I Once Was Lost Roger Dowis, 2012-12-24 John Newton wonders how a just God could allow so much pain in his life and abandons his faith Yet God keeps tugging at the man who claims to be an athiest miraculously sparing his life on three occassions Raised a Christian he rebelled and became a slave trader He led others away from God and acquired the nickname The Great Blasphemer Then the tables are turned and John is forced to become a slave This is the story of one man s faith but it is also your story Why does God allow suffering Why do believers still have adversity filled lives I Once Was Lost answers these questions and will change the way you think about God and his purpose for your life

Response Theology John T. James PhD, 2022-08-31 Science and Religion should never in be in conflict as Dr James a Ph D scientist and Christian mystic carefully demonstrates He employs many personal experiences in the science realm and in the Christian realm to show how the two are wonderfully complementary as long as each remains in their respective places Science is of the natural world and as Jesus declared his kingdom is not of the world it is a kingdom defined by Holy Spirit which he left for us in his absence The author uses many biblical passages to show that the core message of Christianity is to live a life of love for others despite the personal crosses life may hand you This he calls Response Theology He provides deeper insight into what love means for Christians In Greek the world for love in the New Testament is agape unconditional selfless sacrificial and in action love He takes the reader through a critical and well reasoned tour of areas in Christianity that need rethinking Is the Bible inerrant How can reason be applied to biblical interpretation Is God really omnipotent Did God specifically create you Is God good all the time How does Holy Spirit enter your heart How may we commit our lives to doing God s will What are the implications of believing that God is Agape Love as the apostle John wrote These are important areas of Christianity that require attention in a world filled with counterfeit Christianity

Into the Mess and Other Jesus Stories Debie Thomas, 2022-05-17 He was a disrupter and a peacemaker a rebel and a rabbi His friends were the riffraff and his enemies the religious elite He was the wounded man who healed the sick the homeless man who fed the hungry the convicted criminal who released the captives and the dead man who conquered the grave The stories he told were scandalous and the stories he lived changed the world

To reflect on the Jesus of the Gospels is to reflect on paradox mystery wonder and messiness It is to find God in the shadows the tensions and the ambiguities of life on earth as it is These essays on the stories of Jesus are invitations to faith in all its complexity and untidiness The Jesus who emerges here is not the sanitized Christ of piety and platitude but the Christ of complicated joys and transcendent sorrows The Christ who weeps wonders loses learns and seeks These are the stories of the Incarnate God who finds and loves us in the messiness of our lives

Why Praise Alvin J. Summers, 2008-06 Are you tired of living a defeated Christian life Are you sick of trying to overcome the same things as if they are stronger than your God Well I have good news You don't have to be what you are Christ died to make us free from the law of sin and death So many believers live beneath their privilege simply because they have not come into the full knowledge of what Christ did at Calvary They go to church week in and week out hoping for some hocus pocus action from the pulpit or during the praise service that will catapult them from one dimension to another More often times than not they leave inspired but not motivated to attack their lives with Godly fervor We are told to live holy but how Why Praise is an attempt at that process We are free Alvin J Summers is the proud Pastor of Oak Grove Missionary Baptist Church in Martin TN where he has served for eleven years A man after God's own heart he encourages all to love God in honesty and integrity Alvin has a B M E from Henderson State University and a M Div from Memphis Theological Seminary Alvin's quiet humility gives way when he is given the opportunity to share the Gospel I am unashamedly Christian he declares God's been good to me and I am not ashamed to tell the story is his personal testimony He and his wife Colleen have been married for 18 years and have two children But most of all he has taken upon himself the responsibility of studying to show himself approved unto God a workman that needs not to be ashamed but one that tries to rightly divide the word of truth 2 Timothy 2:15

The Sovereignty of God & the Responsibility of Man A. C. Clayman, 2019-06-10 The sovereignty of God and the responsibility of man has been a topic that has been fought in many theological battlegrounds over centuries past and we know that it will continue to be fought for centuries to come Yet God invites us with a grand calling as we look into the souls of men that are perishing without hope and without God to desire such a weighty topic to impact us by having the right view of God a proper perspective of our relationship to God and how it should impact our daily lives The burden of the Lord to author this book is the desire for God to do that work in the heart of the readers as we peer into the beauty and glory of God

Marooned Joseph Kelly, 2018-10-30 For readers of Nathaniel Philbrick's *Mayflower* a groundbreaking history that makes the case for replacing Plymouth Rock with Jamestown as America's founding myth We all know the great American origin story It begins with an exodus Fleeing religious persecution the hardworking pious Pilgrims thrived in the wilds of New England where they built their fabled shining city on a hill Legend goes that the colony in Jamestown was a false start offering a cautionary tale of lazy louts who hunted gold till they starved and shiftless settlers who had to be rescued by English food and the hard discipline of martial law Neither story is true In *Marooned* Joseph Kelly re-examines the history of Jamestown and comes to a radically different and decidedly American interpretation of these first Virginians In this gripping account of shipwrecks and mutiny in America's earliest settlements Kelly argues that the colonists at Jamestown were literally and figuratively marooned cut loose from civilization and cast into the wilderness The British caste system meant little on this frontier those who wanted to survive had to learn to work and fight and intermingle with the nearby native populations Ten years before the Mayflower Compact and decades before Hobbes and Locke they invented the idea of government by the people 150 years before Jefferson the colonists discovered the truth that all men were equal The epic origin of America was not an exodus and a fledgling theocracy It is a tale of shipwrecked castaways of all classes marooned in the wilderness fending for themselves in any way they could a story that illuminates who we are as a nation today

"I Will Sing the Wondrous Story" David W. Music, Paul Akers Richardson, 2008 Baptists have a long and rich heritage of congregational song The hymns Baptists have sung and the books from which they have sung them have been shaping forces for Baptist theology worship and piety Baptist authors and composers have provided songs that have made an impact not only among Baptists in America but also across denominational and geographic lines Congregational singing continues to be a key component of Baptist worship in the twenty first century Beginning with an overview of the British

background this book is a survey of the history of Baptist hymnody in America from Baptist beginnings in the New World to the present Its intent is to help the reader better understand the background against which current Baptist congregational song practices operate Unlike earlier writings on the subject this book provides both comprehensive coverage and a continuous narrative It gives thorough attention to the major Baptist bodies in America as well as calling attention to the contributions of significant smaller groups The British Baptist background is dealt with in an introductory section The book also includes many texts and tunes as illustrations of the topics being discussed and focuses on some of the contributions of Baptist authors and composers to the repertory of congregational song Book jacket Hearing John's Voice M. Eugene Boring, 2019-11-05 This book is written in the conviction that the church is called into being and nourished by the Word of God that comes through Scripture But how can Scripture offer any specific guidance for hearers lives today What are modern readers to make of the dragons and slaughtered lambs in the book of Revelation What are we to make of a man who turns water into wine while comparing himself to bread Can people today know what the Bible says and means The world of the Bible is strange and distant not only in time and space but also in language culture and in its basic assumptions about reality The first task in both pulpit and pew is not to be in too great a hurry to overcome this distance but to acknowledge it and respect it Communication across the gap is the task of the church s preachers and teachers Drawing on his years of teaching and study Gene Boring offers a way of opening the ears of those who take the message of the Bible seriously a message from a world different from our own Beginning with Revelation Gene provides a historically informed and pastorally sensitive reading of the various Johannine voices in the New Testament for contemporary preachers and teachers **Follow Me to Freedom** Shane Claiborne, John M.
