## God Made Me Special Verses:

God Made Me Special Laura Cordova, 1989-06      Hopeful Messages from The Bible Richard Holland, 2019-07-16 After forgiveness what mankind needs most is encouragement and there is no place where hope can be found like the Old and New Testaments of the Bible In Hopeful Messages from the Bible Rich Holland shares the encouraging message of God's love redemption and provision offered to everyone who knows loss sin and disappointment Growing up with little church background the author discovered the meaningful context behind suffering and the encouragement found in the Bible      **He Heard My Cry and He Came Down** Betty Kruckeberg, 2018-03-26 God spared my family of eight members many times There were two tornadoes a flood a power takeoff shaft two cases of internal bleeding two fires a rare disease terminal cancer car accidents and many things that drove me to my knees God allowed all these trials to bring brokenness that I might become a Christian I wanted change that I might walk in God's ways God really spoke through his Word He allowed many trials to change me God took me through so much scripture There is great power in his Word He will show you through his Word what he wants to change He wants obedience He has taken me through many trials until I went around Jericho without a word You can't grumble or complain If you complain you're telling God he can't do it I love to tell the story of what God does for me I love to walk with him He wants us to be an encourager to people and to show forth his love Share the Word with them There are hurting people everywhere      **Dying to Tell You** Michael Hunter, 2021-11-19 Jesus tells us that if one desires to be his disciple they must deny himself and take up his cross and follow me Mark 8:34 But what does it mean to take up your cross and how can we do this The apostle Paul said that he desired to know nothing except Jesus Christ and him crucified 1 Corinthians 2:2 and elsewhere even claimed to have been crucified with Christ Galatians 2:20 How can one join Paul and know Jesus in his Crucifixion The answer is to take Jesus at his word From the cross Jesus spoke seven times These sayings summarize the gospel and explain how we can know him in his Crucifixion On the cross Jesus was literally Dying to Tell You how his death fulfilled God's eternal plan for our redemption Unlike other studies of the last sayings of Jesus from the cross Dying to Tell You takes a new approach and views the sayings together as a whole revealing how together they form the foundation to understanding the gospel of Jesus Originally motivated to seek a resolution to the dilemma of which saying is the last both Luke and John appear to report the last saying Dying to Tell You establishes a new order for the sayings based on a detailed examination and integration of the four Crucifixion narratives contained in the Gospels While each saying is individually examined rather than handling them as isolated statements Dying to Tell You demonstrates how these sayings comprise the final message of Jesus his sermon on the cross Along the way Dying to Tell You also provides assurance that the Bible can be trusted and is a historically accurate resource demonstrates that the cross is the centerpiece of redemptive history and illustrates how Jesus and the Crucifixion serve to fulfill the scriptures and provide for the salvation of mankind Dying to Tell You is nothing less than one disciple's spiritual awakening and quest to know Jesus Christ and him

L. Knepper,2014-05-31 *Question Everything* was written for everyone who has ever heard something in their religious teaching that did not seem quite right ever had some questions about the Biblical basis for their church s traditions and are wondering if there might be straight forward answers to what may have been bothering them for many years It is a great step of courage and risk to challenge the traditions foundations and strongholds of one s faith particularly when that faith has been handed down from generation to generation but it is risk with the significant reward of peace and confidence that can only be obtained through God s Word The reader should be brave when comparing what they always thought with what the Bible has to say As every individual faces eternity they will not be accompanied by their ancestors their Ministers or Priests nor their best friends or loved ones their eternal destiny will be based on how they responded to God s Holy Word      **Tragic Consequences** Oliver L North,David Goetsch,2022-05-18 *Tragic Consequences* was written for Americans who are concerned about the cultural decline they see all around them people who watch the nightly news and ask themselves What is happening to our country It seems we have become a nation of people who are offended by everything but sin What is happening to our country is simple to explain but sad observe We are seeing what a culture of sin can do to a country It is a culture of darkness and depravity a culture lacking in moral restraint and a culture where life has little value When a nation rejects God and accepts sin the lurid stories carried on nightly news programs are the inevitable result Within the problem is the solution Biblical morality reestablished in America by an uprising of God s people standing for righteousness will bring God s forgiveness and our healing      **God the Creator** Ben C. Ollenburger,2023-04-18 Christians today are focused on two important creation topics how the world came to be and how we should care for it A highly respected Old Testament theologian recommends that before discussing these questions we focus on God the Creator and God s ongoing work in creation We should explore what the Bible tells us and let the text set the agenda for our reflections Combining his storytelling gift with rigorous biblical exegesis and deep reflection Ben Ollenburger describes the action of God the Creator as presented throughout the Old Testament He shows how creation is about more than origins It is about God acting against the hostile forces of chaos that can be historical political and military About how God created a well ordered world and how human transgression ruptures God s relationship with humans and threatens creation About how God responds as Creator to those threats by disturbing and reordering the disorder bringing

