Faith, Wholeness, and the  
Healing Miracles of Jesus

Bruce G. Epperly

Foreword by John B. Cobb Jr.

# Gods Touch Faith Wholeness And The Healing Miracles Of Jesus

**Bruce G. Epperly**

## **Gods Touch Faith Wholeness And The Healing Miracles Of Jesus:**

*God's Touch* Bruce Gordon Epperly, 2001-01-01 The mounting evidence of the interconnectedness of spirituality health and medicine suggests giving new attention to the healing ministry of Jesus Through a fresh reading of the Gospel narratives Bruce Epperly reveals the centrality of whole person healing within Jesus mission as teacher and social reformer and stresses that churches should seek to recover a healing ministry that touches both the spirit and the body *God's Touch* traces the links between Jesus approach to wholeness of mind body spirit and relationships and the practices of complementary and alternative medicine today     Angels, Mysteries, and Miracles Bruce G Epperly, 2017-08-14 There is a tendency among modern Christians to avoid comment on the idea of miracles or mysterious events that might indicate the direct intervention of God There is an even more pronounced belief that modern liberal or progressive Christians will avoid these ideas A God who is distant the source of everything is acceptable but the idea of supernatural activity is embarrassing at best There is virtually no room for theological discussions of angels demons and paranormal experiences Bruce Epperly is a process theologian and a leading thinker in progressive Christian theology and he believes we need to take another look at God and God's involvement in the universe in which we live Rather than finding ways to defend the intrusive interventions of a distant supernatural God in the traditional sense of the word miracle Bruce sees God as closer so close in fact that God is part of all events God providentially acts in all things not in terms of outside intervention but through ongoing natural interactions that change our lives and the world Join Dr Bruce Epperly as he explores a world of wonders in which is God uncomfortably and comfortingly subtly and actively present     Miracles : 2 Volumes Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports     **Messy Incarnation** Bruce G. Epperly, 2022-09-07 The incarnation is a central Christian doctrine Many books have been dedicated to attempting to understand its mystery and how it fits with the rest of Christian theology But what about the way this doctrine can and should impact the way we live Process theologian and pastor Bruce Epperly addresses this topic in this easy to read but challenging book Starting with a look forward in Advent and moving through the seasons of the Christian year and indeed of life he examines different

elements of both the story and the doctrine From expectation we move through the various messy ways in which God acts Christmas Epiphany Pentecost and the emerging kingdom of Christ This book is theology where it meets practice reflection put into practical action and ethics drawn from the deepest wells of the Christ story It will drive you deeper into scripture and spiritual growth from a variety of perspectives and sources reflecting the chasms crossed in the one very messy incarnation

**Spirits of the Lesser Gods** Rhonda McClenton, 2007-02 Reiki is an emerging adjunctive therapy that claims to provide physical and psychological healing as well as an experience of spiritual connection It is increasingly employed in counseling centers hospitals and even churches Reiki is believed by many to be a safe non invasive healing intervention that draws individuals towards God Reiki practitioners maintain that they imitate Jesus laying on of hands and claim that their praxis is essentially the same as the healing used by Jesus as well as by Buddha An ethnographic multi case study was performed comparing the experiences of nine individuals four who received Reiki therapy and five who received Christ based hands on healing The long interview format was employed The transcribed data were coded and analyzed for similar and distinct themes In addition a brief survey was utilized to determine the spiritual interests and involvement of each participant and the spiritual consequences of their healing experiences The findings indicate that Reiki healing is distinct from that which is depicted in the Bible Reiki appears to open up individuals to an energy based healing modality that is spiritual in nature but is not specifically Christian As reported by Reiki practitioners it is a spirituality which welcomes shamanism psychic healing clairvoyance spirit guides and a host of other metaphysical practices as individuals become more intimately involved In addition the research demonstrates that Reiki therapy over time can cause physical emotional and spiritual harm The writer contends that biblical healing which at its core is soteriological and dependent upon the ministry of the Holy Spirit heals mind body and spirit without harmful consequences

