Glorying In Tribulation The Life Work Of Sojourner Truth:

Glorying in Tribulation Erlene Stetson, Linda David, 1994-08-31 In *Glorying in Tribulation* Stetson presents a new dimension of Sojourner Truth's character. Much of the information regarding this oft quoted African American woman is either the stuff of legend or is in dispute. This important new biography takes both legend and fact and sets them into a larger historical context. The authors utilize archival sources and other forms of direct and indirect evidence to create a better understanding of Truth. We see her victories as well as her defeats; we see her as a real person. Truth comes alive in the pages of this book through her poignant prophetic words and we realize that what she spoke of in the nineteenth century is just as relevant to us today. *Glorying in Tribulation* offers students, scholars, and teachers of American history and culture studies a comprehensive look and a new perspective on Truth's contribution to American history. It is a long overdue exciting interpretation of the meaning of Sojourner Truth's life. [The Harvard Guide to African-American History](#) Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America.

Sojourner Truth Larry G. Murphy, 2011-01-20 This simple narrative of an extraordinary life explores the power of a disinterested commitment to right and truth. Sojourner Truth: A Biography traces this remarkable woman's life from her birth through adulthood and to her death in 1883. Drawing from public pronouncements, personal correspondence, and journalistic accounts of key historical actors, it follows her extraordinary career and sets the events of her life in the larger context of U.S. social and political history. The years during which Truth lived bore witness to tremendous social and religious ferment in the United States, including of course the Civil War. Truth was directly involved; indeed, an influential figure in many contentious issues of the period, from slavery and abolition to religious revivalism, women's rights, temperance, racial reconciliation, and more. Her story serves as a prism through which readers will better understand how these complex matters were adjudicated in 19th century America. More than that, her life demonstrates what courage, character, and principle can accomplish against all odds.

Sojourner Truth's America Margaret Washington, 2011-04-21 This fascinating biography tells the story of nineteenth century America through the life of one of its most charismatic and influential characters, Sojourner Truth. In an in-depth account of this amazing activist, Margaret Washington unravels Sojourner Truth's world within the broader panorama of African American slavery and the nation's most significant reform era. Born into bondage among the Hudson Valley Dutch in Ulster County, New York, Isabella was sold several times, married, and bore five children before fleeing in 1826 with her infant daughter, one year before New York slavery was abolished. In 1829 she moved to New York City where she worked as a domestic, preached, joined a religious commune, and then in 1843 had an epiphany. Changing her name to Sojourner Truth, she began traveling the country as a champion of the downtrodden and a spokeswoman for equality by promoting Christianity, abolitionism, and women's rights. Gifted in verbal eloquence, wit,

and biblical knowledge Sojourner Truth possessed an earthy imaginative homespun personality that won her many friends and admirers and made her one of the most popular and quoted reformers of her times Washington's biography of this remarkable figure considers many facets of Sojourner Truth's life to explain how she became one of the greatest activists in American history including her African and Dutch religious heritage her experiences of slavery within contexts of labor domesticity and patriarchy and her profoundly personal sense of justice and intuitive integrity Organized chronologically into three distinct eras of Truth's life Sojourner Truth's America examines the complex dynamics of her times beginning with the transnational contours of her spirituality and early life as Isabella and her embroilments in legal controversy Truth's awakening during nineteenth century America's progressive surge then propelled her ascendancy as a rousing preacher and political orator despite her inability to read and write Throughout the book Washington explores Truth's passionate commitment to family and community including her vision for a beloved community that extended beyond race gender and socioeconomic condition and embraced a common humanity For Sojourner Truth the significant model for such communalism was a primitive prophetic Christianity Illustrated with dozens of images of Truth and her contemporaries Sojourner Truth's America draws a delicate and compelling balance between Sojourner Truth's personal motivations and the influences of her historical context Washington provides important insights into the turbulent cultural and political climate of the age while also separating the many myths from the facts concerning this legendary American figure

Shapers of the Great Debate on Women's Rights Joyce D. Duncan, 2008-10-30 The three waves of feminism are explored through the lives of the women who made history in bringing women s issues to the forefront of American society Many early feminists supported not only women s rights but also rights of slaves and contributed to the passing of the Thirteenth Amendment granting emancipation to slaves They continued to work towards women s suffrage and were hopeful the Fourteenth Amendment would provide universal suffrage However women were not granted suffrage until the passing of the Nineteenth Amendment nearly fifty years later It was women s fundamental need for independence and an identity of their own separate from that of men which thrust the women s movement forward and continues to propel it today Many notable women such as Susan B Anthony Elizabeth Cady Stanton Billie Jean King Betty Friedan Helen Gurley Brown Jane Fonda and Sandra Day O Connor are included in this history of the women s movement in America The biographical entries cite works for further reading and the volume closes with a bibliography The Shapers of the Great Debate series takes a biographical approach to history following the premise that people make history in the circumstances in which they find themselves Each volume in this series examines the lives and experiences of the individuals involved in a particular debate through both major and minor biographies

The Pinkster King and the King of Kongo Jeroen Dewulf, 2016-12-20 The Pinkster King and the King of Kongo presents the history of the nation's forgotten Dutch slave community and free Dutch speaking African Americans from seventeenth century New Amsterdam to nineteenth century New York and New Jersey. It also develops a provocative new interpretation of one of America's most intriguing black folkloric traditions, Pinkster. Jeroen Dewulf rejects the usual interpretation of this celebration of a slave king as a form of carnival. Instead, he shows that it is a ritual rooted in mutual aid and slave brotherhood traditions. By placing these traditions in an Atlantic context, Dewulf identifies striking parallels to royal election rituals in slave communities elsewhere in the Americas and he traces these rituals to the ancient Kingdom of Kongo and the impact of Portuguese culture in West Central Africa. Dewulf's focus on the social capital of slaves follows the mutual aid to seventeenth century Manhattan. He suggests a much stronger impact of Manhattan's first slave community on the development of African American identity in New York and New Jersey than hitherto assumed. While the earliest works on slave culture in a North American context concentrated on an assumed process of assimilation according to European standards, later studies pointed out the need to look for indigenous African continuities. The Pinkster King and the King of Kongo suggests the necessity for an increased focus on the substantial contact that many Africans had with European, primarily Portuguese, cultures before they were shipped as slaves to the Americas. The book has already garnered honors as the winner of the Richard O. Collins Award in African Studies, the New Netherland Institute Hendricks Award, and the Clague and Carol Van Slyke Prize.

A Dangerous Dozen Canon C. K. Robertson, 2011 Sometimes What We Need Most Is What We Fear Most. Times change and situations seem to change, but there is still a great need for prophets for God's ambassadors to stand up and be counted. Who will dare to be Paul the Apostle today or Dorothy Day or Francis of Assisi or Dietrich Bonhoeffer? Who will dare when God calls to say, "Here I am, Lord, send me from the Foreword by Archbishop Desmond Tutu. Meet twelve fascinating, at times intimidating, Christian change agents who were unafraid to ask what God would have them do in the face of life's realities and unafraid to go ahead and do it. Their words and actions challenged the status quo and in so doing, they showed the face of Jesus to the Church and to the world. Whether calling us to live simply in the name of Jesus, showing the way to genuine peacemaking, or exemplifying the true meaning of courage, the legacies of these blessed troublemakers continue to inspire us today if we let them.
