Schubert, Maren Kreutler**

Key Controversies In European Integration The European Union Series:

Key Controversies in European Integration Hubert Zimmermann, Andreas Dür, 2021-03-03 Is the EU a success or a failure Should It Stay or Should It Go Britain and the EU The Big Waste or Essential to Feed Europe The Common Agricultural Policy Observers of the European Union could be forgiven in thinking that since its inception the EU project has been under threat from near constant crises In recent years controversial issues such as EU enlargement the fallout from the Eurozone crisis migration policies Brexit and the Corona pandemic have tested the EU to its limits and divided public opinion in the process The major third edition of this comprehensive textbook on the EU seeks to introduce the integration project by looking at the thorny debates politicians European citizens and the media contend with on a daily basis Well known for its unique and pedagogically innovative key debates format the editors have invited top names in the field to contribute a stirring contribution either for or against each of the toughest political questions the EU faces In doing so not only does it offer a broad introduction to all the key concerns of the Union but it does so in a way that is contemporary engaging and designed to spark controversy New to this Edition All chapters fully revised and updated New chapter on the transatlantic partnership All chapters now with key takeaway points Across all controversies more inclusion of mainstream gender and feminist approaches

Theoretical Approaches to European Integration Sabine Saurugger, 2013-08-30 This major new text provides a uniquely broad ranging introduction to and assessment of the contribution of the whole range of theoretical approaches that have been applied to the analysis of European integration It provides tools for understanding the underlying logic behind the political and economic debates that take place in the EU today

The European Union Ingeborg Toemmel, 2017-08-24 The European Union affects the lives of Europeans in many and varied ways yet in spite of its reach it often appears a constrained political system struggling for internal consensus reliant on the agreement of national governments and hampered by the scepticism of electorates These issues have become even more acute in the wake of the global economic and eurozone crises This new text provides a concise and up to date introduction to the nature of the European Union giving an account of its evolution and structure that makes sense of its current challenges The text analyses the EU's institutional structure and decision making procedures and highlights the manifold conflicts as well as the sophisticated mechanisms for consensus building among the core institutions It explains the ways in which the EU differs from other forms of political order and how this leads to political processes that are characterized by cooperation and conflict In providing this context the author invites readers to a critical assessment of the functioning of the European Union and of the implications of this for its democratic legitimacy and future prospects

Understanding the European Union John McCormick, 2020-11-13 This is the must have leading introduction to the European Union Offering an ideal primer on the EU's history institutions and politics this concise textbook also covers the various challenges and opportunities faced by the EU from the democratic deficit and the potential of future enlargement to the spread of nationalism and crises such as Brexit and

the impact of the global pandemic Understanding the European Union is now more crucial than ever and this text provides a succinct but nuanced account of its development and how it works This book will be the ideal guide for all undergraduate and postgraduate courses in political science global affairs and European Studies It is also a suitable starting point for anyone seeking to learn more about the EU New to this Edition A number of key themes and issues run throughout the book including past and ongoing crises facing the EU the EU's place within the broader international system a focus on the EU's comparative political social and economic context the confederal qualities of the EU and Brexit Addresses the early impact of the global pandemic on the EU Greater use of maps figures tables and boxes where useful to inform the analysis accompanied by up to date further reading Informed throughout by sophisticated yet accessible treatment of theory including post functionalism and critical perspectives Cutting edge coverage of Brexit and negotiations around withdrawal

The European Union and Global Capitalism Magnus Ryner, Alan Cafruny, 2016-12-16 This book draws on critical theory to introduce readers to ways of exploring questions about the EU from a political economy perspective questions like Does the EU help or hinder Europe's social models to face the challenges of globalization Does the EU represent a break from Europe's imperial past What were the causes of the Eurozone crisis

Energy Policy of the European Union Johannes Pollak, Samuel Schubert, Maren Kreutler, 2016-01-07 This broad ranging text provides an analysis and assessment of the European Union's energy policy It examines the components of the internal energy market alongside energy policy and politics on the international stage and in doing so outlines the increasing importance of this global issue

