Scott, 2022-05-30 This book offers the first multidisciplinary analysis of the wordless novels of American woodcut artist and illustrator Lynd Ward 1905 1985 who has been enormously influential in the development of the contemporary graphic novel The study examines his six pictorial novels each part of an evolving experiment in a new form of visual narrative that offers a keen intervention in the cultural and sexual politics of the 1930s The novels form a discrete group much like Beethoven's piano sonatas or Keats's great odes in which Ward evolves a unique modernist style cinematic expressionist futurist realist documentary and grapples with significant cultural and political ideas

in a moment when the American experiment and capitalism itself hung in the balance In testing the limits of a new narrative form Ward s novels require a versatile critical framework as sensitive to German Expressionism and Weimar cinema as to labor politics and the new energies of proletarian homosexuality

Brown, 2014-02-20 A showcase of the extraordinary career America's first Black novelist and pivotal figure in African American literature. It is difficult to imagine any one of his contemporaries who contributed as much or as richly to so many genres. Henry Louis Gates Jr. Born a slave and kept functionally illiterate until he escaped at age nineteen, William Wells Brown (1814-1884) refashioned himself first as an agent of the Underground Railroad, then as an antislavery activist and self-taught orator, and finally as the author of a series of landmark works that made him like Frederick Douglass a foundational figure of African American literature. His controversial novel *Clotel, or the President's Daughter* (1853), a fictionalized account of the lives and struggles of Thomas Jefferson's black daughters and granddaughters, is the first novel written by an African American. This Library of America volume brings it together with Brown's other groundbreaking works: *Narrative of William W. Brown, A Fugitive Slave Written by Himself* (1847), his first published book and an immediate bestseller which describes his childhood life in slavery and eventual escape; later memoirs charting his life during the Civil War and Reconstruction; the first play *The Escape, or A Leap for Freedom* (1858); travelogue *The American Fugitive in Europe* (1855); and history *The Black Man: His Antecedents, His Genius, and His Achievements* (1862), written by an African American and eighteen speeches and public letters from the 1840s, 50s, and 60s, many collected here for the first time. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing. Abraham Lincoln: Speeches and Writings Vol. 1 1832-1858 (LOA #45) Abraham Lincoln, 1989-10-01 Abraham Lincoln measured the promise and cost of American freedom in lucid and extraordinarily moving prose, famous for its native wit, simple dignity of expressions, and peculiarly American flavor. This volume, with its companion *Abraham Lincoln: Speeches and Writings 1859-1865*, comprises the most comprehensive selection ever published, over 240 speeches, letters, and drafts, take Lincoln from rural law practice to national prominence and chart his emergence as an eloquent antislavery advocate and defender of the constitution. Included are the complete Lincoln-Douglas debates, perhaps the most famous confrontation in American political history.

Mark Twain: Collected Tales, Sketches, Speeches, and Essays Vol. 1 1852-1890 (LOA #60) Mark Twain, 1992-10-15 The most comprehensive Mark Twain collection, over 150 short stories, sketches, burlesques, hoaxes, tall tales, speeches, satires, and maxims from America's greatest humorist. Arranged chronologically and containing many pieces restored to the form in which Twain intended them to appear, this special Library of America volume shows with unprecedented clarity the literary evolution of Mark Twain over six decades of his career. The nearly two hundred separate items in this volume cover Twain's writings from the years 1852 to 1890. As a riverboat pilot, Confederate irregular, silver miner, frontier journalist, and publisher, Twain witnessed the tragicomic beginning of the Civil War in Missouri, the frenzied opening of the West, and the feverish corruption, avarice, and ambition of

the Reconstruction era He wrote about political bosses jumping frogs robber barons cats women s suffrage temperance petrified men the bicycle the Franco Prussian War the telephone the income tax the insanity defense injudicious swearing and the advisability of political candidates preemptively telling the worst about themselves before others get around to it Among the stories included here are Jim Smiley and His Jumping Frog which won him instant fame when published in 1865 Cannibalism in the Cars The Invalid s Story and the charming A Cat s Tale written for his daughters private amusement This volume also presents several of his famous and successful speeches and toasts such as Woman God Bless Her The Babies and Advice to Youth Such writings brought Twain immense success on the public lecture and banquet circuit as did his controversial Whittier Birthday Speech which portrayed Boston s most revered men of letters as a band of desperadoes
