J. Fuller, 2007 America has no official royalty by design Yet there have been the Roosevelts the Adams the Bushes the wannabee Clintons and most intriguing of all the Kennedys The Kennedys have so far only reached the presidency once but the assassination of JFK and his brother Robert and the trials and tribulations of the family members and society in general continue to fascinate the world This new book presents more than 1200 citations of books and related materials arranged by family member The accompanying CD ROM offers ready access and easy searching **Victura** James W. Graham, 2014-04-01 To truly understand the dynamics and magic of the Kennedy family one must understand their passion for sailing and the sea Many families sail together but the Kennedys relationship with Victura the 25 foot sloop purchased in 1932 stands apart Throughout their brief lives Joe Jr Jack and Bobby spent many hours racing Victura Lack of effort in a race by one of his sons could infuriate Joseph P Kennedy and Joe Jr and Jack ranked among the best collegiate sailors in New England Likewise Eunice emerged as a gifted sailor and fierce competitor the equal of any of her brothers The Kennedys believed that Jack s experience sailing Victura helped him survive the sinking of his PT boat during World War II In the 1950s glossy Life magazine photos of Jack and Jackie on Victura s bow helped define the winning Kennedy brand Jack doodled sketches of Victura during Oval Office meetings and it s probable that his love of seafaring played a role in his 1961 decision to put a man on the moon an enterprise he referred to as spacefaring Ted loved Victura as much as any of his siblings did and with his own children and the children of his lost brothers as crew he sailed into his old age past the shoals of an ebbing career and into his eventual role as the Lion of the Senate In Victura James W Graham charts the progress of America s signature twentieth century family dynasty in a narrative both stunningly original and deeply gripping This true tale of one small sailboat is an invaluable contribution to our understanding of the great story of the Kennedys **Planet Wedding** Sandra Choron, Harry Choron, 2010 A meticulously

American Legacy C. David Heymann, 2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In American Legacy 1 New York Times bestselling author C David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy Heymann covers John s and Caroline s childhood in the White House the dark aftermath of their father s assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring eye of the media He reveals John s and Caroline s loving but at times trying relationship with their larger than life mother as well as Jackie s own emotional struggles romantic relationships and financial concerns following JFK s death Other revelations brought to light for the first time in American Legacy include the assassination attempt made on Jackie just before she gave birth to John JFK Jr s romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and her sister Lauren Caroline s rise to become one of the wealthiest women in America and her life now as the sole keeper of her family s magnificently complex legacy Utterly compelling and full of new and fascinating details American Legacy overturns much of what we thought we knew about two of the most talked about members of the Kennedy family