**Graduate Theological Education and the Human Experience of Disability** Robert C. Anderson, 2003 Create pathways in theological education and congregational practice for people with disabilities Graduate Theological Education and the Human Experience of Disability examines graduate schools of theology and their limited familiarity with the study of disability and the presence of people with disabilities in particular on their campuses Dubbed a missing note by one theologian this text offers critical research and illuminates new pathways for theology and practice in the community of faith Reviews of previous literature theology and practices illuminate how people with disabilities have historically been marginalized by the religious community Theologians people with disabilities and researchers offer suggestions for incorporating disability studies into theological education and religious life This text contains firsthand testimony from people with disabilities who are the necessary sources of wisdom for overcoming barriers By infusing education into existing theological curriculum seminaries may better prepare their students for leadership and ministry in their congregations People with disabilities number 18% of the population yet represent only 5 7% of congregational membership This book explores aspects of theology and disability such as the challenges faced by

theological schools that desire to improve both theological curriculum and facilities a review of literature that connects theology and disability from sources such as scripture history faith traditions and social theory the various ideologies that shape the way the human body is understood redefining normal in theological education an overview of critical boundaries that mark the limits and possibilities for theological inquiry about the human experience of disability creative concepts that religious communities may use to better include people with disabilities and their families how the religious community may benefit from the gifts talents and leadership of people with disabilities Graduate Theological Education and the Human Experience of Disability contains a reprint of Dr Harold Wilke s landmark 1978 article from Theological Education published by the Association of Theological Schools Dr Wilke born without arms was the theologian minister and scholar who first articulated the need to address the human experience of disability in both theological education and congregational life With extensive biographies and inclusive liturgies this innovative text is a valuable resource for seminary professors and leaders clergy and disability advocates

*Process and Pastoral Care* Bruce G Epperly, 2019-02-07 This concise book the sixth short guide on process theology and its practical implications by Dr Bruce Epperly applies process thought to the calling and activities of pastoral ministry Short and to the point as are all books in the Topical Line Drives series this text will provide pastors and others involved in caregiving ministries a new and adventurous way of thinking about and meeting the challenges of their vocation God is already present in the hospital room and even the funeral home You have the opportunity to experience the vision of what can happen when we discover that God is always opening up new possibilities empowering us to partner with God in healing the world and strengthening us for and comforting us in the difficult times of life Learn to connect more closely to the divine and the human to see more clearly and to participate more completely as God does A practical deeply theological and challenging guide to the adventure of pastoral care

Reiki Healing Touch Bruce G. Epperly, Katherine Gould Epperly, 2005 One of the first books to offer a broadened understanding of the spiritual depth of Reiki healing touch by examining it in the light of one of the world s enduring religions Explore the origins of Reiki and the Hebraic roots of Jesus own healing ministry and discover the use of Reiki in church hospital and hospice settings as well as in the context of the treatment of cancer chronic and terminal illness and death and bereavement Bruce and Katherine Gould Epperly also provide healing rituals and spiritual practices that will help practitioners consciously integrate the inner and outer healing journey

Healing Marks Bruce G Epperly, 2012-11-05 Bruce Epperly calls *Healing Marks* a very personal book as it comes from over thirty years of experiencing the healing stories of Jesus From his early years as a young college professor he sought to make sense of the growing interest in complementary and alternative medicine For seventeen years Bruce was a chaplain and professor at Georgetown University School of Medicine and was among the first to teach courses on spirituality and medicine at a major medical school While embracing Jesus healing ministry as a pastor professor reiki teacher and spiritual guide he has also wrestled with the meaning of Jesus healing ministry and God s role in healing and

