Storm,2022-09-13 What if you could change your life and write your own story What if you could make your dreams come
true To say Bones isn t thrilled with his dead end job at the Venus Motel would be an understatement But when you re fifteen
with no family expecting any prospects for your future feels pretty pointless You just have to roll with the whims of the
powers that be And the motel owner Calico Foster can t keep herself afloat much less rescue a lost kid A job is all she can
offer Why Jimmy La Roux chooses the Venus to land at when he rolls out of the desert and into the parking lot is more than
anyone knows But with a rattle of Harley pipes and a cloud of dissipating dust he roars in fresh from blasting through the
cosmos ready to change all of their lives Complete with jeans boots hair and muttonchops swept back from cosmic winds and
muscles like ropes he looks like he could take on any sorrow and wrestle it into submission And he s wielding a magic box
that makes anything that goes into it disappear forever Welcome to the Venus Motel where a million stars dance above the
neon and things are almost never what they seem With a cast of characters including a blues playing magician biker a broken
singer running away from her past a couple of down and out crooks a lovelorn cowboy and a famous author drowning his
demons in a bottle of rum Venus Sings the Blues is vivid quirky ride into the desert Southwest Like all of Buck Storm s stories
it s full of humor and depth and takes a lyrical look at God s love and his pursuit of man in a style reminiscent of an engaging
