**Gods, Graves, and Scholars** C. W. Ceram,1955 **Gods, graves, and scholars** C. W. Ceram,1954 **The History of Archaeology** Paul Bahn,2014-01-10 The History of Archaeology An Introduction

provides global coverage with chapters devoted to particular regions of the world The regional approach allows readers to

understand the similarities and differences in the history of and approach to archaeology in various parts of the world Each chapter is written by a specialist scholar with experience of the region concerned Thus the book focuses on the earliest beginnings of archaeology in different parts of the world and how it developed from being a pastime for antiquarians and collectors to a serious attempt to obtain information about past societies Woven into the text are various boxes that explore key archaeologists sites and important discoveries in the history of archaeology enriching the story of the discipline s development With such far ranging coverage including an exploration of the little covered development of Russian and Chinese archaeology The History of Archaeology is the perfect introduction to the history of archaeology for the interested reader and student alike

Archaeologists in Print Amara Thornton, 2018-06-25 Archaeologists in Print is a history of popular publishing in archaeology in the nineteenth and twentieth centuries a pivotal period of expansion and development in both archaeology and publishing It examines how British archaeologists produced books and popular periodical articles for a non scholarly audience and explores the rise in archaeologists public visibility Notably it analyses women s experiences in archaeology alongside better known male contemporaries as shown in their books and archives In the background of this narrative is the history of Britain s imperial expansion and contraction and the evolution of modern tourism in the Eastern Mediterranean and Middle East Archaeologists exploited these factors to gain public and financial support and interest and build and maintain a reading public for their work supported by the seasonal nature of excavation and tourism Reinforcing these publishing activities through personal appearances in the lecture hall exhibition space and site tour and in new media film radio and television archaeologists shaped public understanding of archaeology It was spadework scripted The image of the archaeologist as adventurous explorer of foreign lands part spy part foreigner eternally alluring solidified during this period That legacy continues undimmed today Praise for Archaeologists in Print This beautifully written book will be valued by all kinds of readers you don t need to be an archaeologist to enjoy the contents which take you through different publishing histories of archaeological texts and the authors who wrote them From the productive partnership of travel guide with archaeological interest to the women who feature so often in the history of archaeological publishing via closer analysis of the impact of John Murray Macmillan and Co and Penguin this volume excavates layers of fascinating facts that reveal much of the wider culture of the late nineteenth and twentieth centuries The prose is clear and the stories compulsive Thornton brings to life a cast of people whose passion for their profession lives again in these pages Warning the final chapter on Archaeological Fictions will fill your to be read list with stacks of new titles to investigate This is a highly readable accessible exploration into the dynamic relationships between academic authors publishers and readers It is in addition an exemplar of how academic research can attract a wide general readership as well as a more specialised one a stellar combination of rigorous scholarship with lucid pacy prose Highly recommended Samantha Rayner Director of UCL Centre for Publishing Deputy Head of Department and Director of Studies Department of Information Studies UCL *Cataloguing for*

*School Libraries* Margaret B. Scott, Doris P. Fennell, 2014-05-23 Cataloguing for School Libraries A Guide to Simplified Form presents the rules based on the Anglo American Cataloguing Rules for the cataloging of library materials The book covers standard procedures and some proposed modifications in the cataloging of both print and non print library materials Subtle variations to standard procedures are made to ease the burden of catalogers and simplify the use of card catalogs Details on cataloging from the preparation of the author entry description of the work adding of notes tracing of catalog cards and filing are thoroughly discussed Practicing librarians and students of library science will find this text very useful      **Ancient Mesopotamia** Don Nardo, 2009-03-17 From the subjects of adoption to Zoroastrianism this encyclopedia treats readers to numerous entries on the life and times of ancient Mesopotamia Readers will learn important terms read biographies of central figures and analyze brief narratives of pivotal events that transformed Mesopotamia
