## **Gods Revolution Justice Community And The Coming Kingdom:**

**God's Revolution** Eberhard Arnold,1997 Feeling powerless to change the greed and injustice at every level of society Tired of answers that ignore the true causes of human suffering This revised anthology of Arnolds most compelling writings challenges us to seek the eternal truths of Christs way But be warned to Arnold discipleship means revolution a transformation that begins within but spreads outward to encompass every aspect of life Here is the raw reality of the Gospel that has power to change the world The Utopians Anna Neima,2021-06-10 Fascinating and richly documented Few books manage to be so informative and so entertaining Sunday Times Santiniketan Sriniketan in India Dartington Hall in England Atarashiki Mura in Japan the Institute for the Harmonious Development of Man in France the Bruderhof in Germany and Trabuco College in America six experimental communities established in the aftermath of the First World War each aiming to change the world Anna Neima s *The Utopians* is an absorbing and vivid account of these collectives and their charismatic leaders and reveals them to be full of eccentric characters outlandish lifestyles and unchecked idealism Dismissed and even mocked in their time yet a century later their influence still resonates in progressive education environmentalism medical research and mindfulness training Without such inspirational experiments in how to live post war society would have been a poorer place Thanks to Neima s rigorous research each chapter offers something new Spectator Neima ranges with impressive confidence across the world Literary Review God's Unfolding Government Nomaren Augustine Omoregbee,2010-02-10

*Being Church* John F. Alexander,2012-07-01 What modern church doesn t call itself a community Yet for how many is it real How many churches form disciples intimately connected enough to call themselves Christ s body How many form disciples who know the relational arts that create a robust unity How many form disciples practiced in the ways of sacrificial love Pastor John Alexander a thirty year veteran of living in Christian communities yearns for all the wonder and promise of the New Testament vision of church to come true After struggling with Scripture in live together church communities he shares the Scriptural practices and wisdom that make for an authentic sustainable and joyful life together For any person or church wanting to move beyond the clich of community to the radical vision of the New Testament this book is an invaluable guide **An Embassy Besieged** Emmy Barth,2010-08-05 Here for the first time in print is the story of a small group who dared to confront Adolf Hitler and the Third Reich with the love of Jesus Christ Avoiding covert resistance on the one hand

and complicity and compromise on the other the Rhon Bruderhof under the courageous leadership of Eberhard Arnold boldly witnessed to the politics of the Kingdom of God in Nazi Germany Although less than a gnat to an elephant in Arnold s words they believed that as God s ambassadors love could overcome hatred even of Adolf Hitler himself This is an amazing account of a community who stayed true to the nonviolent way of the Cross and how despite relentless Nazi opposition God protected and victoriously led them along the way

**Commonwealth and Covenant** Marcia Pally,2016-03-02 In *Commonwealth and Covenant* Marcia Pally argues that in order to address current socioeconomic problems we need not more economic formulas but rather a better understanding of how the world is set up an ontology of how we and the world work Without this good proposals that arise lack political will and go unimplemented Pally describes our basic setup as separability amid situatedness or distinction amid relation Though we are all unique individuals we become our singular selves through our relations and responsibilities to the people and environments around us Pally argues that our culture s overemphasis on separability individualism run amok results in greed adversarial and deceitful political discourse and chicanery resource grabbing broken relationships and anomie Maintaining that separability and situatedness can and must be considered together in public policy Pally draws on intellectual history philosophy and especially historic Christian and Jewish theologies of relationality to construct a new framework for addressing present economic and political ills

**The Individual and World Need** Eberhard Arnold,1993 One of Arnold s most compelling works this essay explores the relationship of the individual to world sin and suffering and directs us clearly

to a solution Enlivened by a wide variety of anecdotal illustrations from the ancient myth of Prometheus to the expressionist Franz Werfel Arnold s message is simple but revolutionary only by overcoming the cancerous selfishness of individualism can we overcome the need of the world and enter into a life of unity and love It is the old truth He that loses his life shall find it