sickness in a personal way as a pastor friend child spouse and parent in hospital rooms hospices gravesides and healing services I have heard testimonies about the power of God to cure illness but I have also sat at the bedside of dying friends and congregants who have done everything right according to the principles of their faith traditions and philosophies personal and intercessory prayers positive thinking and affirmations meditation and diet complementary medical treatments and visits to faith healers and energy workers along with the best modern medicine has to offer in treatment and palliation says Bruce Each chapter includes a spiritual practice related to the healing story being considered that is easily shaped for the reader's personal and spiritual needs Rev Epperly also includes questions and spiritual practices for group study and spiritual formation at the end of the book Chapter titles include Transforming Faith Forgiveness and Healing Healing Takes Time Healing Broken Spirits A Healing Lifestyle Healing in a Pluralistic Age and God Why am I Sick     The Analogy of Love Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians     Process Theology: A Guide for the Perplexed Bruce G. Epperly, 2011-03-24 This is an introductory guide to Process Theology for undergraduates As part of Continuum's Guide for the Perplexed series this text provides an accessible introduction to process theology aimed at nurturing the theological imagination of undergraduates pastors and interested laypersons It describes the major themes of process theology and relates them to the everyday lives and spiritual commitments of people today In addition to addressing traditional theological issues Epperly addresses cutting edge issues in theology and ethics such as pluralism and postmodernism matters of life and death science technology and genetics and emerging forms of Christianity This text is designed for seminary and university classes as well as congregational study It will help readers to overcome the obstacles created by the technical language often employed by process theologians Continuum's Guides for the Perplexed are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging or indeed downright bewildering Concentrating specifically on what it is that makes the subject difficult to grasp these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material     **Healing Worship:** Bruce G. Epperly, 2006-10-01 Healing Worship Purpose and Practice is a resource to enable pastors and other church leaders to integrate healing services into the total life of the church using a wholistic approach that connects healing liturgies with the theology pastoral care and social concerns of the church This book provides practical

tools for healing homilies and liturgies theological reflection on the healing ministry of the church pastoral self care and congregational health care ministries

**Jesus as Healer** Jan-Olav Henriksen ,Karl Olav Sandnes ,2016 Healings and miracles play a prominent role in the New Testament accounts of Jesus life and ministry In the Western Christian tradition however Jesus works of healing tend to be downplayed and understood as little more than a demonstration of his divine power In this book Jan Olav Henriksen and Karl Olav Sandnes draw on both contemporary systematic theology and New Testament scholarship to challenge and investigate the reasons for that oversight They constructively consider what it can mean for Christian theology today to understand Jesus as a healer to embrace fully the embodied character of the Christian faith and to recognize the many ways in which God can still be seen to have a healing presence in the world

**From a Mustard Seed** Bruce G. Epperly,Daryl Hollinger,2010-07-21 Small congregations can have beautiful worship In *From a Mustard Seed Enlivening Worship and Music in the Small Church* an experienced pastor professor and an experienced church musician provide a model for faithful and excellent worship in congregations that average 75 or fewer people in weekly worship While the limitations of small congregations are obvious to their members and leaders the possibilities for creative music and worship are often greater than we can imagine Epperly and Hollinger integrate theology spiritual formation and practical guidance for nurturing diverse inspirational and transforming worship in small congregations Grounded in a solid theology of worship they provide tried and true approaches to congregational music and singing worship planning liturgies that transform and healthy partnerships between pastors and church musicians God is present in small congregations and the authors help pastors church musicians and active laypersons awaken to God s activity in every aspect of worship and music They illuminate possibilities for opening to God in worship and music through their own stories the stories of congregations and their pastors practical counsel spiritual practices and theological reflection

*Holistic Spirituality* Bruce G. Epperly,2014-02-17 The book of James has gotten a bad rap amongst Christians especially modern protestants It s often considered not as theologically serious as the writings of Paul nor as gracious as the gospels For some it s too works oriented for others just a bit obscure Some have even questioned whether it is truly a Christian book Let s face it You re much more likely to see a seminary course on Romans or Galatians than on James or to hear a sermon for that matter Bruce Epperly doesn t agree with that perspective Not only does he think James has something important to say about the way we live as 21st century Christians just as it did for 1st century Christians but he also doesn t think James is in opposition to Paul He suspects the two apostles would have had no difficulty with each other s theology In this third volume of the Topical Line Drives series he aims to direct readers to the important message of this little book for contemporary Christians He provides a fresh orientation and focus to understanding the message Once you ve read his thoughts you ll likely never read James in the same way again Certainly you won t dismiss it

