God Does Not Foreclose The Universal Promise Of Salvation:

A God of Many Understandings Todd Miles, 2010-10-01 Western Christianity's interaction with world religions used to be for the most part overseas. Today religious others often live next door. At a changing time when one public prayer spoken during the 2009 U.S. presidential inauguration festivities was addressed to O God of our many understandings, the evangelical Christian church should do more than simply dismiss non-Christian religions as pagan without argument or comment. The Church needs a theology of religions that is Christ-honoring, biblically faithful, intellectually satisfying, compassionate, and that will encourage Spirit-powered mission. Oregon-based theology professor Todd L. Miles writes to that end in *A God of Many Understandings*, attempting as the scholar Veli-Matti Kärkkäinen puts it to think theologically about what it means for Christians to live with people of other faiths and about the relationship of Christianity to other religions. Renovating Holiness Thomas Jay Oord, Joshua Broward, 2015-02-03 This book is a call for change. Even more, it calls for open conversation about change. For too long many in the Church of the Nazarene have considered the doctrine of holiness off-limits, a sacred cow impervious to all forces of cultural modification and theological renewal. It's time for a real change because the church needs renovation. These 100 essays from Millennial and Xer leaders explore how holiness might be understood and lived today. **Will All be Saved?** Laurence Malcolm Blanchard, 2015-04-01 This book provides a survey and critical assessment of the doctrine of universal salvation in contemporary western theology within the context of the historic development of the doctrine. *YESHUA, THE CRUCIFIED SERPENT* Rowland Stenrud, 2012-11-29 It was the atheist Jean Paul Sartre who once said that Hell is other people. Rowland Stenrud's *Yeshua the Crucified Serpent* is about how mankind's savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God. This book is about the concept and practice of human and divine love. The words of Paul in 1 Corinthians 13:1-13, the Bible as a whole, and the reader's life experience will help in defining this. The author reviews what he knows about the concept and its related precepts and brings them to bear in this book. God himself is love, which should tell us how mysterious a thing love is. To acquire this ability to love, one must suffer in union with the suffering Christ. Salvation, pure and simple, is God delivering each one from the inability to love other human beings and the Creator Himself. The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus. In his loving obedience to the Father, Jesus nailed this serpent to the cross. *Yeshua the Crucified Serpent* attempts to show that the question of evil and suffering in the world is answered by Yahweh's eventual success in saving all of mankind. The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach. A few verses may support these unbiblical doctrines, but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses. Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole. These unbiblical doctrines followed by the correct biblical teaching are 1

Sometime in the distant past a large number of God's angels rebelled against Him becoming what are called devils or demons whose leader is known as Satan or Lucifer The Bible teaches that the only agent of evil in the universe is man's heart 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God's promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus's faith in and love for the Father that is the instrument of our salvation 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish 6 Satan and the sins of men are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God's work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsaved

Under the Oak Tree Ronald J. Allen, John S. McClure, O. Wesley Allen Jr., 2013-11-06 Two trends in the early twenty first century intersect to give this volume immediate relevance 1 The emerging postmodern ethos in North America is calling into question many things we have taken for granted including the purposes of the church and 2 our time is increasingly fractious as groups with distinct worldviews become polarized and often antagonistic Eleven noted contributors join a growing current that sees conversation as an image to refresh our thinking about the nature and purpose of the church and as a process in which individuals and communities with different perspectives come together for real understanding Under the Oak Tree employs the image of Sarah and Abraham greeting three visitors under the Oaks of Mamre as an image for the church as a community of conversation a community that opens itself to the otherness of the Bible voices in history and tradition others in the contemporary social and ecological worlds Furthermore the book shows how conversation can lead the church to action The book takes a practical approach by exploring how conversation can shape key parts of the church's life Topics include preaching worship formation evangelism pastoral care mission and ecumenism social witness and the relationship of Christianity to other religions Foundational chapters consider God as conversational the church as community of conversation and the minister as conversation leader

The Negro's Church Benjamin E. Mays, 2015-08-04 Benjamin E Mays 1894 1984 was President and Professor Emeritus of Morehouse College **The Gagging of God** D. A. Carson, 2009-09-01 The Gold Medallion Award winning book that

presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism. A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism. This isn't unique to secular culture. Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism. What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness. It's no secret that the contemporary challenges to Christianity are complex and serious. Yet far from simple fear mongering or cultural warmongering, *The Gaggling of God* takes a hard look at the background and intricacy of pluralism, postmodernity and hermeneutics and equips thoughtful Christians to have intelligent, culturally sensitive and passionate fidelity to the gospel of Jesus Christ. In his contemplative, even handed approach, Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface. It invites Christians to grapple responsibly with urgent questions of biblically grounded theology, spirituality and the defining lines of Christianity along with its range of challenges from without and within. *The Gaggling of God* offers an in depth look at the big picture, shows how the many ramifications of pluralism are all parts of a whole and provides a systematic Christian response.

[The Story That Chooses Us](#) George R. Hunsberger, 2015-04-09 Over the course of several decades, missiologist George Hunsberger has written numerous essays on crucial themes for the church's recovery of its missional identity and practice. *The Story That Chooses Us* brings these essays together for the first time. The book as a whole presents a composite sense of the missional identity and faithful witness to which the church is called in contemporary Western society. Hunsberger engages with well known missiologist Lesslie Newbigin throughout his work as he carefully discerns biblical and theological roots for a contemporary vision of missional theology. The recurring themes in Hunsberger's essays provide both theological mooring and practical guidance for churches following Christ on the missional path.

