Understanding Jonathan Edwards Gerald R McDermott, 2009 This title is an introduction to Jonathan Edwards 1703 58 It looks at subjects which Edwards considered vitally important such as revival Bible typology aesthetics literature and preaching philosophy and world religions God's Glory Alone---The Majestic Heart of Christian Faith and Life David VanDrunen, 2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to

live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be inspired by the conviction that all glory belongs to God Turns to the biblical story of God's glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ's Second Coming and the glorification of his people Addresses several of today s great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God's glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches A Reader's Guide to the Major Writings of Jonathan Edwards Nathan A. Finn, Jeremy Kimble, 2017-11-15 Jonathan Edwards widely considered one the most important theologians in American history has influenced generation after generation with his transcendent vision of our great and glorious God But reading his writings for the first time can be a daunting task Here to be your trustworthy guides are some of the very best interpreters of Edwards who walk you through his most important works with historical context strategies for reading and contemporary application launching you into a lifetime of discovering Edwards s God Jonathan Edwards's Apologetic for the Great Awakening Robert Davis centered vision of the Christian life for yourself Smart, 2011-06-06 In the 1740s Jonathan Edwards emerged as the New Light proponent of the claim that the Great Awakening was in the main a true work of the Spirit of God Conversely Charles Chauncy led the Old Lights in opposition by offering criticisms of the Awakening In this book Robert Davis Smart examines Edwards s defense of the revival with particular attention to Chauncy's criticisms which have often been acknowledged but not previously subjected to thorough analysis He sets forth historical and contextual factors that shaped Edwards and his generation shows how Edwards emerged as a leader of the revival from its early days and offers an updated survey of the modern attempts to interpret the Awakening theologically sociologically and historically Here is a detailed treatment of the contrasting perspectives of Edwards and Chauncy an extensive analysis of their major works regarding the revival an able assessment of the essential issues raised by the debate and an evaluation of the significant contributions of these men Table of Contents Introduction to Edwards s
