Making Congregational Music Local in Christian Communities Worldwide Monique M. Ingalls, Muriel Swijghuisen Reigersberg, Zoe C. Sherinian, 2018-04-09 What does it mean for music to be considered local in contemporary Christian communities and who shapes this meaning Through what musical processes have religious beliefs and practices once foreign become indigenous How does using indigenous musical practices aid in the growth of local

Christian religious practices and beliefs How are musical constructions of the local intertwined with regional national or transnational religious influences and cosmopolitanisms Making Congregational Music Local in Christian Communities Worldwide explores the ways that congregational music making is integral to how communities around the world understand what it means to be local and Christian Showing how locality is produced negotiated and performed through music making this book draws on case studies from every continent that integrate insights from anthropology ethnomusicology cultural geography mission studies and practical theology Four sections explore a central aspect of the production of locality through congregational music making addressing the role of historical trends cultural and political power diverging values and translocal influences in defining what it means to be local and Christian This book contends that examining musical processes of localization can lead scholars to new understandings of the meaning and power of Christian belief and practice

(White)Washing Our Sins Away Deborah Justice,2022-08-01 What if simply changing musical styles could resurrect social power and religious vitality By the early 1990s Christianity was losing ground nationally and mainline Protestants were trending even whiter and older than America's overall demographic trajectory The churches knew they needed to diversify Yet many mainline churches focused their energies on the so called Worship Wars intense aesthetic and theological controversies running through much of White Christian America Historically churches had only supported one musical style now many mainline Protestant congregations were willing to risk internal schism to support both Contemporary worship centered around guitars praise bands and choruses and Traditional worship with its pipe organs chancel choirs and hymns Surely they thought musical diversity would broadcast tolerance and bring in new members perhaps it would even help them regain their historically central role in American society Based on years of ethnographic research White Washing Our Sins Away explores how American mainline Protestants used internal musical controversies to negotiate their shifting position within the nation's diversifying religious and sociopolitical ecosystems