**The Hermeneutical Spirit** Amos Yong,2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture

are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context

**Disability and Christian Theology Embodied Limits and Constructive Possibilities** Deborah Beth Creamer, 2009-01-05 Attention to embodiment and the religious significance of bodies is one of the most significant shifts in contemporary theology In the midst of this however experiences of disability have received little attention This book explores possibilities for theological engagement with disability focusing on three primary alternatives challenging existing theological models to engage with the disabled body considering possibilities for a disability liberation theology and exploring new theological options based on an understanding of the unsurprisingness of human limits The overarching perspective of this book is that limits are an unavoidable aspect of being human a fact we often seem to forget or deny Yet not only do all humans experience limits most of us also experience limits that take the form of disability at some point in our lives in this way disability is more normal than non disability If we take such experiences seriously and refuse to reduce them to mere instances of suffering we discover insights that are lost when we take a perfect or generic body as our starting point for theological reflections While possible applications of this insight are vast this work focuses on two areas of particular interest theological anthropology and metaphors for God This project challenges theology to consider the undeniable diversity of human embodiment It also enriches previous disability work by providing an alternative to the dominant medical and minority models both of which fail to acknowledge the full diversity of disability experiences Most notably this project offers new images and possibilities for theological construction that attend appropriately and creatively to diversity in human embodiment

**Healing in the Bible** Frederick J. Gaiser, 2010-10-01 In the midst of an ongoing debate about health care what does the Bible say about healing Here a respected scholar reads biblical texts on health and healing with care and imagination engaging the reader in lively conversations with the text and with questions of contemporary theological and pastoral concern Gaiser offers close readings of fifteen key Old and New Testament passages considering their significance for the church s understanding of healing and its ministry today The book examines such

significant matters as God's role in healing the relation between sickness and sin healing and prayer God's healing and medical science and healing under the sign of the cross offering fresh insights for anyone interested in Christian views on healing

**Four Seasons of Ministry** Bruce G. Epperly, Katherine Gould Epperly, 2008-11-07 Ministers often find themselves caught in the day to day pressures of leading a congregation and yearn to experience the unfolding of their professional lives from a larger perspective Four Seasons of Ministry serves as a guide for what you will find on your ministerial journey and gives meaning to the routine and repetitive tasks of ministry Authors Bruce G and Katherine Gould Epperly each of whom has over 25 years of experience in various pastoral roles invite clergy to see their ministries in the present as part of a life long adventure in companionship with God their loved ones and their congregations There is a time and a season to every ministry Healthy and vital pastors look for the signs of the times and the gifts of each swiftly passing season but they also take responsibility for engaging the creative opportunities of each season of ministry Those who listen well to the gentle rhythm of God moving through their lives and the responsibilities and challenges that attend the passing of the years vocationally as well as chronologically will be amazed at the beauty and truth that shapes and characterizes the development of their ministries

Walking with Francis of Assisi Bruce G. Epperly, 2021-01-12 From a pilgrimage through the streets of Assisi to contemplative walks on the beaches near his home Bruce Epperly has pondered the questions of privilege prayer and social justice while walking with the teachings of Francis of Assisi From his roots in reformation traditions he has a deep understanding of the call Francis received to rebuild the church and the need for constant reformation not only in our personal lives but also in our society and in our religious institutions He knows that change comes from within from listening to the spirit of God as we engage in contemplative listening

Right here, we have countless books **Gods Touch Faith Wholeness And The Healing Miracles Of Jesus** and collections to check out. We additionally offer variant types and along with type of the books to browse. The agreeable book, fiction, history, novel, scientific research, as competently as various additional sorts of books are readily easy to use here.

### **Gods Touch Faith Wholeness And The Healing Miracles Of Jesus Introduction**

In today's digital age, the availability of Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gods Touch Faith Wholeness And The Healing Miracles Of Jesus versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books and manuals for download and embark on your journey of knowledge?

### **FAQs About Gods Touch Faith Wholeness And The Healing Miracles Of Jesus Books**

1. Where can I buy Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Gods Touch Faith Wholeness And The Healing Miracles Of Jesus book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Gods Touch Faith Wholeness And The Healing Miracles Of Jesus audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Gods Touch Faith Wholeness And The Healing Miracles Of Jesus books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
