Keys To The Deeper Life:

Keys to the Deeper Life A.W. Tozer, 1919 Wherever Christians meet these days one word is sure to be heard constantly repeated that word is revival In sermon song and prayer we are forever reminding the Lord and each other that what we must have to solve all our spiritual problems is a mighty old time revival The religious press too has largely gone over to the proposition that revival is the one great need of the hour and anyone who is capable of preparing a brief for revival is sure to find many editors who will publish it So strongly is the breeze blowing for revival that scarcely anyone appears to have the discernment or the courage to turn around and lean into the wind even though the truth may easily lie in that direction

Keys to the Deeper Life Aiden Wilson Tozer, 1957 **Transatlantic Charismatic Renewal, c.1950-2000**, 2021-07-05

In *Transatlantic Charismatic Renewal c 1950 2000* Andrew Atherstone Mark Hutchinson and John Maiden bring together leading researchers to examine one of the globally most important religious movements of the twentieth century Various referred to as the charismatic renewal or revival it was a key Christian response to globalization modernity and secularization Unlike other accounts which focus either on denominational pentecostalism or charismatic phenomena outside the West this volume describes transatlantic Christianity drawing deeply on its pneumatic roots to bring about renewal New research in archives and overlooked journals illuminate key figures from David du Plessis to John Wimber providing insights which challenge the standard interpretations of the charismatic movement s origins and influence **The Second Chance**

for God's People Timothy W. Seid, 2008-09-26 For centuries the New Testament book of Hebrews has been interpreted as though it had been written for Jewish Christians in danger of lapsing back into legalism and religious ceremony This view is now being challenged by current scholarship Rather than attacking the Old Testament and Judaism the author of Hebrews praises the person and work of Jesus through a series of comparisons on which he bases exhortations and warnings to the present people of God Hebrews urges God s people to learn from past mistakes and failures and to take up the challenge in difficult times to live faithfully in the new relationship to God through Jesus God s Son In *The Second Chance for God s People* Messages from Hebrews Quaker pastor and professor Timothy W Seid encourages today s church to respond to the challenge of Hebrews first individually by progressing in spiritual and moral maturity and second collectively by being God s faithful people in the world In the light of ancient Greek language and rhetoric after having extensively researched Hebrews Seid interprets the text of Hebrews section by section in an accessible and nontechnical way while also illustrating and applying the meaning of the text for the contemporary church **master key to giving birth to greater geniuses**

Crosby,2011-06-01 The idea that our bodies can be physically healed through the exercise of spiritual gifts is controversial within the church Some believe that God doesn't do miracles any more as the so called sign gifts are believed to have ceased in the apostolic era Others particularly the televangelists manipulate people through shameful practices rooted in the love of money and fame Hype abounds In this book Dr Stephen Crosby presents a biblical Christ centered reasonable and redemptive alternative to either extreme Understanding the Scripture's Semitic non Western worldview of community disease sickness and health is key to the effective appropriation of physical healing Dr Crosby's incisive and candid analysis cuts through the popular culture hype and presents a compassionate God who is and will always be our Healer Dr Crosby and his wife Rita were saved in the Charismatic Renewal that swept through upstate New York in the early seventies Since then their lives and ministry have spanned North America They have pioneered and pastored local churches in three states Dr Crosby has ministered in churches seminars conferences and Bible schools in nations on five continents The Kingdom Among Us Michael Stewart Robb,2022-09-27 Despite perennial attraction to his teachings Dallas Willard's theology has not been easy for his readers and colleagues to figure out or piece together His approach to theology was an odd one His five bestselling books on the Christian life were a side job to his quiet career as a professional philosopher To what if not to his profession can one attribute the lasting attraction of his books On one hand it is Willard's rhetorical skill and his cross disciplinary knowledge philosophical psychological biblical regarding the central issues of human life But more importantly his books all proclaim a gospel which in the late twentieth and early twenty first centuries can be especially hard to hear Willard spoke of this gospel in biblical terms the gospel of the kingdom a gospel of spiritual living The Kingdom Among Us presents a comprehensive account of that gospel But it is much more than mere interpretation By examining both Willard's writings and hundreds of hours of audio recordings Michael Stewart Robb both recovers and expands Willard's theological vision The book will help long time readers of Willard's books make sense of his position in professional theology and philosophy Robb's reconstruction of a gospel of spiritual living will help scholars theologians and philosophers make sense of Willard's side job But all readers will encounter in these pages the most complete picture available of one of the giants of modern Christian spirituality *Rivers of Revival* Neil T. S. Lynch,2022-04-19 Miraculous events occur every day in a Christian s life if they have the eyes of their heart opened as St Paul prayed Most supernatural events are unseen or not spiritually appraised by the average Christian But at certain times God breaks through our rationalizations and unbelief and reveals his Real Presence to us in the most amazing ways This memoir is based on forty four years of dreams visions angels and demons that were manifested to me my wife Jane and other family members Of course there were many days and nights when I experienced the dark night of the soul where God seemed distant and my spiritual soul was dry and in need of the water that comes from Jesus This book was started fifteen years ago but I stopped writing as it was not the time to do it as God had other things for me to learn Then in 2011 I had a brain stroke caused by a blood clot I was not able to work as a teacher for six months and I was left with mild paralysis on my right side God allowed the stroke to happen but also taught me to be thankful for each day as life itself is a miracle My prayer and hope for you is that you would take seriously the bible account of miracles in the four Gospels and in Luke s account of the early church in the book of Acts in the New Testament St Augustine said it best NOVERIM TE NOVERIM ME This translated is May I know you may I know me Prayer 101 Warren W. Wiersbe,2005-11 Offering hope and life changing guidance for everyone who has at one time or another felt like a failure when it comes to having a wonderful prayer life this book contains the insight and wisdom that every Christian needs to make communication with God come to life **The Invitation** Jerry Potter,2016-03-08 You can win over your temptations If you want to walk in fullness and step into your purpose you must stop pandering to your own lusts and cravings Jerry Potter explains how to subdue them and renew your mind with the mind of Christ If anyone would come after me he must deny himself and take up his cross and follow me Matthew 16 24 NIV These words were an invitation from Christ to His disciples to surrender to God s will for their lives and enter a new dynamic relationship with Him Each section of this book deals with Christ s words and how we should give up our self will and receive the keys to the kingdom of God The first section of the book uses the story of Elijah and Elisha to reveal the seven steps of self denial Their journey shows how God deals with our self life God s purpose is to anoint us with His spirit to finish the ministry of Jesus on earth just as Elisha finished the ministry of Elijah The other section of the book uses the beatitudes as an example of what the Christian life is like when God enters our lives He has given us a picture of a life blessed by the Holy Spirit in the beatitudes About the Author Rev Jerry Potter has spoken and taught in seminaries and major churches around the world He held a conference in Sweden for Lutheran pastors and published a book in Sweden