The External Action of the European Union Sieglinde Gstöhl, Simon Schunz, 2021-03-26 This groundbreaking new textbook offers extensive coverage of EU External Action studies from its major concepts to the key theories in the field Over the past decades the European Union has progressively developed into a significant global actor in an increasing number of policy fields This long awaited volume looks into different ways of conceptualizing the EU as a global actor the processes and impact of EU external action explanations offered by IR and integration theories the discursive normative practice and gender turns and the decentring agenda for EU external action The book offers a reader friendly guidance on these various ways in which to study the EU as a global actor each chapter introduces one concept approach or theory and illustrates its application by a case study of EU external action In drawing the different perspectives together the book underscores that EU External Action Studies is becoming an academic speciality in its own right Written by leading experts the volume will make essential reading for students scholars and practitioners of EU external action EU External Action Studies nowadays attract attention from scholars and students in International Relations IR Foreign Policy Analysis and interdisciplinary EU Studies as well as from practitioners

Germany and the European Union Simon Bulmer, William E. Paterson, 2018-11-08 Winner of the UACES Best Book Prize 2020 The jury commented It is impossible to study or understand European integration without understanding Germany's role and place in this This book is therefore a must read This new textbook offers a path breaking interpretation

of the role of the European Union's most important member state Germany Analyzing Germany's domestic politics European policy relations with partners and the resultant expressions of power within the EU the text addresses such key questions as whether Germany is becoming Europe's hegemon and if Berlin's European policy is being constrained by its internal politics The authors both leading scholars in the field situate these questions in their historical context and bring the subject up to date by considering the centrality of Germany to the liberal order of the EU over the last turbulent decade in relation to events including the Eurozone crisis and the 2017 German federal election This is the first comprehensive and accessible guide to a fascinating relationship that considers both the German impact on the EU and the EU's impact on Germany This book is the ideal companion for undergraduate and postgraduate students who are studying the European Union or German Politics from the perspectives of disciplines as wide ranging as Politics European Union Studies Area Studies Economics Business and History It is also an essential resource for all those studying or practicing EU policy making and communication

The European Union and China Thomas Christiansen, Emil Kirchner, Uwe Wissenbach, 2018-12-12 This accessible text offers a comprehensive analysis of the European Union EU China relationship as one of the most important in global politics today Both are major players on the world stage accounting for 30% of trade and nearly a quarter of the world's population This text shows how despite many differences in political systems and values China and the EU have developed such a close regular set of interactions at multiple levels from political strategic to economic and individual The authors start with an historical overview of the domestic politics and foreign policy apparatus of each partner to show the context in which external relations are devised From this foundation each key dimension of the relationship is analysed from trade and monetary policy security culture and society The authors show the relative merits of different theoretical perspectives and outline what is next for this complex ever changing relationship At every step the success of each partner in persuading the other of changing their position's for key strategic interests is explored What emerges is a multifaceted picture of relations between two sides that are fundamentally different kinds of actors in the international system yet have many mutual interests and a common stake in the stability of global governance The first major text to offer an accessible introduction to the multifaceted nature of EU China relations this book is an ideal companion for upper undergraduate and postgraduate students on Politics International Relations and European Studies courses

Policies and Policy Processes of the European Union Laurie Buonanno, Neill Nugent, 2020-11-28 The dynamic and complex system of European Union policymaking is analysed in this new edition of a much praised textbook It offers the most integrated understanding of EU policy available Major approaches to policymaking including intergovernmentalism neofunctionalism supranationalism and critical theory are presented and supplemented with the authors own theoretical model federal integration to create a comprehensive evaluation of the EU's interests and actors in key policy domains The text covers the EU's main policy areas including those on the single market Economic and Monetary Union foreign policy migration and border control social and

regional policies and the budget locating them in this wider theoretical framework As such it is the key introduction to the subject for students of European Politics at undergraduate and postgraduate levels New to this Edition Each chapter rewritten many extensively throughout New chapters on migration and border control competition policy and social and cohesion policies New illustrative material and many new examples Each chapter now includes a Guide to Further Reading Accompanying online resources for this title can be found at bloomsburyonlineresources.com policies and policy processes of the european union These resources are designed to support teaching and learning when using this textbook and are available at no extra cost

