Patience—A Theological Exploration Paul Dafydd Jones, 2022-11-17 What does it mean to exercise patience What does it mean to endure to wait and to persevere and on other occasions to reject patience in favor of resistance haste and disruptive action And what might it mean to describe God as patient Might patience play a leading role in a Christian account of God s creative work God s relationship to ancient Israel God s governance of history and God s saving activity The first instalment of Patience A Theological Exploration engages these questions in searching imaginative and sometimes surprising ways Following reflections on the biblical witness and the nature of constructive theological inquiry its interpretative chapters engage landmark works by a number of ancient medieval modern and contemporary authors disclosing both the promise and peril of talk about patience Patience stands at the center of this innovative account of God s creative work God s relationship with ancient Israel creaturely sin scripture and God s broader providential and salvific purposes

The Holy Spirit Christopher R. J. Holmes, 2015-10-06 Who is the Holy Spirit and how does the Spirit come to be in relation to the Father and the Son What is the mission of the Spirit and where does it come from Chris Holmes takes up the questions surrounding the Spirit s procession and mission with the help of three of the church s greatest teachers Augustine Thomas Aquinas and Karl Barth Drawing on their engagements with the

Fourth Gospel Holmes presents an account of the Spirit's identity origin and acts to show how the acts of the Spirit derive from the Spirit's life in relation to Father and Son and the extent to which the Spirit's mission testifies to the Spirit's origin Holmes presents a way forward for pneumatology Housed within the doctrine of the Trinity pneumatology's joyful task is to describe the Spirit's acts among us in light of their source in the Spirit's acts in God The end of this inquiry is our beatitude knowledge of the Trinity that yields to love of the Trinity

ABOUT THE SERIES New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer's Studies in Dogmatics this series provides thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers

Faith Speaking Understanding Kevin J. Vanhoozer, 2014-09-19 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book The Drama of Doctrine to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine Written in an accessible and engaging style Faith Speaking Understanding sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers

understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together *The Trinity and the Religions* , Loe Joo Tan,2018-09-15 Will the followers of other religions who have not heard of the gospel be saved Since the Second Vatican Council the Catholic church has been grappling with this question culminating in a recent document Dominus Iesus in 2000 In the post DI climate the British theologian Gavin D Costa has been described as a representative post DI theologian of religions And with good reason since other theologians such as Jacques Dupuis whose work along the lines of neo Rahnerianism have been curtailed by DI D Costa s work has spanned the past three decades and is aimed at developing a theology that echoes developments within the Catholic church s efforts to grapple with the existence of other religions In doing so he has appropriated the doctrine of the Trinity by reasoning it provides the very resources for interacting with Others and developed a form of Trinitarian inclusivism Based on the work of patristic theologians such as Lewis Ayres and Michel Barnes and their conception of a Pro Nicene theological matrix this book is an attempt to assess whether D Costa s utilization of trinitarian resources for contemporary concerns is faithful to the tradition The book concludes that while there is much to commend in D Costa s system there remain some features not fully consonant with classical Trinitarianism Soteriology: Tommy Rodriguez,2017-11-15 THIS SINGLE PERSPECTIVE ONENESS THEOLOGICAL Argument was systematically written with the sole purpose of providing Biblical truth better understanding and clarity as well as Divine revelation to all individuals with regard to an extremely misunderstood subject matter Soteriology The Doctrine of Salvation Now in achieving this objective I have chosen to utilize a simple but yet in depth approach of the Word of God In short several non contradictory non argumentative Scriptures have been utilized in order to provide whatever is useful and necessary in achieving complete understanding of this grossly misunderstood subject matter With this said I would like to submit the following thesis statement as the central assertion of this theological paper Despite what Christianity in general affirms Water baptism in Jesus name as well as Fire baptism with the gift of The Holy Ghost are both essential for the process of Sanctification leading to complete Biblical salvation Glorification The general presupposition then rests solely upon the following Claim Christianity is the faith doctrine system and practice of the religion originally established by Jesus Christ on The Day of Pentecost in A D 33 that has been carried over via Continuationism False doctrine then is to be considered to hold to any other form of faith doctrine system and practice that is contrary to Oneness Apostolic Pentecostal Christianity With this said then upon further examination of Scripture the viewpoint of Secular Christianity so called Orthodoxy Christianity Catholicism The Church of Jesus Christ of Latter day Saints Jehovah s Witnesses etc is proven to be laden with numerous Scriptural inconsistencies Now in doing my own Biblical research I have come to find much error that has been taught within other religious denominations as being truth unfortunately Now contrary to standard expository writing guidelines it is my professional opinion that this has

