Gods Glory In Salvation Through Judgment A Biblical Theology:

God's Glory in Salvation through Judgment James M. Hamilton Jr.,2010-11-04 In Exodus 34 Moses asks to see God's glory and God reveals himself as a God who is merciful and just James Hamilton Jr contends that from this passage comes a biblical theology that unites the meta narrative of Scripture under one central theme God's glory in salvation through judgment Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Canaanites God was glorified through both his judgment and mercy accorded in salvation to Israel The New Testament unfolds the ultimate display of God's glory in justice and mercy as it was God's righteous judgment shown on the cross that brought us salvation God's glory in salvation through judgment will be shown at the end of time when Christ returns to judge his enemies and save all who have called on his name Hamilton moves through the Bible book by book showing that there is one theological center to the whole Bible The volume's systematic method and scope make it a unique resource for pastors professors and students

What Is Biblical Theology? James M. Hamilton Jr.,2013-11-30 Is the Bible just a random collection of old stories or is there something more going on within the pages of Scripture Is it possible that the ancient books of the Old and New Testaments are part of a single unified story begun long ago but extending into our world today In this introduction to biblical theology professor James Hamilton orients Bible readers afresh to the overarching story line of Scripture helping Christians read and interpret the Bible as the biblical writers intended and as the early Christians read it Examining Scripture's key symbols patterns and themes Hamilton helps readers truly grasp and be transformed by the theology of redemption contained in God's Word

[40 Questions About Biblical Theology](#) Jason S. DeRouchie,Oren R. Martin,Andrew David Naselli,2020-11-24 An accessible survey of the meaning methodologies themes and applications of biblical theology To understand what the entire Bible teaches about any given subject we must practice biblical theology By surveying the whole canon of Scripture we can best discern what God has revealed about any particular issue But doing so requires answering a number of important questions What type of biblical theology will we choose What overall story does the Bible tell How should we understand the relationship between the Old and New Testaments How does our topic fit within salvation history How do we apply the truths we discover 40 Questions About Biblical Theology provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology Other vital topics the authors address include how to understand typology key themes in biblical theology and how Christians should relate to Old Testament promises Ideal for courses on biblical theology for pastors and for anyone who teaches or interprets Scripture 40 Questions on Biblical Theology will deepen your understanding and application of the whole counsel of God

Messiah This accessible introduction to the main point of the Bible traces the development of sixteen key themes creation covenant kingdom temple judgment and more from Genesis to Revelation showing how both the Old and New Testaments come together to declare a single unified message A concise primer to biblical theology this book helps readers trace God's unfolding plan of redemption throughout the Bible *God's Praise and God's Presence* Gabriele G. Braun, 2020-06-19 The main aim of this book is to provide an answer to the question is there a connection between God's people's praise and God's presence The central argument is that Scripture in both Testaments testifies to a correlation between human praise and divine presence This hypothesis has been investigated in the light of contemporary Christian worship culture and the ensuing need for further biblical studies which represents the background for this investigation The study achieves the above aim by applying biblical theology as a discipline and canonical and intertextual models as a method Participation and Covenant Dick Moes, 2024-03-13 In *Participation and Covenant* Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology **Shepherding God's Flock** Benjamin L. Merkle, Thomas R. Schreiner, 2019-03-21 A biblical historical theological and practical foundation for pastoral leadership Pastors have been entrusted with leading the people of God The shepherds of God's flock must protect them from and guide them through the many dangers believers face Although ultimately the Church is led by Christ pastors are to provide godly examples of what it means to be a follower of the Lord Consequently who leads the church the type of authority they are given how they relate to one another to whom they are accountable and how they are selected are of utmost importance to the life and health of God's people This book provides the biblical historical theological and practical foundation of the crucial task of leading God's people That God May Be All in All Ryan L. Rippee, 2018-03-02 Christology and Pneumatology have long been major preoccupations for theologians and rightly so but the work of God the Father has been surprisingly neglected Through a biblical and exegetical study of the Father's person and work Paterology this book argues that among the persons of the Trinity the Father is the initiator of all divine activity Furthermore it is in the context of a loving eternal relationship with the Son and Spirit that the Father has

planned and purposed all things creating through the Son and by the Spirit promising and accomplishing redemption through the sending of the Son and the Spirit and perfecting salvation by bringing about a new heavens and new earth through his Son and Spirit The only proper response is a Trinitarian shaped life of worship that worships our Triune God God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen,2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God s glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ s Second Coming and the glorification of his people Addresses several of today s great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God s glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches 40 Questions About Church Membership and Discipline Jeremy Kimble,2017 Addresses forty of the most common and thorny questions about church life Does church membership mean more than simply joining a social group Does the church have a responsibility to discipline its members and if so what does that look like Recognizing the many puzzling questions about the critical role of the church in the life of believers Jeremy Kimble addresses forty key points Each section considers questions of theology ministry and practicality such as Is there a New Testament precedent for membership How does membership relate to baptism and communion Who should become a member How is discipline related to discipleship Should a believer associate with someone under church discipline Like the other volumes in the 40 Questions Answers Series this book raises and clearly answers the most common and difficult questions that church leaders and members have With succinct chapters this is an eminently practical resource for any church leader elder board or new member seeking a foundational understanding of how the church should function **The Son of God and the New Creation** Graeme

Goldsworthy, 2015-06-15 Truly this was the Son of God Matthew 27 54 The theme of divine sonship stretches across the pages of the Bible from Adam in the garden of Eden through the nation of Israel and King David and ultimately to Jesus Christ in the New Jerusalem the Son of God par excellence In this volume renowned biblical scholar Graeme Goldsworthy shows what Christ's fulfillment of the divine sonship motif means for all who are sons and daughters of God Part of the Short Studies in Biblical Theology series **Reading Revelation Missiologically** Abeneazer G. Urga, Edward L. Smither, Michael P. Naylor, 2025-10-28 Through Global Mission to God's Throne Few works on Revelation emphasize its missional element Reading Revelation Missiologically aims to fill that gap showing that this final book of the Bible is deeply missional calling God's people to witness worship and endure in the face of suffering As the fourth volume in the Reading Missiologically series following Hebrews 1 Peter and James it highlights Revelation's call to faithfulness perseverance through suffering and global worship of the Lamb Structured around the missionary motive why message what and methods how this volume explores Revelation's theology of mission Revelation is replete with the theme of God's love for the nations and it calls God's people to live as a foretaste of the coming new creation Global voices offer fresh insights for pastors scholars and students Rather than a puzzle to decode Revelation is presented as a powerful missionary declaration Contemplating God with the Great Tradition Craig A.
