Free to Fly Nicole Runyon,2025-05-06 In Free to Fly Nicole Runyon

reveals how today's technology is crippling our kids' development and she offers parents a clear path to reclaim their children's mental health, build resilience and foster true independence in the next generation. Every day news headlines scream about the mental health crisis in the United States, especially among youth. Anxiety, depression and suicide are at record levels and parents are desperate to seek treatment for their children. They recognize that the kids are not alright but don't know how to help. In two plus decades of working as a child therapist, author Nicole Runyon, LMSW, has seen the devastating effect technology is having on today's young people. From social media and gaming addiction to pornography and sextortion, children's innocence and health are being demolished by their virtual realities. In *Free to Fly*, Nicole will show you where we've gone wrong and how to get back on track by sharing essential info such as the four parts of child development and how technology use impacts each stage, the ways children have become disconnected from other people and from themselves, the reasons discomfort is critical to resilience in both parents and children, strategies for creating boundaries around your child's technology use, why therapy isn't always the answer. Yes, technology is here to stay. But so are you. No one has greater influence on children than their parents. And this book will equip you to determine when and how technology is part of your child's life, empowering you to make informed decisions. It's never too late to make choices that will benefit not only your child but also your entire family. *Winning Your Infinite Freedom - Complete Series 2006-2011* Robert C.

Worstell, 2016-11-21 How do you find more Freedom in your life? It's not that difficult, but you can't expect politics or government to really help you with it. Because it's an ability you already have. Really. This book is a collection of blog essays from 2006-2011 following one person's work to re-discover the route anyone could take in order to get the exact amount of real Freedom they want in their life. In these 5 years of study, Dr. Robert C. Worstell has spent his time and energy to uncover the secrets people have been looking for most of their lives: How to get real control over your own life or escape control of others. Why needing the approval of others is just another trap and what you can do about it today. Escaping the security traps which other people are setting for you. Finding how you can join the group of successful, happy people who are that way regardless of the government or anyone else. How to regain any ability you want by releasing your own native talents.
