The Militant Christian Dr. D. K. Olukoya, 2013-12-22 The Militant Christian It is worrisome how some present day believers are being boxed to a corner by unbelievers Many are denied their rights because they lack power Many are being destroyed by the powers of darkness and their obituaries are advertised in the newspapers A lot cannot exercise their authority and as a result they are being ruled by their enemies The reason for these spiritual failure which also leads to physical failure can be traced to powerlessness If you are a Christian without a voice in your family or wherever you find yourself or you are oppressed and afflicted although you are a Christian this book is for you It will enable you to rise from spiritual paralysis to a spiritual giant In addition you will be able to exercise your authority in Christ Jesus

Theology of the Living Immortals Richard Bodeus,2000-09-22 This book argues that Aristotle used the most traditional Greek ideas about the gods to develop and defend his physical metaphysical and ethical teachings This revolutionary thesis stands in stark contrast to studies of Aristotle s texts that normally portray him as a natural theologian using rational tools to elaborate his own conception of God or the gods Bodeus argues that Aristotle is more closely aligned with popular Greek religion than is usually thought and attention to the ethical and political writings reveals more about Aristotle s resources for conceiving the gods than study of his theoretical works [Discover Your Being in God](#) Vanessa Karina x

to God in Augustine's Confessions Carl G. Vaught, 2006-06-01 Continuing his groundbreaking reappraisal of the Confessions Carl G Vaught shows how Augustine's solutions to philosophical and theological problems emerge and discusses the longstanding question of the work's unity **The Key of Immediate Enlightenment** The Supreme Master Ching Hai, 1996-02-01 A 4th collection of various talks and lectures given by The Supreme Master Ching Hai on the topic of how to know our True Nature and be Enlightened in daily life and much more *City of God* Saint Augustine, 2003-11-27 *City of God* is an enduringly significant work in the history of Christian thought by one of its central figures Written as an eloquent defence of the faith at a time when the Roman Empire was on the brink of collapse this great theological and philosophical work by St Augustine bishop of Hippo examines the ancient pagan religions of Rome the arguments of the Greek philosophers and the revelations of the Bible Pointing the way forward to a citizenship that transcends worldly politics and will last for eternity *City of God* is one of the most influential documents in the development of Christianity Translated with Notes by Henry Bettenson with an Introduction by G R Evans **Sermons** Robert Bruce, 1843 *Sermons by the Rev. Robert Bruce, Minister of Edinburgh* Robert Bruce, Robert Wodrow, William Cunningham, 2024-05-27 Reprint of the original first published in 1843 *Love Divine* Jordan Wessling, 2020-06-02 *Love Divine* provides a systematic account of the deep and rich love that God has for humans While the associated theological territory is vast the objective is to contend for a unified paradigm regarding fundamental issues pertaining to the God of love who deigns to share His life of love with any human willing to receive it Realizing this objective includes clarifying and defending specific conclusions concerning how the doctrine of divine love should be approached what God's love is what role love plays in motivating God's creation and subsequent governance of humans how God's love of humans factors into His emotional life which humans it is that God loves in a saving manner what the punitive wrath of God is and how it relates to God's love for humans and how it might be possible for God to share the intra trinitarian life of love with human beings As the book unfolds the chapters interlock and build upon one another in the effort to trace nodal issues related to God's love as it begins in Him and then spills out in the creation redemption and glorification of humanity a kind of exitus reditus structure that is driven by the unyielding love of God Five Keys Rose Mary Long, 2015-12-09 Maren and Paul McCloud's combined multi generational family faces many challenges during the post 9/11 era including raising two adopted children the sudden mysterious loss of Paul's job his work as a doctor in Afghanistan and their move from Colorado to the village of Dexum Illinois When Maren's grown son Matt moves home he involves the family in his own challenging relationships and in the mysterious events around Dexum A shooting in the neighborhood may have been intended for Matt Maren must salvage her marriage protect her family and preserve her own identity The family learns to use five keys to open the doors to a happy life My Journey With Breast Cancer and God's Miracles That Sustained Me Cathy Sutor Riley, 2007-12-05 Cathy Sutor Riley decided to write this book during her treatments for bi lateral breast cancer It seemed to help to put her experiences on paper and she was hoping that

her story would inspire and strengthen anyone that was going through any type of trial not just breast cancer It is obvious throughout this book that God was ever present during her journey and carried her when she couldn't carry herself The faith that Cathy was taught during her childhood from the two Christian parents she was blessed with is what made all the difference in her life She knows that without those teachings and lessons in faith she may have given up from the very first day of her diagnosis Cathy had always said she didn't see how any woman could go through breast cancer because she would have to give up her hair and breasts the two main things that make a woman feel feminine It is obvious now that the way a woman gets through this is from the strength given to her by God Only God can carry any of us through the trials we will face in this life and there will always be trials as long as we live on this earth It is this author's hope that this book will give you strength hope faith and the knowledge that your God is always with you and He is waiting for you to seek Him and depend on Him for everything He is as close as our next breath and He is our very best friend Always draw near to God and He will carry you through all things of this world May God bless you as you read and meditate on this book

Arguing with God Bernd Janowski, 2013-10-10 This is the first English translation of Bernd Janowski's incisive anthropological study of the Psalms originally published in German in 2003 as *Konfliktgespräche mit Gott Eine Anthropologie der Psalmen* Neukirchener Janowski begins with an introduction to Old Testament anthropology concentrating on themes of being forsaken by God enmity legal difficulties and sickness Each chapter defines a problem and considers it in relation to anthropological insights from related fields of study and a thematically relevant example from the Psalms including how a

central aspect of this Psalm is explored in other Old Testament or Ancient Near Eastern texts Each chapter concludes with an Anthropological Keyword which explores especially important words and phrases in the Psalms The book also includes reflections on reading the Psalms from a New Testament perspective focusing on themes of transience praising God salvation from death and trust in God Janowski s study demonstrates how the Psalms have important theological implications and ultimately help us to understand what it means to be human **The Social God and the Relational Self** Stanley J.

Grenz,2001-01-01 In this the first of a six volume contribution to systematic theology Grenz creatively extends the insights of contemporary Trinitarian thought to theological anthropology The Social God and the Relational Self is an example of theological construction as an ongoing conversation involving biblical texts the theological heritage of the Christian tradition and the contemporary historical social context *The MCAT Writing Samples and Verbal Reasoning* Sammy R.

Browne,1994-11-01 **In the Self's Place** Jean-Luc Marion,2012-10-24 In the Self s Place is an original phenomenological reading of Augustine that considers his engagement with notions of identity in Confessions Using the Augustinian experience of confessio Jean Luc Marion develops a model of selfhood that examines this experience in light of the whole of the Augustinian corpus Towards this end Marion engages with noteworthy modern and postmodern analyses of Augustine s most experiential work including the critical commentaries of Jacques Derrida Martin Heidegger and Ludwig Wittgenstein Marion ultimately concludes that Augustine has preceded postmodernity in exploring an excess of the self over and beyond itself and in using this alterity of the self to itself as a driving force for creative relations with God the world and others This reading establishes striking connections between accounts of selfhood across the fields of contemporary philosophy literary studies and Augustine s early Christianity