The European Union and the United States Jost Morgenstern-Pomorski, Terrence Guay, Michael Smith, 2024-11-14 In this thoroughly revised edition of *The European Union and the United States* authors Smith Guay and Morgenstern Pomorski delve deep into the complexities of the EU US relationship amidst pivotal shifts on the global stage By examining the relationship through the lens of competition convergence and crises this textbook goes beyond narrow focuses on the EU US relationship offering a nuanced analysis of changing dynamics It stands as the definitive and all encompassing guide to transatlantic relations considering recent developments in business trade political economy and foreign policy while carefully navigating the commonalities and differences that exist between the EU and the US This updated edition also reflects on contemporary changes such as cyber security climate change the rise of populism and the emergence of global powerhouses like China India and Brazil successfully situating the EU US relationship within a broader international context Throughout the authors diverse academic backgrounds enable an interdisciplinary approach to the material rebalancing content to include international relations comparative politics and management In doing so this textbook provides a holistic view of transatlantic affairs With additional features including focused case studies summary tables and speech extracts this text serves as the ideal companion for higher level undergraduate students and postgraduate students studying EU politics or anyone seeking to deepen their knowledge of the broader subject area

The Court of Justice of the European Union and the Politics of Law Sabine Saurugger, Fabien Terpan, 2017-08-24 The Court of Justice of the European Union CJEU is one of the central institutions of the EU and has played a decisive role in European integration As one of the most powerful international courts at a time when political systems around the world are becoming more judicialized it is a key actor to understand in world affairs Yet it is not without controversy As both an interpreter of law and as a political power influencing policy making through its bold case law it has become increasingly criticized in recent years for its perceived activism and distance from the European people Combining the perspectives of a legal scholar and a political scientist this important new text gives a uniquely broad ranging account of the CJEU It introduces readers to the role and function of the Court and explains how it fits into the broader political system and historical evolution of the European Union It examines the constitutional contributions made by the Court and the part it plays in policy making in areas such as the environment gender equality and human rights Drawing on the latest research the book takes full account of recent changes to the place

of the Court in the European political system and shows how new forms of governance such as the open method of coordination have had a significant impact on the role the Court is able to play

The European Union in Crisis Desmond Dinan, Neill Nugent, William E. Paterson, 2017-09-09 The European Union EU is in crisis The crisis extends beyond Brexit the fluctuating fortunes of the eurozone and the challenge of mass migration It cuts to the core of the EU itself Trust is eroding power is shifting politics are toxic disillusionment is widespread and solidarity has frayed In this major new text leading academics come together to unpack all dimensions of the EU in crisis and to analyse its implications for the EU its member states and the ongoing study of European integration

The Government and Politics of the European Union Neill Nugent, 2017-09-16 The definitive textbook on EU politics and governance now in its 8th edition has been thoroughly updated to take into account the ongoing developments and evolution of the EU Major changes recent developments and the crises that have befallen the union in recent times are analysed within this context This includes eurozone crisis the migration crisis and the UK's decision to leave the EU Acclaimed author and academic Neill Nugent has written a comprehensive text enabling students with no prior knowledge of the EU to master the subject By detailing the historical evolution of European integration Nugent gives the necessary context to his exhaustive analysis of policies process institutions and treaties This has grown to include two new chapters on Member State Relations and Interest Representation The final section considers concepts and theories with EU studies providing a succinct accessible introduction to theory which can be read as standalone chapters With a new structure to increase readability and packed with numerous pedagogical features document excerpts case studies maps figures and supported by a fully stocked companion website with resources for both students and lecturers this text is an essential for students new to EU studies This new edition offers New chapters on Member State relations and interest representation Updates on all main institutions policies and processes Authoritative coverage of the main institutions policies and processes of the EU Redesigned textbook with even more pedagogical features New companion website including updates data resources PowerPoint slides and test questions

The European Union and Russia Tuomas Forsberg, Hiski Haukkala, 2016-07-29 This important text provides readers with a systematic and comprehensive overview of the historic and ever evolving relationship between Russia and the European Union and on that basis discusses what the future of relations could look like The EU's policy towards Russia can be regarded as one of the toughest tests of the credibility of its external relations and in examining the dynamics of the relationship this book poses essential questions about the EU's ability to sustain itself as a meaningful entity in world politics Written by two experts in the field it analyses the political and institutional development of EU Russia relations from three perspectives European studies Russian studies and International Relations including Foreign Policy Analysis The relationship between the European Union and Russia is of considerable importance to both partners but whilst there have been many moments of co operation between the two tensions have never been far from the surface and the conflict over Ukraine brought it to a historical nadir Both have taken