occurred due to a lack of Biblical understanding as well as faulty Biblical research on the part of the religious leaders of these religions causing sadly enough improper hermeneutical and exegetical doctrinal teaching regarding The Plan of Salvation With this said this Single perspective Oneness Theological Argument will be presented from a purely Apostolic Doctrinal perspective God s perspective As you carefully read and examine this Oneness Theological Thesis I ask that you sincerely pray seeking after The Wisdom of God asking God to reveal His truth and to provide complete understanding of this profound subject matter But most importantly to reveal the Godhead and the Divine ordinance as well as the spiritual significance of Water baptism in Jesus name and Fire baptism with the gift of The Holy Ghost with the initial evidence of speaking in other tongues as the Spirit gives the utterance as being the true Biblical stand regarding being Born again as clearly described within John 3 3 5 and Acts 2 38 *Jonathan Edwards and Justification* Josh Moody,2012 Five renowned Edwards scholars make a credible case for Jonathan Edwards s doctrine of justification to be solidly Reformational while also addressing some of the contemporary discussions on justification *Karl Barth in Conversation* W. Travis McMaken,David W. Congdon,2014-02-18 Karl Barth was an eminently conversational theologian and with the Internet revolution we live today in an eminently conversational age Being the proceedings of the 2010 Karl Barth Blog Conference Karl Barth in Conversation brings these two factors together in order to advance the dialogue about Barth s theology and extend the online conversation to new audiences With conversation partners ranging from Wesley to i ek from Schleiermacher to Jenson from Hauerwas to the Coen brothers this volume opens up exciting new horizons for exploring Barth s immense contribution to church and world The contributors who represent a young new generation of academic theologians bring a fresh perspective to a topic the theology of Karl Barth that often seems to have exhausted its range of possibilities This book proves that there is still a great deal of uncharted territory in the field of Barth studies Today more than forty years since the Swiss theologian s death the conversation is as lively as ever *Beyond Male and Female?* Sam Ashton,2023-09-21 In this incisive work Sam Ashton provides a compelling consistent and erudite argument for a foundational approach to the matter of sexual difference drawing on biblical and doctrinal material and using resources in their original languages He tracks and traces the sexed body as it moves from creation through the fall to redemption now and final consummation not yet In doing so Ashton presents what is perhaps the strongest case that can be made for male and female He created them Each chapter privileges biblical exegesis drawing upon figures in church history notably Augustine and Aquinas as and when they illumine Scripture By doing so the book considers the difficulty presented to sexual dimorphism by the phenomenon of intersex Ashton seeks to develop an understanding that is generous inclusive and affirming so he works carefully through the writings of Thatcher Song and Cornwall in a way that invites engagement and dialogue With the complete divine drama in view the book offers synthetic judgments about what remains essential for the structure of the sexed body as it travels through history and what may be accidental to the sexed body s direction within a particular theo dramatic act Ashton concludes by considering ways

to transition from dogmatic judgments about intersexuality to the moral pastoral care of concrete intersex individuals briefly thinking about the complex matter of marriage *Evangelical Theology, Second Edition* Michael F. Bird, 2020-10-20 Gospel Centered Theology for Today Evangelical Theology Second Edition helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is accessible rigorous and balanced According to author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Relief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world **Karl Barth's Theology as a Resource for a Christian Theology of Religions** Sven Ensminger, 2014-08-28 This book uses Karl Barth's theology as a resource for Christian theology of religions For this purpose it examines Barth's theology under the doctrinal aspects of revelation revelation and religion theological anthropology and election addressing questions such as the possibility of and context for revelation Barth's understanding of religion the theological approach to the human being and soteriology Furthermore Barth's thought is put into conversation with other approaches in the field of theology of religions notably Karl Rahner's inclusivism and John Hick and the pluralist paradigm It is shown that Barth's theological system as a whole can serve as a resource for the Christian approach to and interaction with those of other faiths or no faith at all This is achieved through maintaining a balance between the commitment to the own faith and the openness to the sovereignty of God impacting the whole of creation Central to Barth's approach is the challenge to the Christian community to see their presuppositions challenged in the most unexpected circumstances while looking beyond human categories to affirm the dignity bestowed upon all of humanity through the divine Yes in the person Jesus Christ Barth's theology with its starting point in the person of Jesus Christ is advocated as a framework for the members of the Christian community as they live alongside those with a different faith from their own **Engaging the Doctrine of Creation** Matthew Levering, 2017-07-18 Distinguished scholar Matthew Levering examines the doctrine of creation and its contemporary theological implications critically engaging with classical and modern views in dialogue with Orthodox and Reformed interlocutors among others Moving from the Trinity to Christology Levering takes up a number of themes pertaining to the doctrine of creation and focuses on how creation impacts our understandings of both the immanent and the economic Trinity He also engages newer

