The Trust Factor Darrell L. Wise,2011 We choose so many paths searching for meaning and they fail us You were meant for more than beauty You are more than a bank account or a big house or a fancy car The sum of who you are cannot be defined by your intelligence sexual prowess or by any of the things we use in an attempt to give our lives meaning Have you ever wondered why you were born why you are here is it really possible to find your purpose and live it the resounding answer is yes Darrell Wise investigates the universal question of purpose of life why are we all here Then Darrell goes on to give guidelines for finding your individual purpose In fact living out your purpose in this life leads to purpose in the next life For all of eternity In this intelligent and inspirational work Darrell outlines in a clear logical way why we cannot understand our purposes without turning to God it is only when we take into account the Trust Factor that we can ever hope to find meaning
