The Man With The Miraculous Hands Joseph Kessel, 2015-11-06 Felix Kersten physician to the high demon of the Third Reich Heinrich Himmler could alleviate Himmler's severe stomach pains with his hands using massage and manipulation In return Kersten bargained with Himmler to order the release of innocent prisoners condemned to die It is an amazing story of the good natured little fat man who looked like a cross between a Flemish burgomaster and a Buddha of the West studied the higher curative powers of massage under a lama doctor Ko and applied them to Himmler whose excruciating stomach aches were only relieved by Kersten's therapy During the five years to come Kersten attended Himmler but was an alien by birth and sympathies among his entourage with the one exception of Himmler's private secretary who collaborated with him in drawing up the lists of doomed men Jehovah's Witnesses Jews concentration camp victims of all nationalities At the close Kersten was jockeying with Himmler and when persuasion failed withholding treatment to try and secure mass scale liberation of victims first through Sweden then Switzerland Kersten is fascinating to follow through his circumspect ambivalent career even though there may be points in question at its close
