pig Teacup Molly runs the farm as an alternative school for kids who haven't thrived in mainstream education. It's full on but she wouldn't have it any other way. So when the well-groomed Shelby Dacre turns up at Hope Farm asking to enrol his son Lucas, Molly isn't fazed. But Lucas is distant and soon Molly realises he might be more of a handful than she anticipated. And then there's the added problem that his dad is distractingly handsome. Molly has her beloved farm to think of, could letting Lucas and Shelby in be a terrible mistake or the start of something wonderful? An absolute must-read from the queen of romance Carole Matthews. Molly's story will make your heart sing. An irresistibly warm-hearted story. TRISHA ASHLEY Warm, witty and hopeful. I was charmed. SARAH MORGAN The queen of funny, feel-good fiction. MIKE GAYLE Happiness for Beginners Katherine Center, 2023-07-25 AS SEEN ON NETFLIX AN UPLIFTING ROMANTIC COMEDY FROM THE INTERNATIONALLY BESTSELLING AUTHOR OF THE BODYGUARD Sometimes to find your way, you have to get really, really lost. Helen Carpenter has always lived her life as far from the edge as possible. Finding herself newly divorced and a little lost, Helen decides she needs a reset. So when her annoying younger brother convinces her to sign up for a hardcore wilderness survival course, she hopes the adventure will be exactly what she needs. Instead, it's a disaster. It's nothing like she expected. She doesn't expect the surprise summer blizzard, for example, or the blisters, or the mean pack of sorority girls. And she especially doesn't expect that her annoying brother's even more annoying best friend Jake would show up for the exact same course and distract her, derail her, and kiss her. But it turns out sometimes disaster can teach you exactly the things you need to learn. Like how to keep going even when you think you can't. How being scared can make you brave. And how sometimes getting really, really lost is your only hope of getting found. _____ The things we remember are what we hold on to, and what we hold on to becomes the story of our lives. We only get one story. And I am determined to make mine a good one. _____ Readers love Happiness for Beginners. One of the best reads of this decade for me, featuring an unforgettable gutsy heroine and an equally endearing swoon-worthy hero. What more could you ask for? A stupidly cute romance with plenty of humour and a survival story in the middle of the mountains, you've completely got me hooked. This book I loved it with a passion. Sometimes you start a book and you know you are going to love it; you fall in love with the characters, the author's voice, and you just know that you are going to read something spectacular. Well, that is how I felt reading Happiness for Beginners. LOVE LOVE LOVE LOVE. Already gave two copies of this book and forced people to read it. They loved it too. I didn't read this book; I inhaled it. It certainly brought me lots of happiness and more than a few tears. Katherine Center is a phenomenal author. This book completely owned me. I picked it up to read one chapter before bed to see if I was into it, and it's less than 24 hours later, and I cannot wipe the grin off my face. This is definitely a new top favorite. _____ Wise, delicious page-turning. Katherine Center writes about falling down, growing up, and finding love like nobody else. BREN BROWN 1 New York Times bestseller. If you're anything like us, you'll read this book in one sitting. INSTYLE A fast-paced read with sharp, perfectly written dialogue. Happiness for Beginners Gregory Willis, 2020-01-10 So what is Happiness then For you Whatever your answer is chances are that it is going to be different from my answer or even your parent s sibling s or friend s answer Happiness means different things to different people For some it may be spending some time with the one that they love or for some it may be spending hours on trying to do something they are passionate about while for some it is just laughing your heart out with the closest of friends So what exactly happens when you are genuinely happy No I am not asking for the science of it all I mean the feeling What does it feel like Regardless of the reason why you re happy there is this feeling of contentment that comes with it and it remains common for all kinds of happiness Wait By contentment I mean the one that equals to inner satisfaction and not the one these modern marketing gurus keep screaming about However trying to define Happiness won t make it constant though will it It won t because Happiness is never constant it is always fleeting You can t run around collecting happiness in a jar and then opening it whenever you feel like you need it Happiness was never meant to be constant it is fleeting and all you can do is embrace it while it lasts So if we don t have any control over Happiness why even bother after all Yes Happiness always manifests itself and you cannot control it to the way you may want to but you can do things that would help increase the frequency of its manifestation Or put in simpler words you can do things on a regular basis that will eventually give you genuine happiness It s like telling you which road to go to find happiness but you don t know when you ll find it but you ll find it for sure
