year to become operational in 1953 First occupied by a fighter wing equipped with Vampires Sabres and Hunters its Seek and Strike motif took on real meaning when the station re equipped with strike attack and reconnaissance Canberras followed by strike attack Phantoms Jaguars and finally Tornados RAF Bruggen was at the forefront of the Cold War during which innovation and determination brought it many accolades It further distinguished itself in the Gulf War and continued to play its part in subsequent monitoring operations in that theater it was also the only Tornado Wing to operate directly from its home base during the Kosovo campaign This is the story of a station at war of the men and women at the sharp end and in support At work and play it was they who made Bruggen what it was excelling in all things and justifying a claim to have been RAF Germany's jewel in the crown With its closure in 2001 the RAF relinquished its last main operating base outside the UK Bruggen was indeed last and best
