**Christianity and Alcoholics Anonymous: Competing or Compatible?** Ernie Tolin, 2012-09-12 Defense of the Gospel None could deny that A A has taught hundreds of thousands of alcoholics to live in continuous sobriety But a bigger question is By what means and with what consequences does A A accomplish this minor miracle Could we for example lay A A literature side by side with Scripture and conclude the two are in steady harmony Or could it actually be possible that they contradict one another And if that were the case would we be wise to point to our continued sobriety as proof we have also been reconciled with God By contrasting what Scripture has to say on the subject of addiction this book will uncover A A s teachings at great depth Simultaneously it will help you to precisely diagnose the deception of Alcoholics Anonymous Followers of Christ A A members and their families can ill afford to miss dozens of eye opening revelations as David Simmons

Sami G,2018-08-22 Sami spent years in denial of her alcoholism She is cross addicted and accepted she was a pill popper long before she admitted to her disease of being an alcoholic Thirty three years of precious moments family events and relationships were stolen due to this insidious disease She was sick mentally physically emotionally and spiritually until the day God guided her to a program of recovery Sami believes in destiny and it was God who brought her to Alcoholics Anonymous In return she is convinced AA brought her to the personal relationship she has with God While in the rooms she experienced her first of many spiritual experiences with God and it was astounding and she knew it was fate She at last reached the beginning of her journey to a happy joyous and free life From the very beginning she knew the program only works if you work it and that you must go to any length to remain sober Most importantly she learned she is not alone because through her discovery there are millions of others like her admitted alcoholics yet others who have not made it to the rooms Journaling has been a life line to her soundness of mind She believes her book will be instrumental to others who struggle thinking they are alone in this dark hell of alcoholism A disease so cunning baffling and powerful that it convinces us we do not have a disease