steps to strengthen their relationship but diplomatic stagnation and the challenge of furthering common economic political social and environmental objectives have proved increasingly testing to relations over time This important text provides readers with a systematic and comprehensive overview of the historic and ever evolving relationship between Russia and the European Union suitable for students at undergraduate and postgraduate levels in European Studies Russian Studies and International Relations theory *Environmental Policy and Politics in the European Union* Tom Delreux,Sander Happaerts,2016-04-22 This brand new textbook provides a concise and informative overview of environmental policy and politics in the European Union It includes a thorough analysis of the traditional areas of environmental concern such as pollution and natural resources as well as newer environmental issues including GMOs and climate change Throughout this clear and readable introduction the authors emphasize the interdependence between EU environmental policy and changes at the global level focusing in particular on the EU s role in global environmental governance The authors didactic approach means this text will be invaluable to undergraduate and postgraduate students of environmental politics policies and governance in the EU as well as MA programmes with a global focus including international relations and EU studies

Britain and the European Union Andrew Geddes,2013-01-15 Britain s relationship with the EU has always been riddled with doubt scepticism and awkwardness This much needed new book examines why how and with what effect the EU has become such a contentious issue in UK politics It places the debate in historical context by starting with an overview of debates about membership in the 1950s and 1960s and then goes on to examine the impact of Britain s membership since 1973 across core policy areas including economic and monetary union agriculture and foreign and security policy Andrew Geddes outlines major changes in the scope of the European project and assesses how central devolved and local governments have responded to the EU The book also assesses the EU s impact on domestic policies assessing debates within and between the main parties and charting the rise of Euroscepticism as a key trend in contemporary British politics Engagingly written this text provides a comprehensive and up to date analysis both of the EU s impact on Britain and of Britain s contribution to the EU *The European Commission* Neill Nugent,Mark Rhinard,2015-10-26 The European Commission is at the very heart of the European integration process and with the Council is one of the two central institutions of the European Union Its activist role under Jacques Delors led to a dramatic increase in its activity and influence and contributed to a crisis of confidence in its effectiveness and its lack of adequate financial controls which culminated in the resignation of the entire Commission under Jacques Santer in 1999 What progress has the Commission made in addressing these issues under Romano Prodi What are its prospects in face of the new challenges of Eastward enlargement How great is its influence and how does this vary according to issues and circumstances What are the implications of its hybrid character as a political and administrative body How much has the Commission changed over time and how much and how does it need to change now Written by a leading authority and author of the best selling introductory

text on the EU this major new text provides the definitive introduction to and assessment of the Commission its evolution composition organisation character functioning and role Comprehensive up to date and based on extensive original research it will be essential reading for students of European integration politicians policy makers and functionaries and anyone with a serious interest in the European Union its current character and future prospects Security and Defence Policy in the European Union Jolyon Howorth,2014-06-10 The Common Security and Defence Policy CSDP has come a long way since its inception as the European Security and Defence Identity under NATO Yet more than a decade after emerging as an autonomous entity with its own capacity for civilian crisis management and military action the European Union s CSDP is still very much a work in progress This fully revised and updated new edition provides the most comprehensive account available of the CSDP and the debates surrounding it Written by a leading authority in the field the second edition draws on the author s own extensive research in the area including hundreds of interviews with key actors and takes account of developments since the reforms of the Lisbon Treaty A brand new chapter assesses international relations theory and European integration theory as tools to understand the CSDP and critically engages with theoretical approaches that view security and defence policy as the exclusive domain of sovereign nation states The book concludes with an analysis of future hurdles for the European Union as it responds to new and often unpredictable crises across the globe *The European Parliament* Ariadna Ripoll Servent,2017-11-03 This broad ranging text examines the political dynamic of the European Parliament EP showing how the EP is a key component of the political system of the EU It looks at how and how effectively the parliament translates citizen demands into policies and in so doing contributes to wider debates around democracy and legitimacy in the EU

Key Controversies In European Integration The European Union Series Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Key Controversies In European Integration The European Union Series free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Key Controversies In European Integration The European Union Series free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic.

While downloading Key Controversies In European Integration The European Union Series free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Key Controversies In European Integration The European Union Series. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Key Controversies In European Integration The European Union Series any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Key Controversies In European Integration The European Union Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Key Controversies In European Integration The European Union Series is one of the best book in our library for free trial. We provide copy of Key Controversies In European Integration The European Union Series in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Key Controversies In European Integration The European Union Series. Where to download Key Controversies In European Integration The European Union Series online for free? Are you looking for Key Controversies In European Integration The European Union Series PDF? This is definitely going to save you time and cash in something you should think about.