trends such as ecological theology Andrew Fuller and the Search for a Faith Worthy of All Acceptation David Mark Rathel,2024-08-22 The eighteenth century English minister Andrew Fuller lived a consequential life debating noteworthy contemporaries such as Thomas Paine and contributing to the pioneering international work of William Carey However his soteriology remains his most significant theological contribution Fuller explored the role that human agency plays in salvation s reception and he offered substantive theological proposals that many religious historians now credit with advancing the Evangelical Revival Fuller s work was both traditional and creative He sought faithfulness to the broader Protestant tradition but developed that tradition in unique and contextually relevant ways Despite Fuller s influence much research into his life and work remains Andrew Fuller and the Search for a Faith Worthy of All Acceptation examines heretofore underutilized primary sources related to Fuller s theological development It attends to neglected texts produced by Fuller s opponents and mentors Analysing these sources provides a fresh reading of Fuller s historical setting one that contextualizes his theology and illuminates his constructive work on faith as a human response to the Gospel This new interpretation allows scholars to discern more accurately the concepts that animated Fuller the persons he sought to refute and the sources on which he relied This interpretation of Fuller challenges assumptions in contemporary scholarship and raises new questions for further research Jonathan Edwards Oliver D. Crisp,Kyle C. Stobel,2018-02-20 Student friendly intro to one of America s most fascinating theological minds Jonathan Edwards 1703 1758 has long been recognized as one of the preeminent thinkers in the early Enlightenment and a major figure in the history of American Christianity In this accessible one volume text leading Edwards experts Oliver Crisp and Kyle Stobel introduce readers to the fascinating and formidable mind of Jonathan Edwards as they survey key theological and philosophical themes in his thought including his doctrine of the Trinity his philosophical theology of God and creation and his understanding of the atonement and salvation More than two centuries after his death theologians and historians alike are finding the larger than life Edwards more interesting than ever Crisp and Stobel s concise yet comprehensive guide will help students of this influential eighteenth century revivalist preacher to understand why Sanctified by Grace Kent Eilers,Kyle C. Stobel,2014-06-19 Books on the Christian life abound Some focus on spirituality others on practices and others still on doctrines such as justification or forgiveness Few offer an account of the Christian life that portrays redeemed Christian existence within the multifaceted and beautiful whole of the Christian confession This book attempts to fill that gap It provides a constructive specifically theological interpretation of the Christian life according to the nature of God s grace This means coordinating the Triune God his reconciling justifying redemptive restorative and otherwise transformative action with those practices of the Christian life emerging from it The doctrine of the Christian life developed here unifies doctrine and life confession and practice within the divine economy of grace Drawing together some of the most important theologians in the church today Sanctified by Grace achieves what no other theological text offers a shared work of dogmatic theology oriented to redeemed Christian existence

The Transfer of Sin G.A. van den Brink, 2024-12-16 According to the apostle Paul Christ was made sin What does this mean can sin be transferred Was Christ punished At the end of the 17th century in the so called Third Antinomian Controversy English and Dutch Reformed theologians discussed the concept of imputation in its interrelationship with forgiveness punishment and justice This study helps you to understand their complex and fascinating theological and philosophical reflections Because these same themes had already been extensively discussed in the preceding century in the context of debates against Socinianism the Antinomian Controversy is framed within an interconfessional and international context highlighting the significance of Socinians and Hugo Grotius

Molnar, 2017-02-23 Divine Freedom and the Doctrine of the Immanent Trinity is widely acclaimed by scholars in the field of Christian systematic theology Molnar's quest to place the doctrine of the immanent Trinity on the agenda of the Christian doctrine of God has proven to be a signal contribution to the debate in contemporary Christian theology The material in this second edition has been thoroughly updated it contains a new preface and a new introduction as well as a revised bibliography The book includes a brand new chapter titled Divine Freedom Revisited which addresses those questions that have arisen in connection with Molnar's original presentation of the divine freedom Molnar revisits here his discussion of the Logos Asarkos the theologies of Karl Rahner and Wolfhart Pannenberg He sheds new light on Rahner's and Torrance's discussions of the Resurrection and incorporates modern discussions by contemporary theologians to offer new insights into Eberhard Jüngel's thinking