about what God intended a world ordered in the social political and natural realms that is characterized by the justice righteousness and peace required for human flourishing **Hidden Joy in a Dark Corner** Wendy Blight, 2009-02-01 One week after Wendy Blight's college graduation she walked into her apartment to find a masked man holding a knife and waiting for her at the top of the stairs The man spent an hour physically and sexually assaulting Wendy leaving her changed forever After this terrifying experience she lived for years cocooned in a prison of fear despair and hopelessness Finally after years of searching and believing she had nowhere else to turn she fell on her knees before God and poured out her tears anger and questions to Him Wendy's story is one of transformation from trauma to rebirth through the power of the Word of God Through **Hidden Joy in a Dark Corner** the reader will experience hope and the encouragement necessary to press forward to healing and restoration **The Devil Made Me Do It** Phyllis Gruesbeck, Did you ever wonder how the world got to be in such a mess Why does evil abound Why do bad things happen to everyone including good people The book that you hold in your hands will give you a basic overview of just how sin got started on earth and its origin in heaven The devil made me do it was a popularized catchphrase by Comedian Flip Wilson But within these covers you'll learn that God is more powerful than the devil and He is able to keep you from falling Jude 24 You will also learn to identify the mysterious antichrist by learning the biblical identifiers Another bit of knowledge that you will gain is who changed or rather attempted to change the Ten Commandments why and where they are in print in their modified version Do you know the five major characteristics of the God Family You'll find them outlined and explained here 1 Holiness 2 Omnipotence 3 Omnipresence 4 Omniscience and 5 Immortality By the time you come to the last page you will know three things for sure God is all powerful He loves you more than you can imagine and He craves your love in return And when you've finished share the book with a friend who needs to know who God is It is based in sound biblical knowledge with a sensitivity from one who has traveled life's road and found God's unchanging love Jay Gallimore former president Michigan Conference of Seventh day Adventists Phyllis was a student of the Word and she was a teacher at heart which you will discover as you journey through this book Nadine Whitacre Retired Nurse **Notes on the Scripture Lessons for ...**, 1872 **Life-Changing Verses** Carlton Lee Arnold, 2013-04 **Life Changing Verses** is a compilation of my personal write ups about selected verses from the Bible over the past six years They were published on a weekly basis This is Volume 2 of a planned four volumes These are not soft devotionals where you can say that you spent time with God I am frank and candid about the current situation of the average believer This is based on over thirty five years of Bible teaching with the last fourteen years spent in teaching the Bible through seven times to classes My guiding principle for **Life Changing Verses** is to encourage Christians to understand what the Bible says about being a believer My main objective for each Bible verse selected was to make real and practical application to a believer's life I experienced changes in my life while writing many of the **Life Changing Verses** I have a strong opinion that conviction will occur with every believer To God be the glory **Sermons on the Eighth Chapter of the Epistle to the Romans (verses**
