leave them at the altar Your healing will come because After The Storm There Is Healing
