ENDORSEMENTS

At a time when even the world's most stable democracies are backsliding towards autocratic rule, Ronald Evans has pulled together an essential guide for teachers who want to do something about it. The 2nd edition of the Handbook on Teaching Social Issues is a brilliant and timely collection that should be the constant companion for teachers across the disciplines. Joel Westheimer, University Research Chair in Democracy and Education, University of Ottawa. The Handbook on Teaching Social Issues 2nd edition is a fantastic resource for teachers, teacher educators, and professional development specialists who are interested in ensuring that social issues are at the center of the curriculum. The chapters are focused on the most important contemporary thinking about what social issues are, why they are so important for young people to learn about, and what research indicates are the most effective pedagogical approaches. The wide ranging theoretical and practical expertise of the editor and all of the chapter authors account for why this handbook makes such an exceptional contribution to our understanding of how and why the social issues approach is so important and stimulating. Diana Hess, Dean, UW Madison School of Education. Karen A. Falk, Distinguished Chair of Education, Democracy both as a form of governance and a reservoir of principles and practices faces an existential threat. The Handbook on Teaching Social Issues is a perfectly timed and wonderfully engaging exploration of what lies at the heart of social studies curriculum, social inquiry for democratic life. The authors provide conceptual frames, classroom strategies, and deep insights about the complex and utterly crucial work of education for democratic citizenship. Education like that conceptualized and described in this volume is a curative so needed at this critical moment. Ron Evans and his colleagues have delivered, assembling an outstanding set of contributions to the field. The Handbook underscores John Dewey's now haunting invocation that democracy must be renewed with each generation and an education worthy of its name is the handmaiden of democratic rebirth.
