Hardeman's Tabernacle Sermons N. B. Hardeman, 2001-12-01 *Hardeman Tabernacle Sermons* N. B. Hardeman, 1987-02 *Hardeman's Tabernacle Sermons* Nicholas Brodie Hardeman, 1923 Hardeman's Tabernacle Sermons Nicholas Brodie Hardeman, 1990 **DENOMINATIONS: FROM GOD OR MAN? VOLUME ONE** John F. Lugg, 2024-05-08

Denomination can be defined as religious division caused by false teaching so the case could be made that its origin traces back to the beginning of creation with the account of Cain and Abel. Abel followed correct doctrine with his sacrifice as God respected it, whereas Cain chose to alter whatever instructions God had issued on the subject, choosing instead a different doctrine or denomination and offering a sacrifice which God did not respect, one in which God had not ordained. Genesis 4:3-5. Most denominations today attempt to follow some things taught or practiced by Jesus and His apostles. But these have been added to or modified to fit human ideas. We see this practice exhibited even in the Old Testament. Israel feared the Lord seemingly giving God some worship yet they also served other gods according to the nations around them. 2 Kings 17:32-33. Mixing truth with non truth makes discernment of God's desired worship much more difficult and worshipping in vain much more of a danger. Matthew 15:9. Having earned his B.S. degree from Ohio State University in Business Administration, John had just begun a career in that vocation when he met Charlene whom he soon married in the Spring of '74. John, a life long Lutheran and Charlene, a member of the Church of Christ, had some decisions to make concerning their respective faiths. Encouraged by his wife and others including his dear friend and minister at the Fishinger and Kenny Rds Church of Christ in Columbus, Ohio, Gene Carrell, John decided to let the Scriptures speak on the subject. One point seemed to trouble him the most, his baptism as an infant. Since all the examples he could find from the Scriptures described adult individuals who after coming to belief would repent, confess and agree to submit to baptism, infant baptism made no sense. How could he as an infant make these decisions? After several years of investigation and study of the Scriptures, John was convinced the Bible does indeed speak of a different kind of church than the one he grew up in. In fact, this church was different than any of the religions or churches of its day, even the Jewish religion or church with its God ordained animal sacrifices and specialized priesthood. This was replaced by God with this church. For this church ushered in a New Covenant instituted by Christ Himself through a once for all sacrifice of Himself on the cross, offering permanent forgiveness of sins and a priesthood made up of all believers with direct access to God. John found himself wanting to be part of this Church of Christ. Following his obedience to the Gospel and being added to Christ's church not by any individual but by God Himself according to the Scriptures. Acts 2:47. John developed a passion for writing and teaching particularly on the subject of modern denominations as compared to the Scriptures and to this New Testament church of Christ. His denominational background has given him a unique perspective in this instance to author the first of five volumes on Denominations From God Or Man.

Encyclopedia of Religion in the South Samuel S. Hill, Charles H. Lippy, Charles

Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history

BOOK JACKET The Variety of American Evangelicalism
Donald W. Dayton, 2002-05 Those labeled as evangelicals commonly are assumed to constitute a large and fairly homogeneous segment of American Protestantism This volume suggests that in fact evangelicalism is better understood as a set of distinct subtraditions each with its own history organizations and priorities The differences among groups are so important that the question arises Is the term evangelical useful at all This book attempts to enter as sympathetically as possible into the self understandings of movements usually grouped under the evangelical umbrella For each of twelve major traditions a leading scholarly interpreter first articulates the group's theological orientation and then explores the relationship between that movement and broader evangelical issues and organizations Contributors develop remarkably useful and diverse conceptual strategies for charting the complex evangelical landscape In crisp summary chapters the editors draw differing conclusions from the many perspectives offered Donald Dayton wants to abandon the category evangelical altogether Robert Johnston sees the varied traditions as an extended family whose members embody common characteristics to greater or lesser degrees
