Wake Up America Before It's Too Late! Colonel Ellis D. Bingham Usa Retired,2012-10 Deep within our own Unites States Government and elements within and outside our nation there appears to be an insidious plot to destroy our Christian heritage and our American way of life This will never happen as long as our citizens are armed as provided for in our Constitution Unfortunately most citizens are immersed in their day to day activities to provide for their families and do not have the time to sift through and analyze the wealth of information provided by modern technology Those that have the time to monitor the internet and other media are flooded with information much of which is disinformation This causes uncertainty fear worry and stress on our citizens This Decision Paper puts together seven situations that if not acted upon and corrected will destroy this great nation All nations should realize that if America as the world knows it is destroyed the free world will cease to exist God's Plan To Save America L. Nelson "Mac" McAlexander,2013-11 In a dream I had back in 1977

thousands of people were shouting out in unison an unusual name that I had never heard before What I saw in that dream compelled me to try and find out if this name had any special meaning That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I heard in the dream was a Greek word He said the word had three possible definitions which changed when the accent over the e changed Those definitions are very significant and I write about them in the chapter on Dreams and Visions The definitions and an interpretation of the dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2 17 and or 3 12 In subsequent dreams I was writing a book titled God s Plan to Save America and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams Revelations 2 17 Let the one who has an ear hear what the spirit says to the congregations To him that conquers I will give some of the hidden manna and I will give him a white pebble and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it **The book of Seven**
