A Guide to the Best Historical Novels and Tales J. Nield, 1972 **A Guide to the Best Historical Novels and Tales** Jonathan Nield, 1904 **A Guide to the Best Historical Novels and Tales** Nield, Jonathan , **A Guide to the Best Historical Novels and Tales** Jonathan Nield, 1929 *A Guide to Best Historical Novels and Tales* Jonathan Nield, 1904 *A Guide to the Best Historical Novels and Tales (Classic Reprint)* Jonathan Nield, 2016-06-27 Excerpt from A Guide to the Best Historical Novels and Tales Four years ago vide Dr Baker's kindly allusion in the Preface to his admirable work just named it was hinted that the Guide was somewhat lacking in its degree of comprehensiveness such a criticism could scarcely be maintained now If there is still exclusion to some extent there is fourth edition inclusion to a very much larger extent I have allowed the utmost elasticity in my later decisions as to his torical qualification How comprehensive has been my selection may be judged from the fact that

while in my enlarged third edition the annotated lists covered between twelve and thirteen hundred novels and tales I have now passed under review about seventeen hundred more In the total of nearly three thousand novels and tales thus reached over two thousand are not to be found in Mr Bowen s catalogue and some thirteen hundred are absent from Dr Baker s lists Comprehensiveness alone however would be a poor advantage and I believe that in its present form besides being the largest bibliography of its kind the Guide is also the most accurate And this brings me to say a few words about certain special aims that I have striven my utmost to embody in the large supplementary portion of this edition More and more I have come to see that in a reference book of the kind making its appeal to readers of all ages and of varying tastes there should be large catholicity And nowhere is such inclusiveness more desirable than in the case of juvenile stories the shortest and simplest tale if it in any way illustrates a bygone period may prove of use and of interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A Guide to the Best Historical Novels and Tales - Scholar's Choice Edition* Jonathan Nield,2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A Guide to the Best Historical Novels and Tales** Jonathan Nield,2025-01-10 Unlock the doors to the past with A Guide to the Best Historical Novels and Tales by Jonathan Nield This insightful guide serves as your compass through the rich landscape of historical fiction illuminating the stories that have shaped our understanding of history As Nield s exploration unfolds you ll discover a curated selection of captivating novels and tales that transport you to different eras and cultures Each recommendation is accompanied by thoughtful insights making it easier than ever to choose your next literary adventure But here s a compelling question What secrets of the past are waiting to be uncovered in the pages of a novel Dive into Nield s engaging narrative where each entry

Guide to the Best Historical Novels and Tales. (Fifth Edition.). Jonathan NIELD (the Younger.),1929 **A Guide to the Best Historical Novels and Tales** Jonathan Nield,2021-01-17 Book Excerpt Readers of John Inglesant may be reminded that in his interesting preface Mr Shorthouse alludes to William Smith s philosophical novel *Thorndale* As a picture of Thought developments in the early Victorian period the latter work has special historical interest for the philosophical and theological student in this respect it may be likened to Pater s *Marius the Epicurean* which vividly reproduces the Intellectual ferment of an earlier age *Thorndale* however is primarily didactic and the philosophical dialogues interesting as these are to the metaphysician hardly atone to the general reader for an almost entire absence of plot The above is doubtless an altogether extreme instance but the exclusion of several other works from the category of Romance seems to follow on something like the same grounds Becker s *Charicles* and Gallus are little more than school textbooks while turning to a less scholarly quarter Ainsworth s *Preston Fight* and even his better known *A Guide to the Best Historical Novels and Tales. (Third Edition.).* Jonathan NIELD (the Younger.),1904 *History in Fiction* Ernest Albert Baker,1907 **A Guide to the Best Historical Novels and Tales** Nield Jonathan,2017-06-24 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Bulletin of Bibliography* ,1907 *Bulletin of Bibliography and Magazine Subject-index* ,1904