**Counter-Cultural Communities** Keith G. Jones,Ian M. Randall,2008-12-05 This book presents six ground breaking Master s degree dissertations that have been done in the area of Baptist and Anabaptist Studies through the International Baptist Theological Seminary IBTS Prague The focus is continental Europe with a particular emphasis on eastern Europe The material is largely culled from primary sources The topics covered include the Theology of Baptist Believers in Bulgaria 1920 1939 the Pentecostal Dilemma in the Finnish Baptist Union 1930 1953 Moldovan Baptists 1940 1965 the State and the Baptist Churches in the USSR 1960 1980 Baptist Mission Efforts in Bosnia Herzegovina and the Life and Convictions of Hans Meier 1902 1992 Most of these topics have never been covered in English before In the case of the studies of former Communist countries this kind of research has only been possible in the last decade *The Plough* ,1997 *Hell, Healing, and Resistance* Daniel Hallock,1998 No one knows the human cost of war better than those who were there In these accounts veterans take readers through this century s battle fields and back home revealing their inner scars and the ongoing suffering they and their families endure f

**The Moral Teachings of Jesus** David P. Gushee,2024-09-10 The growing movement of post evangelicalism highlights an opportunity to elevate and center the moral teachings of Jesus So many of those who identify as Christian intuitively know that their old version of faith is no longer working and they feel a theological vacuum David P Gushee has been a leader in recent years for those ready to move on to a more examined and robust faith Now in *The Moral Teachings of Jesus* Gushee examines forty teachings of Jesus drawn from all four New Testament Gospels to clarify exactly what Jesus said about the moral life **Ethics of Hope** Jurgen Moltmann,2013-01-26 For a time of peril

world renowned theologian J rgen Moltmann offers an ethical framework for the future Moltmann has shown how hope in the future decisively reconfigures the present and shapes our understanding of central Christian convictions from creation to New Creation **Church and Ethical Responsibility in the Midst of World Economy** Paul S. Chung,2013-04-25

Magisterial in scope and scrupulous in its investigation and attribution of sources *Church and Ethical Responsibility in the Midst of World Economy* will take its place as an important document that contributes much in terms of prophetic praxis it challenges those who are comfortably complacent and unwilling to be disturbed *The Future of God* Carl E.

Braaten,2016-10-19 A recent movement in modern religious thought believes that the place to start in theology is at the end eschatology At a critical time in history when many are unsure of the future of faith in a secular age here is a call for believers to participate in God s activity in the future tense The basic theme in these pages is the idea of the future in the language of Christian hope and in the interpretation of history The rediscovery of the role of eschatology in the preaching of Jesus and of early Christians says Dr Braaten has been one of the most important events of recent theological history

Eschatology has not always been taken seriously. Theologians have often defined it so that the dimension of the future was allowed to slip into an eternal present. God was thus viewed only in vertical terms as being above us. The author feels that this loss of hope in the future precipitated the crisis known as the death of God movement. In this book Dr Braaten joins those thinkers who are looking to eschatology as a point of departure for a total recasting of the Christian message. He presents a constructive and systematic outline of the theology of the future and puts forth an understanding of God shared with early Christianity as being ahead of us. The thrust of this theology of the future is an ethic of revolutionary change derived from the Christian vision of the kingdom of God. Christianity's eschatological faith is shown to be closely connected to the revolutionary concerns of the modern world both as the sponsor of its driving images and as a companion in the struggle for its realization. The final chapter turns to an ethic of revolution based on the politics of hope. *People of the Way* Kurt Struckmeyer, 2023-04-05. In first century Palestine the countercultural Jesus movement defied the social norms of the Roman Empire by creating alternative communities of shared life and goods in service to the poor. Jesus proclaimed an unconventional society that challenged systems of male domination, social inequality, economic disparity, and violence. This way of life defined Christianity for three hundred years until the emperor Constantine invited the church to help rule an empire and its countercultural lifestyle was replaced by a dogmatic belief system. In the postmodern secular world of the Global North, the shrinking church has lost its prophetic voice and has proven ineffectual in the face of evil and injustice. This book is a call to return to the countercultural Way of Jesus. It proposes a way forward through the creation of new communities of resistance, small cells of cultural nonconformity that conspire for justice and strive for peace in the world.

*Occupied Territories* Garth Hewitt, 2014-09-04. Legendary singer-songwriter Garth Hewitt has traveled throughout the world hearing the echoes of God on the margins of society and in the cracks of the world's empires. Here he collects those echoes into a unified voice calling for the Prince of Peace to reign from Bethlehem to the ends of the earth. *Anabaptist World USA* Donald B. Kraybill, C. Nelson Hostetter, 2001. Anchored on a database of 5,400 congregations, this book provides an authoritative overview of more than 60 Amish, Brethren, Hutterite, and Mennonite groups. Interpretative essays, graphics, photographs, group profiles, and state-by-state summaries make this a turn-of-the-century reference.
