Gods Sanctuary Meditations On The Tabernacle:

God's Sanctuary C. H. Raven,1991 God s Sanctuary is the result of many years interest in the study of the Tabernacle Over the years Bob Raven became increasingly uneasy about some of the accepted tabernacle teaching expressed in various books and models particularly in the finer details This led him to spend two winters in seclusion with only his Newberry Bible and a Strong s Concordance seeking to unravel some of its teaching **The life beyond the grave, a series of meditations** Richard Meux Benson,1885 **Majestic One** Larry Manley,2004-04 **An Exposition of the Old Testament ... temple In response to this longing God shares his ultimate mission in which his people play a part the expansion of Eden the temple of God s presence to all peoples throughout the earth The temple has always been a source of rich scholarship and theological reflection but what does it mean for the church s ongoing mission in the world Beale and Kim build a bridge from the world of biblical theology to our modern day life They help us to see clearly that the themes of Eden the temple God s glorious presence new creation and the mission of the church are ultimately facets of the same reality Hence from Eden to the New Jerusalem God s people are his temple on the earth the first fruits of the new creation God has always desired to dwell among us now the church needs to follow its calling to extend the borders of God s kingdom and take his presence to the ends of the earth