The Gift of God Is Eternal Life Steven H. Propp, 2016-12-28 According to Christian doctrine, what happens to those who have died? While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious, unending torment in hell, there are other Christians who believe in alternatives: that hell is simply a separation from God, that the lost are simply annihilated and not subject to torment, or that actually in the end all will be reconciled to God and live in heavenly glory. *The Gift of God Is Eternal Life* explores a five century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories. Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists preached them in the new and growing American republic, these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism. Do infants who die prior to an age of accountability receive salvation and are those who have never heard the Christian message simply doomed? What about loved ones who die without having embraced the Christian gospel or those who believe in less traditional

Christian dogmas and institutions The Gift of God Is Eternal Life can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife but in their own lives here and now

Sense and Nonsense about Heaven and Hell Kenneth D. Boa, Robert M. Bowman Jr., 2009-05-26 Thinking Clearly and Biblically about Eternity Afterlife and Death Did you know that the original biblical languages use several words for heaven and hell that mean different things Did you know that there are different beliefs about how many heavens and hells there are To make matters still more confusing other religions and philosophies have contributed their own ideas to the mix until it's hard to separate sound biblical teaching from speculation falsehood and folklore Sense and Nonsense about Heaven and Hell by Kenneth Boa author of spiritual formation bestseller Conformed to His Image helps you cut through the clutter to see what the Bible really reveals about heaven and hell salvation and judgment In this book you'll learn Why Jesus is the only means of understanding heaven or hell Different biblical words for heaven and hell and what they likely meant to the authors who wrote them A biblical understanding of whether the fires of hell are literal or figurative What we can and can't know about heaven from what's been revealed in Scripture A better understanding of God's judgment who will go where and why Get ready for some surprises This book will help you set aside your preconceptions and pierce through the myths and misinformation to gain an accurate truly biblical perspective on heaven and hell

A Grammar of Christian Faith Joe R. Jones, 2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the

Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation

Evangelism and the Openness of God Vaughn W. Baker, 2012-12-18 In *Evangelism and the Openness of God* Vaughn Baker argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Open theism affirms an ontology of love as opposed to power and it focuses on God's kenosis in creation allowing for the authentic freedom of creation influenced by divine persuasion God's genuine temporal relationship with creation one that is open synergist and non coercive provides a new perspective for evangelistic activity In this volume the author has made a valuable contribution to the integration of new developments in theology and evangelism

Mision en el camino Charles E. Van Engen, 2019-02-28 Durante los pasados cincuenta años el nfasis sobre la prctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teología de la misión Sin embargo en las últimas décadas teólogos y misioneros de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teológicas que fundamentan la obra misionera En *Misión en el Camino* Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teología de la misión Charles Van Engen en este volumen aborda numerosos temas misionológicos centrales Examina la cuestión de construir teologías en contextos específicos tales como en la ciudad También nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes Hace un delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el carácter de Cristo sin ser arrogantes y triunfalistas Echa una mirada al impacto que la modernidad y la posmodernidad están teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovación de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros días Explora los roles cambiantes de misioneros y ministros en iglesias jóvenes y levanta preguntas difíciles relacionadas con la unidad de la iglesia en medio de su proliferación diversidad y fragmentación de carácter global Son de excepcional valor la manera en que Van Engen traza la historia de la discusión reciente sobre cada uno de estos asuntos y la riqueza de fuentes bibliográficas que nos presenta para más estudio Igualmente importantes son las repuestas que ofrece a estas cuestiones repuestas que nos ayudan a movernos más allá de los caminos sin salida que tanto caracterizan nuestro pensamiento actual Tomado del Prólogo escrito por Pablo Hiebert

Relational Discipleship Brian Craig Drurey, 2017-03-28 God is waiting for each of us to return home In fact God is already out in the world searching and inviting each person to take the journey back to God's house

Relational Discipleship Moving Back Home with God approaches discipleship from a fresh perspective and intentionally draws on biblical principles and examples of discipleship In this approach the metaphor of a house is used to describe our journey back to God Hospitality plays a key factor in how discipleship from this perspective warmly calls each person forward in each step Other modes of discipleship are solely focused on transformation of the disciple Here in this model the transformation of the discipler must occur first Then the discipler can be a warm host helping other travelers on the path to God s house Join in the journey today and see how Relational Discipleship offers the call to move back home with God

Living Grace Dr. Manfred Marquardt, Dr. Walter Klaiber, 2002-01-01 Living Grace is the most comprehensive expression of systematic theology for United Methodism to appear in the 1990 s Its authors Bishop Walter Klaiber and Dr Manfred Marquardt are leading theologians of continental European United Methodism Their work meets the long felt need to provide partners in ecumenical dialog a clearer exposition of Methodism s theology as founded upon biblical witness apostolic heritage the Protestant Reformation and the Wesleyan Revival The authors concede that Methodists are often regarded more as specialists in evangelization ecclesial organization or social engagement than as representatives of a cogently articulated theology Further United Methodists today are frequently at the forefront of facilitating interchurch cooperation in worship and social outreach It is the authors hope that a clearer exposition of our common understanding could offer a foundation upon which the vital Wesleyan accent could better direct the Christian witness we are offering in the world Their response to the challenge has produced a thoughtful attempt to find a solid theological basis for our identity as a church that will not only accent our distinctiveness but will also assist other faith communities to articulate their profiles of faith In this first English edition the work has been adapted for the American historical and social milieu As such it becomes a pathbreaking effort to articulate for our American constituency the global dimensions of a United Methodist theology in which the American church is increasingly called to participate Four emphases of the book are Responsible Proclamation Basics of a UMC theology Universal Salvation Personal Faith and Fullness of Christian Life and the Reality of Love
